#### Introduction

On September 2, 2016, the Department of the Interior and Local Government issued Memorandum Circular No. 2016-116 to all Provincial Governors, ARMM Regional Governor, City/ Municipal Mayors, Punong Barangays, DILG ARMM Regional Secretary, DILG Regional Directors, and Field Officers, and others concerned, on the subject of 'Implementation of MASA MASID (Mamamayang Ayaw sa Anomalya, Mamamayang Ayaw sa Iligal na Droga) Program'.

The MASA MASID Program is a community-based initiative to engage volunteers in the fight against criminality, corruption, and illegal drugs. It adopts a multi-sectoral and mass-based approach to ensure an effective war against illegal drug-related crimes. Its goal is to achieve safe and drug-free community by (1) conducting information and education campaigns against corruption, criminality and illegal drugs in communities, (2) establishing reporting mechanisms, (3) formulating community-based rehabilitation/ intervention programs for victims, and (4) promoting the spirit of volunteerism to encourage people to become agents of positive change.

The MASA MASID Program intends to engage the community in its advocacy by employing the strategy of unifying and mobilizing Barangay UBAS Action Teams (UBAS BATs) with Civil Society and NGO members of Barangay Anti-Drug Abuse Councils (BADAC) and Barangay Peace and Order Councils (BPOC) to diminish crime, foster peace, order and security, serving as the "umbrella organization" of all the barangay-based institutions concerned in advocating peace and order and public safety in the community level.

On October 9, 2017, a Provincial Orientation was held in Santiago City to discuss the Revised Guidelines of the MASA MASID Program. The Program was first intended for criminality, corruption and illegal drugs; during the Provincial Orientation, extremism and other threats to peace and security were included. Hence, the final working definition of the program:

In the MASA MASID Program, to address the long standing battle against criminality, corruption, and illegal drugs, the faith-based organizations and community volunteers will be engaged through the Ugnayan ng Barangay at Simbahan (UBAS). It will bank on the participation of the common people to spark the spirit of volunteerism in the community.

As a strategy, MASA MASID shall mobilize and converge the UBAS Barangay Action Teams (BATs) with the member CSOs and NGOs of Barangay-Based Institutions, particularly the Barangay Anti-Drug Abuse Council (BADAC) and Barangay Peace and Order Council (BPOC) to advocate crime prevention, peace and order, security, and in enhancing transparency and accountability in the barangay. It will serve as an 'umbrella organization' of all barangaybased institution concerned in advocating peace and order and public safety in the community.

For its initial implementation, MASA MASID is designed to enhance the conduct of advocacy and education campaigns and information gathering to reduce the supply and demand of illegal drugs, and community-based rehabilitation program to address the need for interventions of the surrendering drug personalities in the country.

#### Executive Order No. 1

Right after the issuance of the eight (8) executive orders, the MASA MASID Task Force was created on February 2017, followed by the establishment of the MASA MASID Office, located at Ground Floor Queen Isabela Park Alibagu, City of Ilagan. The MASA MASID Office is in-charge of implementing rules and regulations and in answering queries regarding the program. It serves as the prime body where concerned citizens of Isabela can report problems of corruption, illegal drugs, criminality, violent extremism and other threats to peace and security. It is also responsible for securing records filed and complained by our concerned citizens to be taken into further action by different authorities like DILG (Department of the Interior and Local Government), PDEA (Philippine Drug Enforcement Agency), PNP (Philippine National Police), Anti-Drug Councils, Peace and Order Councils, and the like.

On June 6, 2017, seventeen (17) pastors from the Isabela Christian Ministerial Fellowship (ICMF) came to visit the MASA MASID Office. They wanted to become volunteers in the community-based rehabilitation programs by giving the drug surrenderees a Moral and Spiritual Upliftment; to assist them in recovering from their past lifestyle. The Action Officer advised them that they go each to their own barangays and coordinate with the MASA MASID Teams respectively.

#### Executive Order No. 5

On February 18 and 25 2017, in efforts to heighten public awareness about the MASA MASID Program, the Provincial Information Officer Jessie Geronimo took the lead in IEC (Information and Education Campaigns) by giving detailed information about the program in *Bombo Radyo*, aired for 30 minutes from 9 am to 9:30 am. Right after the first broadcast, many called and sent their text messages to the hotline number, proving that the information was relayed to the audience successfully.

On March 21, 2017, MASA MASID Action Officer Robert V. Plata Jr. was interviewed by *Bombo Radyo* on air regarding the MASA MASID and PDEA's recent arrests of drug-users. He was again interviewed by *Bombo Radyo* Tuguegarao on July 22.

Other forms of Information and Educational Campaigns were also produced to disseminate the information to the benefactors of the program – the public. A stack of stickers was distributed to the community, specifically to all barangays, BADAC and BPOC to advertise the hotline numbers. These were backed up by the circulation of brochures. Tarpaulins were also distributed; two for each municipality and/ or city to signify that such location supports the MASA MASID Program. The team also used a text blast to send a text message to inform all mobile users in Isabela about the MASA MASID Program to supplement all other IECs.

On October 22, 2017, in pursuit to Executive Order No. 5, the MASA MASID Action Officer Robert V. Plata Jr. gave a talk in the SAVER TEAM Training at GSP Program and Training Center, Osmeña, City of Ilagan, Isabela. He discussed and gave useful information about the MASA MASID Program. The senior high and high schoolers were very active in

participation as the Action Officer prepared an activity for them. They were asked what kind of issue would they want to be eradicated from the country namely corruption, illegal drugs, crime and violence. 41 students responded to corruption, 65 students responded to illegal drugs, 71 students responded to crime – which obtained the highest count – and 20 students responded to violence.

#### Executive Order No. 6

To aid more effective MASA MASID Program implementation, the social media team was formed. Its first social media output is the MASA MASID Isabela Facebook account and Facebook Page to make the program known by being connected to the community and so that they could also easily report any incident of corruption, illegal drugs, criminality, violent extremism and other threats to peace and security. It also serves as means to be connected to other provinces that have implemented the program in their respective localities.

On April 11, 2017, the MASA MASID Facebook account was blocked by Facebook because it refuses the name MASA MASID, claiming that it was not a name of a person and that Facebook only allows Facebook accounts for actual people and not for a business, offices, and the like, and so another Facebook account was created with the same name 'Masa Masid Isabela'. The 'Masa Masid Isabela' Page was retained and still functions the same.

Since the 'Masa Masid Isabela' Facebook account was blocked and no longer functioned, no complete and accurate data was obtained during that month – only its total Facebook likes for the month were accounted for but the total Facebook friends were not. Nonetheless, a new "Masa Masid Isabela' Facebook account was immediately created again for the social media to continue their tasks and responsibilities.

Executive Order No. 7

As a form of response and advisory mechanism, the MASA MASID Task Force established the MASA MASID Hotline, which was announced on air in *Bombo Radyo* for two consecutive Saturdays. The hotline is available 24/7 for immediate and easy access for the citizens of Isabela.

There were many complaints that were sent through SMS via MASA MASID Hotline. They were referred to the appropriate authorities and legal actions were taken when necessary.

On February 2017, the MASAMASID Hotline has received 8 complaints through SMS. However, they were not taken into further action because the complainants would not reply if asked to elaborate information regarding their complaints. The action officer has also tried contacting some of them but was out of coverage.

There was one complaint, however, that has been presented to the MASA MASID Office for legal assistance. The MASA MASID Office acted on it immediately and referred the case to the Provincial Legal Office for the legal action it requires. The complainant was Mr. Rommel De Guzman, married, of legal age, and a resident of Brgy. Batong Labang, Ilagan City, Isabela. He filed an administrative complaint against Punong Brgy. Florante E. Baysa of Brgy. Batong Labang for disciplinary action in the office of the Sangguniang Panlungsod, City of Ilagan. During the hearing of the case in the Office of the Sangguniang Panlungsod, the Punong Brgy.Florante E. Baysa directly harassed Mr. Rommel De Guzman by filing a criminal offense for Cyber Libel NPS Docket No. II-14INV-17H- 00158 in the Office of the City Prosecutor, City of Ilagan on August 2, 2017. On August 24, the case filed by Punong Brgy. Florante E. Baysa against Mr. Rommel De Guzman was dismissed due to lack of probable cause signed by Maria Christina L. Hipolito-Valdriz, Prosecutor II of the Office of the City Prosecutor, City of Ilagan. After the dismissal of the criminal case filed against Mr. Rommel De Guzman, the administrative complaint filed by Mr. De Guzman against Brgy. Captain Florente E. Baysain the Sangguniang Panlungsod was likewise dismissed by the members of the Quasi-Judicial Body of the Sangguniang Panlungsod on September 19, 2017. On October 4, 2017, Mr. De Guzman received a copy of the decision of Sangguniang Panlungsod of City of Ilagan. On November 6, 2017, Mr. De Guzman filed an Appeal Memorandum in the Office of the Sangguniang Panlalawigan in the Province of Isabela, with high hopes that the Honorable Office of the Quasi-Judicial Body of the Sangguniang Panlalawigan will REVERSE and SET ASIDE the decision issued September 19, 2017 by the Office of the Sangguniang Panlungsod, Ilagan City, Isabela in Administrative Case No. 2017-002 for ABUSE OF AUTHORITY, MISCONDUCT OF OFFICE AND DISHONESTY. An ORDER of the Sangguniang Panlalawigan was handed down. To quote:

For consideration before this august body is an appeal filed by Mr. Rommel De Guzman of the decision rendered by the Sangguniang Panlungsod of Ilagan City in  $\underline{SP}$ 

<u>Administrative Case No, 2017-002</u> entitled **ROMMEL DE GUZMAN**, of Barangay Batong Labang, City of Ilagan, Isabela, *Complainant*, versus **BARANGAY CAPTAIN FLORANTE E. BAYSA**, of Barangay Batong Labang, City of Ilagan, Isabela, *Respondent*, "FOR ABUSE OF AUTHORITY, MISCONDUCT OF OFFICE AND DISHONESTY" dated September 19, 2017.

After careful evaluation of the Appeal Memorandum submitted to this office dated November 06, 2017 together with all the attachments therein, it appears that the same was filed within the reglamentary period. Be it noted that there was a previously scheduled Barangay Election on October 23, 2017. Regrettably, the case was tried and decided by the Sangguniang Panlungsod of Ilagan City within the prohibited period as provided under section 62 of RA 7160 which states, among others.

(c) However, <u>no investigation shall be held within ninety (90) days immediately</u> <u>prior to any local election</u>, and no preventive suspension shall be imposed within the said period. If preventive suspension has been imposed prior to the 90-day period immediately preceding local election, it shall be deemed automatically lifted upon the start of aforesaid period x xxxxx

Considering the foregoing, the case is hereby remanded to the Sangguniang Panlungsod of Ilagan City for a **RE-TRIAL OF THE CASE.** 

At this moment, the re-trial of the case against Brgy. Captain Florante E. Baysa for abuse of authority, misconduct of office and dishonesty has been re-scheduled and the rescheduling is ongoing.

On May 2017, the MASA MASID Hotline has received 19 complaints via SMS. They were not taken into further action because either the complainants were rather asked to present themselves personally in the MASA MASID Office for more accurate reports and complaints but did not so or the complaints they were presenting are not covered by the MASA MASID Program. Furthermore, the MASA MASID Hotline were sometimes used by prank callers and the Action Officer do not allow these prank callers to use the hotlines in destroying other people's reputation and to be used for unreasonable vengeful acts. The MASA MASID Hotline is only for correct reports and valid complaints.

During the months of November and December, there were no arrests made because the task to arrest was given solely to Philippine Drug Enforcement Agency without the Philippine National Police. Unfortunately, PDEA's personnel to execute the operation were lacking that is why there were no arrests obtained in the latter months of the year.

#### Conclusion

It has been established in the beginning that the goal of the MASA MASID Program is to achieve safe and drug-free community by (1) conducting information and education campaigns against corruption, criminality and illegal drugs in communities, (2) establishing reporting mechanisms, (3) formulating community-based rehabilitation/ intervention programs for victims, and (4) promoting the spirit of volunteerism to encourage people to become agents of positive change.

In conducting information and education campaigns, the MASA MASID Office utilized *Bombo Radyo* in reaching out to the public for the program to gain familiarity. Through it, the hotline was also broadcasted though which concerned citizen can report their complaints. Tarpaulins containing the hotline and 'Masa Masid Isabela' Facebook account were also distributed; two for each municipality and/ or city to signify that such location supports the MASA MASID Program. Simultaneously, a bunch of stickers and brochures were distributed to supplement the tarpaulines. Text blast was also made used to send a text message to inform all mobile users in Isabela about the MASA MASID Program.

Furthermore, the MASA MASID Action Officer has given useful information about illegal drugs and related issues on the SAVER TEAM at Training GSP Program and Training Center, Osmeña, City of Ilagan, Isabela. He accompanied the discussion with an activity in which the senior high and high schoolers participated very well.

In terms of establishing reporting mechanisms, the MASA MASID Office did it very well. Throughout the year, the MASA MASID Hotline has received many complaints through calls and SMS, some of which have reached higher authorities through referrals like DILG, PDEA, Provincial Legal Office, and *Sangguniang Panlungsond* and *Sangguniang Panlalawigan*, and the like.

One case that has obtained significant development was that of Mr. Rommel De Guzman. He was persistent in pressing in for his case and following up on it. He was determined to win the case by frequenting the office and gathering as much witnesses as possible. If won, not only he will benefit but also his fellow community members who were also victims. At the moment, the case is reconsidered for re-trial and the rescheduling is ongoing.

Most of the cases that has been referred did not progress because the agency to which the case has been referred to has no response and the complainant failed to follow up on their case.

If the MASA MASID Office would be serious in engaging the community in its advocacy – which is the program's goal in the very first place, Mr. Rommel De Guzman could be a wonderful example to his fellow: a citizen showing his concern against issues that might impede the country's development. His complaint regarding the corruption of his Punong

Barangay demonstrates his awareness of his rights as a Filipino citizen and that he is attentive of the political responsibilities his Punong Barangay should have fulfilled but did not. The country could go a long way if all citizens would do their part like Mr. Rommel De Guzman.

The MASA MASID Program is a holistic program and pro human rights. It does not only take into account the prevailing issues of the country but the victims of those issues as well. The program has formulated community-based rehabilitation/ intervention programs in every barangay, led by different volunteer pastors and personnel who are fit to give the victims moral and spiritual upliftment.

Finally, the MASA MASID was effective in promoting the spirit of volunteerism to encourage people to become agents of positive change. During the MASA MASID Roll-Out, many stakeholders gave their reactions, feedbacks and opinions concerning the program, indicating that they were stirred to volunteer in the program. They were also very eager to volunteer themselves to pass it down the barangay level and grassroots level for others to also join and engage.

The spirit of volunteerism was also evident when pastors came to the office offering their help to the drug surrederees by giving them spiritual and moral upliftment. They volunteered themselves to each of their barangays and extended their hands to the needs of the victims of illegal drugs.

In conclusion, the year 2017 for the MASA MASID was a very good start. Apart from the four aforementioned goals of the program, there were also additional accomplishments which were the arrests made.

This year, the MASA MASID will all the more be dedicated in its goal and effort in heightening community participation and in following up on the stakeholders of the program to ensure full compliance in obtaining a community free from corruption, illegal drugs, criminality, violent extremism and other threats to peace and security. After all, what is more dangerous than all these issues is the idea that someone else would save us from them apart from us.

#### Recommendation

The MASA MASID Program could have achieved more accomplishments if:

- 1. The Isabela Volunteers against Crime (IVAC) coordinated with the MASA MASID;
- 2. The Expanded Ugnayang Barangay at Simbahan (Expanded UBAS) Technical Working Group did not just stop in giving the names of the members of their Expanded UBAS TWD but has also given their report and updates concerning their tasks to ensure that they were doing their responsibility in banking on the participation of the common people to spark the spirit of volunteerism in the community.
- 3. The Barangay Anti-Drug Abuse Councils (BADAC) and the Barangay Peace and Order Councils (BPOC) did not just stop in giving the names of the members of their BADAC and BPOC but has also given their reports and updates concerning their tasks to ensure that they were doing their responsibility in advocating crime prevention, peace and order, security and in enhancing transparency and accountability in the barangay; serving as the "umbrella organization" of all barangay-based institutions concerned in advocating peace and order and public-safety in the community.
- 4. The OIC of the Office of the Schools Division Superintendent has given updates on all elementary and secondary schools in the Division strictly observing the conduct of onehour a week integration on Drug Abuse Prevention throughout the year to ensure full compliance.
- 5. There was a unit of measurement how effective Drug Abuse Prevention is for the pupils/ students and how they are able to apply in real life what they were being taught about.
- 6. There were more IEC materials discussing extensively on corruption, illegal drugs, criminality, violent extremism and other threats to peace and security in order to enlighten the public as to why their participation is the most needed in the program.
- 7. There were more summits and seminars educating the public to encourage their involvement.
- All barangays and municipalities have made their complete submissions on their MASA MASID Teams, BADAC and BPOC.

The MASA MASID is a work in progress. This 2018, it is determined and dedicated to work on these areas of improvement.
