### FOREST MANAGEMENT AND CONSERVATION DIVISION

### I. NURSERY OPERATIONS & MAINTENANCE

For the year 2020, a total of **51,946 assorted fruit and forest tree seedlings** both sexually and asexually propagated including the bamboo propagules were procured and produced and taken cared of at the Provincial and Clonal Nurseries. A total of **17,176 assorted seedlings** were disposed and distributed to different public and private entities such as Municipal and Barangay LGUs, POs/NGOs/ Cooperatives, schools, other government agencies like the Philippine Army and Philippine National Police in support to our greening activities.

However, due to unavoidable circumstances, **4.0%** mortality rate equivalent to **2,074** seedlings was recorded.

Particulars	Previous Stock Balance (2019)	Procured and Produced	Total	Disposed	Mortality	Remaining Stock Balance (Dec. 31, 2020)
Forest tree seedlings	0	24,062	24,062	6,448	727	16,887
Fruit tree seedlings	0	18,024	18,024	5,581	746	11,697
Coconut Propagules	0	1,360	1,360	525	-	835
Bamboo Propagules	0	8,500	8,500	4,622	601	3,277

**Table 1.** Inventory of Seedlings at Provincial Nursery

Around 7,000 seedlings which are still under recovery stage and are not yet ready for disposal were not included in the final inventory.

There were six (6) laborers hired to conduct regular nursery activities augmenting the technical personnel assigned in the Provincial and Clonal nurseries. Activities included, but were not limited to, potting, seeds and wildlings collection, seedling propagation, sorting of seedlings for hardening, brushing, ring weeding and greening of the two (2) nurseries.

Prior to pandemic, this Office has scheduled a regular nursery day for its personnel to supplement the workforce. This was to maximize the seedling propagation capacity of the nurseries. But unfortunately, during the ECQ and MECQ and even under new normal situation, skeletal workforce was required, resulting to a limited number of personnel doing the regular nursery days.

### II. FOREST PROTECTION AND LAW ENFORCEMENT

#### a. Manning of Checkpoints

The Isabela Environment Protection – Task Force (ISEP-TF) manned and maintained six (6) checkpoints on a 24/7 basis. The 16 ISEP-TF operatives concentrated on forest and environment protection thus, frequently conducted surveillance, foot and mobile patrolling and acted/responded on tipsters' (SMS) reports regarding violations on forestry and environment related laws. The other 39 personnel were also assigned to man different quarry outlets province-wide. These activities aimed to detect any illegal gathering and transport of both forest products and mineral resources. The ISEP-TF Operatives also actively took part in the implementation of programs, projects and activities of the ENR Office, as follows:

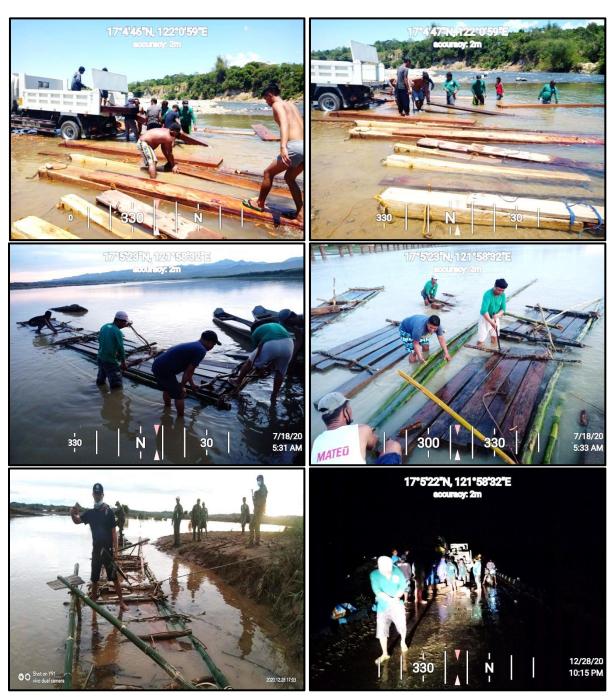

- Monitoring, site inspection and validation of existing commercial sand and gravel and earth moving operations;
- Maintenance of the IDRRIP reforestation areas;
- Clean-up drive activities; and
- Disaster response during typhoons

### b. Apprehension/Confiscation of Illegally Gathered/Transported Forest Products

For the year 2020, a total of **Five Hundred Eighty Four (584) pieces** of different wood species (Lumber and Flitches) with corresponding volume of **Twenty Two Thousand One Hundred Twenty and 23/100 (22,120.23) board feet** were apprehended during the conduct of forest protection and law enforcement activities as shown in Table below. These apprehended forest products were under the custody of PGI-ENRO.

## *III. CLIMATE CHANGE MITIGATION/ADAPTATION & DRRM MEASURES THRU FOREST LANDSCAPE RESTORATION AND COASTAL RESOURCE MANAGEMENT PROGRAM*

With the declaration of Enhance Community Quarantine following the global Covid-19 pandemic, this Office was constraint to implement various Forest Landscape Restoration and Coastal Resources Management projects in compliance to health protocols. Nevertheless, continuous monitoring of previously established projects was done in coordination with partner LGUs thru the Municipal Environment and Natural Resources Office.

#### a. Plantation Development Monitoring of the Reforestation Project Established at Sitio Namnama, Brgy. Santos, Quezon, Isabela

The project is a 6-hectare Reforestation established last 2019 in partnership with the Local Government Unit of Quezon. As counterpart, the Provincial Government provided for the seedling and fertilizer requirements. On the other hand, LGU Quezon thru their Municipal ENR Office conducted the site preparation, planting, maintenance and protection activities, supervised by this Office. The area is within the LGU maintained Forest Eco Park.

### ENVIRONMENTAL MANAGEMENT DIVISION

Planned programs, projects and activities of the environmental management division were geared towards mitigation processes consistent to the provisions of environmental laws mandated by the devolution of functions to the local government units. The ENR Office as the technical arm of the Provincial Government of Isabela, implemented programs and activities aligned into the flagship projects and programs of the Local Chief Executive concerning environmental concerns.

The plans and programs implemented by the environmental management division are inscribed into this document to form part of the annual report of the Environment and Natural **Resources Office.** 

#### SEARCH FOR MOST ENVIRONMENT FRIENDLY BARANGAYS Ι.

For the culmination of the 2019 Search for the Most Environment Friendly Barangays, the Provincial Government of Isabela thru this Office led the awarding of certificates and cash prizes to the winning barangays during the Monday Flag Raising Ceremonies last January 20, 2020. Below were the Top Five barangays:

#### II. UPDATING OF THE PROVINCIAL 10 - YEAR ECOLOGICAL SOLID WASTE MANAGEMENT PLAN

In compliance to the provision of RA 9003 known as the Ecological Solid Waste Management Act of 2000, the Provincial 10-year ESWM Plan is updated every two years thereafter based on the submitted individual plans of its component cities and municipalities. With the aim to come-up with sustainable programs, projects and activities for the plan implementation, the Provincial Government thru the ENR Office assisted in the updating of individual plans thru material and technical extension for the conduct of Waste Analysis and Characterization Study (WACS) of requesting municipality. For this year, only Quirino requested and extended technical assistance in updating of their expired 10-Year Plan.

Pre-Orientation Workshop and actual conduct of WACS (November 10, 26 & December 3, 2020) at Quirino, Isabela

### III. ORGANIC FERTILIZER PRODUCTION THRU VERMI-COMPOSTING

For this year, a total of Fourteen Thousand One Hundred Seventy Five (14,175) kilograms of vermicast organic fertilizer were produced including the remaining balance from 2019 at the vermicomposting facility while a total of 8,575 kilograms were released to various requesting individuals and partner agencies specifically the Office of the Provincial Agriculturist maintaining the Provincial Vegetable Nursery. Further, an Organic Garden was established and maintained at the back of the ENRO utilizing the organic fertilizer produced.

In addition, the composting facility equipment specifically the shredder is also being utilized to assist in degrading materials for the vermin-worms. Continuous collection of organic materials is being implemented. The Organic Fertilizer Production Facility is manned by two Job-Order workers and supervised by one (1) technical personnel.

### V. ECOSYSTEMS MANAGEMENT

#### a. Clean-up Drive

One of the regular activities of the Provincial Government thru this Office is the conduct of clean-up drives along oceans, rivers and/or creeks and its tributaries. This activity aimed not only to keep major waterways from wastes but to involve and build partnership with immediate partner agencies and communities in implementing environmental laws and regulations such as the Philippine Clean Water Act and Ecological Solid Waste Management Act of 2000.

Along with the clean-up drive activities, the Provincial Government joins the nationwide observance of National Clean-up and International Coastal Clean-up Activities along the river banks of Disiope and Heneken Bridge/Rivers dated September 23 and 24, 2020.

### b. Anti-Smoke Belching Campaign

In coordination with partner agencies from DENR-EMB-R02, LTO-DOTr R02 and with the participation of LGU-MENROs, the Provincial Government of Isabela thru the Environment and Natural Resources Office led the conduct of Anti-Smoke Belching Campaign. Following the provision of DENR-AO 2000-81 Rule XXXV: Roadside Inspection of Motor Vehicles, this activity forms part of the Provincial Government's initiatives on climate change mitigation and adaptation program by reducing possible sources of air pollution. Below were the series of anti-smoke belching campaign conducted, to wit:

Location	Date
National Highway, Capitol, Alibagu, City of Ilagan, Isabela	June 30, 2020
National Highway, San Antonio, Roxas, Isabela	July 31, 2020
National Highway, Ngarag, Cabagan, Isabela	August 28, 2020
National Highway, Malapat, Cordon, Isabela	September 25, 2020
National Highway, Apanay, Alicia, Isabela	October 30, 2020
National Highway, Quezon, San Isidro, Isabela	November 27, 2020

The team flagged-down diesel engine vehicles such as truck, jeeps and SUVs passing thru the national highway and conducted random smoke belching tests using the smoke meter machine. A total of one hundred thirty four (134) diesel engine vehicles were checked and tested; fifty (50) or 37% of which did not met the opacity standard of smoke emitted and two (2) has no reading due to defective exhaust pipe (*tambutso*).

Those vehicles which failed to meet the standard were issued with citation tickets and driver's licenses were confiscated. The owners were then required to pay the penalty

and needed to undergo smoke testing to ensure compliance to the standard opacity of smoke emission.

### c. Field Verification and Inspection

In response to letter request of Hon. Federico D. Samus, Sangguniang Bayan Member of Sta. Maria, Isabela, personnel of this Office conducted field inspection on the proposed area for commercial sand and gravel permit and findings were as follows, to wit:

- The proposed area is located at the Eastern side of Cabagan Sta. Maria Bridge and within the jurisdiction of Barangay Mozzozzin Norte, Sta. Maria, Isabela;
- The proposed area is s build-up sediment of soil, sand and gravel within the Cagayan River covering an area of 28 hectares more or less;
- The proposed area is recommended for sediment removal to reduce further buildup.

After inspection and verification, the applicant was advised to secure first the mandatory requirements for Commercial Sand and Gravel Permit from concerned agencies/offices prior to any extraction activities, and once permit is issued, the sand and gravel extraction must be done at least 1 kilometer away from the Cabagan – Sta. Maria Bridge.

### d. Updates on Minahang Bayan

The petition for the declaration of Minahang Bayan in the Municipality of Dinapigue, Isabela was issued with clearance by the Office of the Secretary of DENR, a copy of which was formally received on January 21, 2020. In accordance to *Section 9 (I) of DAO 2015-03*, upon receipt of the clearance, the Provincial Government being the petitioner was required to secure and submit an Environmental Compliance Certificate (ECC) for the entire applied area. However, with the current pandemic, the leadership has prioritized programs deemed more relevant to alleviate current situation of constituents most affected by the health hazard. Nevertheless, this office has sustained its coordination with the concerned agencies to ensure their continued technical support and assistance to the provincial government once the project shall be implemented.

### ACTIVITIES UNDERTAKEN IN SUPPORT OF ILAGAN-DIVILACAN ROAD REHABILITATION & IMPROVEMENT PROJECT (IDRRIP)

### I. MAINTENANCE & PROTECTION OF THE REFORESTATION AREAS

To ensure development of the reforestation areas established, personnel of this office conducted regular monitoring and maintenance of the planted seedlings during the Reforestation Target Action (RTA): One Million Trees One Day Tree Planting Project last December 2019. Activities included ring weeding, strip brushing, cultivation and re-planting of seedling mortality. The survival rate of the seedlings planted in the reforestation areas during the RTA remains high, estimated at 90%. The continuous maintenance activities is necessary for the coming years to ensure that the seedlings planted will transform into grown trees that give many benefits to us humans and other forms of living creatures thus, the efforts of the province and its constituents in restoring the green environment will not be wasted.

**2020 ANNUAL ACCOMPLISHMENT REPORT** 

### II. MONITORING, SURVEY, DOCUMENTATION AND OTHER ACTIVITIES ALONG IDR

Technical personnel from this Office conducted regular field visit along Ilagan-Divilacan Road (IDR) project especially within the reforestation areas and evaluated the status of seedlings planted among others. Together with other concerned offices and government agencies, this office conducted the following activities in the Ilagan Divilacan Road, to wit:

- Putting-up of placards in the Northern Sierra Madre Natural Park (NSMNP) Buffer Zone along IDR together with DENR-PENRO Isabela personnel;
- Conducted field visit and quarterly compliance monitoring of the IDRRIP together with DENR-EMB R02 and PGI-OPE personnel. Reports were then submitted to DENR-EMB R02;
- The joint-team composed of PGI, MGB-R02 and DENR personnel conducted survey of the proposed re-routing of the Ilagan-Divilacan Road from km. 50 up to Brgy. Sapinit, Divilacan, Isabela last March 10-21, 2020. The field survey aimed primarily to gather data for geo-hazard assessment and preparation of Feasibility Study/Detailed Engineering Design and inventory of trees that will be affected if the proposed re-routing will push through;
- Led by PSWD and OPE, personnel from this office assisted in the delivery of construction materials for the affected residents relocated within the vicinity of the road project at So. Lagis;
- Conducted inventory of forest occupants especially Indigenous Peoples in the vicinities of the road project together with City LGU of Ilagan and DENR-CENRO Naguilain;
- Conducted clean-up drive activities along the Ilagan-Divilacan Road and river systems near thereat in observance of various environment events for the month of September such as National Cleanup and International Coastal Cleanup day, National Bamboo Day and Sierra Madre Day. Ten sacks of solid wastes were collected during the two-day activities. The team also put-up placards/signages initially at Disiope and Henekan rivers to give reminders to people who enter and traverse the IDR for proper disposal of their solid wastes; and
- Conducted typhoon aftermath monitoring and documentation within reforestation areas. It was observed that the recent typhoon did not affect the reforestation areas and survival rate remained high. However, the conduct of maintenance activities such as ring weeding, strip brushing and others is recommended.

### INFORMATION, EDUCATION & COMMUNICATION (IEC), INTERVENING AND OTHER RELATED ACTIVITIES

### I. Information, Education & Communication (IEC) Activities

One of the main activities of the Office is the conduct of IEC campaigns which aim to inform, educate and capacitate our stakeholders on environment protection, forest conservation and development, as follows:

Briefing and orientation on PGI's forest related PPAs and Executive Orders at Barangay Paliueg, City of Ilagan, Isabela last September 03, 2020. The activity was attended by fifteen (15) participants mostly Barangay Officials and some residents. After the IEC, the group also conducted tree planting activity together with the participants along the roadside of the barangay.

In Celebration of Environmental Events for the month of November, conducted Briefing and Orientation on Various ENR Related Laws and Ordinances on November 24, 2020 at Cordon, Isabela. The activity culminated with a tree planting at the Proposed Cordon Eco-Park located at Sitio Estampa, Capirpiriwan, Cordon, Isabela on November 25, 2020.

In conjunction with the same environmental events, tree planting activities were also conducted within LGU Echague compound and in their Sanitary Land Fill area at Brgy. Pangal Sur, Echague, Isabela on November 26, 2020.

### II. Certificate of Stewardship Contract (CSC) Holders' Evaluation And Assessment

In partnership with DENR Isabela Field Offices concerned, conducted evaluation and performance assessment of CSC holders to verify the status of development they have introduced in their respective farm lots within portions of forest zones under the Integrated Social Forestry (ISF) Project.

For the year 2020, a total of Two Hundred Seventy Nine (279) farmer-beneficiaries were evaluated at the following project areas, to wit:

	ISF Project Location	Number of Holders Evaluated
1.	Sitio Dabbak, Brgy. Luna, Quirino, Isabela	37
2.	Sitio Dimakawal, Brgy. Caquilingan, Cordon, Isabela	56
3.	Brgy. Anonang, Cordon, Isabela	110
4.	Brgy. Gayong-gayong Sur, City of Ilagan, Isabela	16
5.	Brgy. Salindingan, City of Ilagan, Isabela	25
6.	Brgy. Camarao, Cordon, Isabela	35

Results of the evaluation served as basis for recommendation whether to cancel or renew said contracts.

# III. Activities undertaken under the Philippine Rural Development Project (PRDP) – Social and Environmental Safeguards (SES)

- Carried out preparation of sub-project proposals technical documents in areas for Social and Environmental Safeguards (SES) Unit under I-SUPPORT COMPONENT of the Provincial Project Management and Implementing Unit (PPMIU) World Bank-funded Philippine Rural Development Project (PRDP). The approved sub-project: Construction of Microbiological Testing Facility for Dairy Products at Masaya Centro, San Agustin, Isabela. The proposed sub-projects: Establishment of 4 Warehouses with Solar Dryers at San Guillermo, Burgos, Cauayan City and Cabagan and Rizaluna-Camarao Farm to Market Road at Cordon, Isabela
- Continuing implementation of approved PRDP sub-projects concerning SES functions to the different municipalities in the province, namely:

  - Construction of 620-sqm Warehouse with Solar Dryer, San Fabian, Echague, Isabela
  - Tilapia Fingerlings Production and Marketing Enterprise

#### IV. Bamboo Benchmarking Mission

Together with representatives from the DTI Regional and Provincial Office and members of the Regional and Provincial Bamboo Association Councils, the ENRO representative joined the Bamboo Benchmarking Mission conducted at Carranglan and Pantabangan, Nueva Ecija; Lubao and Mabalacat, Pampanga; Bayambang and Aguilar, Pangasinan; and in Baguio City which aimed to bring Region 02's bamboo stakeholders, and LGUs to become successful Community-Based and Industrial –Based Bamboo Businesses and Research Centers; to further appreciate the industry's potentials and to set explicit directions to boost the bamboo industry as wood substitute.

This activity is part of the continuing efforts of both the government and other entities to accelerate growth of the bamboo industry sector in the province; and to deepen the appreciation of the local bamboo stakeholders and LGUs on the different bamboo business models of other regions.

#### V. Todas Dengue, Todo Na'To – Ikapitong Kagat

The ENR Office personnel actively participated and joined constituents of Barangay Casibarag Sur and Casibarag Norte, Cabagan, Isabela in the conduct of clean-up activities in support to the annual program of the Provincial Government of Isabela dubbed as Todas Dengue, Todo Na'To. Prior to the scheduled clean-up, same activity was also conducted within the vicinities of the ENR Office to ensure eradication of possible breeding areas for dengue-carrying mosquitoes.

#### VI. Attendance and Participation to Meetings, Consultations, Conferences and Webinars

### Attendance to the 1<sup>st</sup> Coastal Law Enforcement Conference on January 21-22, 2020 at Piazza Zicarelli Hotel & Restaurant.

The Provincial Government of Isabela represented by personnel of PPDO, SPCICD and this Office attended the 1<sup>st</sup> Coastal Law Enforcement Conference organized by DENR Isabela. All stakeholders including the provincial government presented their respective coastal-related programs, projects and activities. Further, laws governing coastal resources particularly on wildlife, marine and fisheries were elaborated by speakers from DENR and DA-BFAR which became the main subject during the open forum.

The conference was intended to establish a Law Enforcement Network within the Northern Sierra Madre Natural Park (NSMNP) and harmonize all efforts of stakeholders in the enforcement of coastal protection and conservation laws in the province.

- > Attended meeting with concerned project participants of the Proposed Napier Grass plantation project facilitated by DENR-PENRO Sub Office at Santiago, Quirino, Isabela.
- Attended and participated in Protected Area Management Board (PAMB) meetings as regular member/permanent representative for the Tumauini Watershed Natural Park (TWNP) and Fuyot Spring Natural Park (FSNP).
- Attended and participated in Local Road Management Team meetings as member of the LRNDP - Technical Working Group.
- Attended virtual consultation on the Local Climate Change Action Plan (LCCAP) Quality Assurance Review Process on October 28, 2020.
- Attended the virtual National Solid Waste Management Conference 2020 (SWAPPCon 2020) with the theme "Waste Management in the Time of Covid-19: Challenge, Solutions and Opportunities" on November 26-27, 2020. The conference provided an opportunity for various stakeholders to present and discuss various solutions to this grave problem that besets our country.

Attended the virtual Senate Committee Hearing on Cagayan River flooding as resource person on December 10, 2020.

#### VII. Monitoring of Compliances to Executive Order Nos. 42, 43, 44 and 45 series of 2019

The Provincial Government thru the present leadership of Hon. Rodolfo T. Albano III initiated and encouraged the citizenry for the rehabilitation and re-greening of the Northern Sierra Madre Natural Park (NSMNP), all open and denuded lands of the public domain, idle lands, and other suitable areas, both urban and rural including rehabilitation of coastal or marine areas thru the issuance of Executive Order No. 15, series of 2019: Creating the 1 Million Trees 1 Day Task Force for the reforestation of the Sierra Madre and other areas of concern and Executive Order No. 16 series of 2019: Enjoining all citizens using the Ilagan-Divilacan Road to plant or donate trees to support reforestation efforts along the Sierra Madre.

The simultaneous conduct of the 1 Million Trees 1 Day Tree Planting activity province wide was able to accomplish the target number of seedlings to be planted province-wide.

On the part of the Provincial Government whose area is within the Ilagan-Divilacan Road vicinity being regularly monitored by personnel and ISEP-TF task force attained a survival rate of 90% of the 270,483 seedlings planted. Replanting and maintenance works were conducted particularly within those planted along road sides for higher survival rates.

Consequently, recognizing the significant role of trees in ecological stability, the Provincial Government felt the need to institutionalize public participation in the development and implementation of integrated, comprehensive and environmental protection programs. This urgent need calls for a concerted effort to protect and improve the quality of the environment especially in schools and barangays by adopting, wherever relevant, an approach to achieve carbon neutrality or having a net zero carbon footprint, by balancing a measured amount of emission with an equivalent amount sequestered through planting of trees.

Hence, the issuance of the following Executive Order Nos. 42, 43, 44 and 45 series of 2019. But considering the present situation under the new normal condition, this Office was not able to strictly monitor compliance of the schools and barangays. However, thru communication technology using radio messages and contacts with the MENROs and the Provincial LnB President, the following Municipalities were able to submit their

accomplishment reports specifically in compliance to Executive Order No. 43 series of 2019, to wit:

	City/Municipality	Total No. of Barangays	No. of Compliant Barangays	No. of Seedlings Planted	Remarks
1.	Angadanan (Report submitted by MENRO, Engr. Williard Jose S. Nadugo)	59	14	9,250	All 59 Barangays complied with the tree planting activities but only 21 indicated the number of seedlings they planted.
2.	Benito Soliven (Report submitted by LnB President, Hon. Bonifacio M. Viernes, Jr.)	29	27	8,050	Out of the 27 barangays that conducted the tree planting activities, only 16 submitted the number of seedlings they planted.

7.	Gamu	16	14	No number reported	Tree planting and clean-up drive activities.
8.	<b>Luna</b> (Report submitted by Hon. Noli B. Tamayo)	19	19	650	Out of the 19 barangays that conducted tree planting, only 3 barangays reported the number of seedlings they planted.
9.	Mallig (Report submitted by Ms. Glenda Mabuti via email)	18	18	600	All barangays conducted tree planting activities as per report submitted but only 2 barangays reported the number of seedlings planted.
10.	<b>Palanan</b> (Report submitted by LGU Palanan via email)	17	11	300	Out of the 11 barangays that conducted tree planting, only 1 barangay (Dimasari) reported the number of seedlings planted.
11.	Quezon	15	12	750	The 12 barangays conducted their tree planting activity within the Municipal EcoForest Project site at Sitio Namnama, Santos, Quezon in celebration of Quezon's 60 <sup>th</sup> Founding Anniversary but only 4 barangays submitted the number of seedlings planted. Others, no figure reported.
12.	<b>Quirino</b> (Submitted by LnB President, Hon. Willy R. Lucas)	21	19	No number reported	The 19 barangays participated but no number of seedlings planted was indicated in their report. The other 2 barangays had no report submitted.

13. San Isidro	13	13	3,565	All barangays conducted tree planting
14. San Mateo	33	33	1,820	All barangays conducted tree planting but only 14 barangays submitted the number of seedlings planted. The 19 barangays reported with pictures but no specific number of seedlings planted.

### VIII. Log Inventory

The aftermath damages caused by typhoon Ulysses, some old cut logs and drifted woods and uprooted trees from the upstream flowed down with the flood waters. The volume of drifted logs/woods after the recent typhoon was relatively lesser as compared with those that drifted last December 2019. Landslides and soil erosion also occurred in vulnerable areas and river banks that caused river bed siltation.
