## Infectious Disease Cluster

### Sexually Transmitted Infection and HIV-AIDS Prevention and Control Program

Conducted Free Voluntarily HIV Counselling and Screening Among TB Patients and Other Key Population in Various Municipalities of the Province of Isabela

This activity caters our enrolled TB patients (15 years old and above) and other key population in support to AO No. 2008-0022 or the POLICIES AND GUIDELINES IN THE COLLABORATIVE APPROACH OF TB AND HIV PREVENTION AND CONTROL.

The TB-STI/HIV-AIDS Core Team of the IPHO coordinated with the municipal TB and STI/HIV-AIDS Coordinators for the conduct of this activity.

- Trained HIV Counsellors from the IPHO provided technical assistance to municipal TB and STI/HIV-AIDS Coordinators that offers free voluntary HIV counselling and screening to TB and Multi-drug Resistant (MDR) TB patients.

		<ul style="list-style-type: none"> <li>• Key population also includes pregnant women, transgenders, and male having sexual intercourse with male.</li> </ul> <p><u>Accomplishments</u></p> <p>Reina Mercedes</p> <ul style="list-style-type: none"> <li>• TB Patients: 12</li> </ul> <p>San Guillermo</p> <ul style="list-style-type: none"> <li>• TB Patients: 11</li> <li>• Pregnant Women: 7</li> <li>• MSM: 8</li> </ul> <p>Naguilian</p> <ul style="list-style-type: none"> <li>• TB Patients: 24</li> <li>• Pregnant: 1</li> </ul> <p>San Isidro</p> <ul style="list-style-type: none"> <li>• TB Patients: 23</li> <li>• Pregnant Women: 25</li> <li>• MSM: 1</li> </ul>
<p><u>Rabies Control and Prevention Program</u></p> <p>Attended the Rabies Consultative Meeting via Webex (<i>February 2, 2023</i>)</p>	<p>A virtual consultative meeting organized and facilitated by the Infectious Disease Prevention Cluster of the CVCHD with the goal to strengthen the collaboration among Provincial and City Rabies Coordinators and link to partner stakeholders for effective and seamless implementation of Rabies Control and Prevention Program in Cagayan Valley.</p>	<p>Attended by Dr. Nelson O. Paguirigan, PHO II, and Ms. Mitzi Concepcion Q. Caramat, Provincial Rabies Control and Prevention Program Coordinator along with other Provincial/City Rabies Program Coordinators and partners from the Provincial/City Veterinary Offices in the Region.</p> <p>The 2022 Provincial Rabies Situation was presented by Ms. Caramat to which:</p> <ul style="list-style-type: none"> <li>• 35, 592 total of animal bite cases were recorded from fourteen (14) Animal Bite and Treatment Centers (ABTCs) in the province;</li> <li>• Dogs are identified as the leading biting animal;</li> </ul>

		<ul style="list-style-type: none"> <li>• Majority of animal bites were Males above 15 years of age;</li> <li>• 36, 347 total doses of anti-rabies vaccine were inoculated in various ABTCs</li> </ul> <p>Key Agreements</p> <ul style="list-style-type: none"> <li>• PHO shall consolidate the quarterly reports from the ABTCs and to be submitted to CVCHD thereafter;</li> <li>• To include Policy on Provision of FREE anti-rabies vaccination for facilities with the intention to become an ABTC;</li> <li>• CVCHD to allocate dog vaccine to Provincial/City Veterinary Offices;</li> <li>• PHOs and PVETs shall recommend LGUs to be declared as Rabies Free Areas;</li> <li>• P/LGUs and ABTCs to allot budget for capacity building and procurement of vaccines;</li> <li>• PHO to monitor the ABTCs ensuring vaccines are provided to clients for free.</li> </ul>
<p><u>National Tuberculosis Control Program</u></p> <p>Attended the National Tuberculosis Program Consultative Meeting and Planning Workshop for the Province of Isabela (February 6-7, 2023)</p>	<p>A 2-day meeting conducted by the CVCH which aims to review the current accomplishment of the different TB DOTS facilities; Philippine Strategic TB Elimination Plan, Regional Work Plan for 2023-2028; to identify gaps and tackle barriers in the implementation of the TB program.</p>	<p>Attended by IPHOs NTP Coordinator and two (2) Medical Technologies along with NTP Coordinators from M/CHOs of the province. Dr. Mar Wynn D. Bello, ARD, emphasized the importance of barangay-based approach in conducting active case finding activities.</p> <p>Dr. Janet M. Ibay, NTP Regional Medical Coordinator presented the</p>

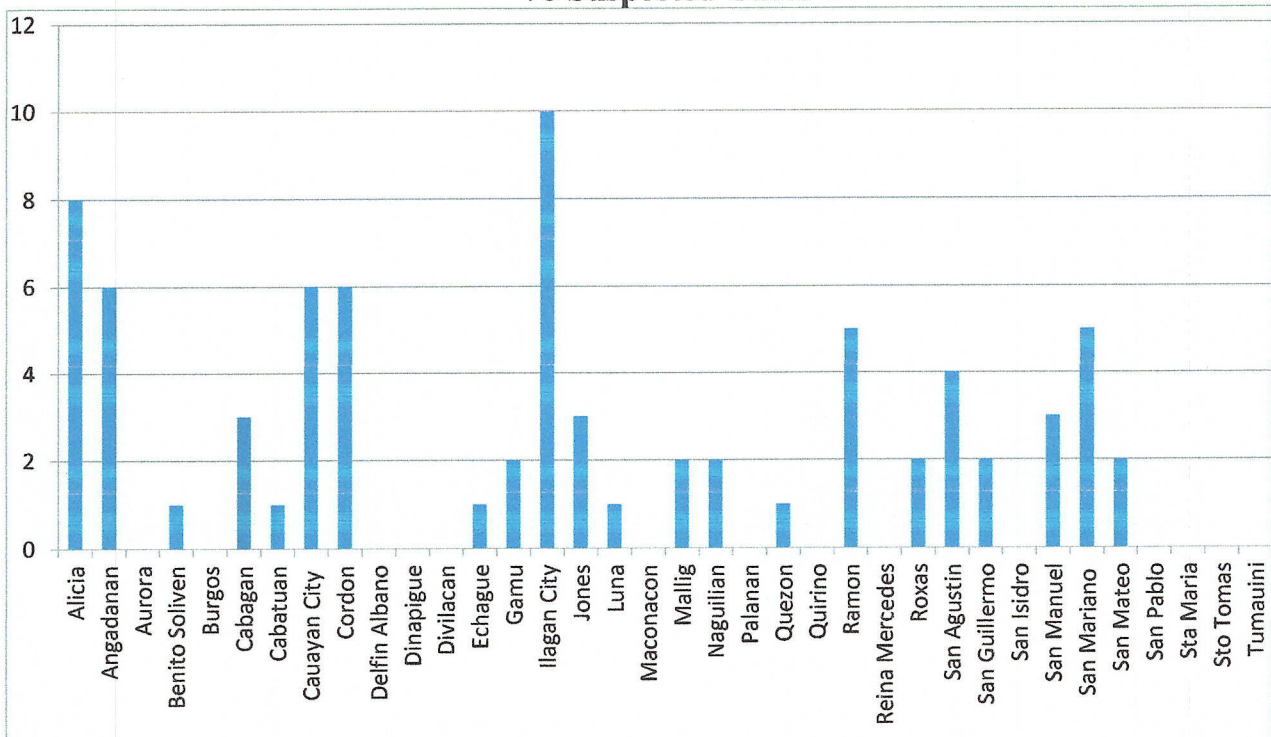

<p>Attended the Integrated TB Information System (ITIS) Orientation and Meeting at Tuguegarao City (February 14, 2023)</p>	<p>A face-to-face orientation conducted by the CVCHD in partnership with the National Tuberculosis and Control Program and the Knowledge Management and Information Technology Services (KMITS) to capacitate the IT IS encoders from all Directly Observed Therapy Shortcourse (DOTS) facilities to establish a standardized system of recording and reporting of TB cases.</p>	<p>Municipal Status of DSTB Case Notification Rate/Notified TB Cases, Number of Presumptive TB Tested, TB Preventive Treatment Therapy Enrolment Rate, and TB-HIV Accomplishment with Key Strategies. The Province of Isabela was recognized having the highest number of TB cases notified and TPT enrolled for the year 2022.</p> <p>A Catch-up Plan was crafted by the participants to increase accomplishments on identified indicators concluded the 2-day planning workshop.</p> <p>Ms. Grace R. Crisolago, Provincial NTP Coordinator of Isabela attended the orientation along with other provincial coordinators, and ITIS encoders from various DOTS facilities across the region.</p> <ul style="list-style-type: none"> <li>• Ms. Mary Anne S. Oliveros and Mr. Vincent Arceo B. Honor, KMITS-ITIS Officers, presented the different ITIS modules for version 2.0. Strategies were also presented as well as the system benefits of the ITIS. An actual demonstration of case encoding up to case validation to check the accuracy and consistency of the encoded TB cases as well as generating different ITIS NTP reports was also performed</li> <li>• Dr. Janet M. Ibay, Regional NTP Medical Coordinator emphasized the importance of timely encoding and submission of TB cases in the ITIS.</li> </ul>
--	--	---

<p><u>Rabies Prevention and Control Program</u></p> <p>Attended the Rabies and Animal Bite Exposure Management Training at Tuguegarao City (February 21-23, 2023)</p>	<p>Conducted by the Infectious Disease Cluster of the CVCHD and was attended by physicians, nurses from Animal Bite and Treatment Centers (ABTCs), and Rabies Program Coordinators from the provinces of Isabela, Cagayan, and Quirino. This training aims to standardize the training of ABTC personnel as well as to disseminate the revised guidelines on rabies exposure management.</p>	<p>Ms. Mitzi Concepcion Q. Caramat, Provincial Rabies Prevention and Control Program Coordinator along with other fourteen (14) participants from Isabela were among the thirty-five (35) completers from the three participating provinces.</p>
<p><u>Soil Transmitted Helminthiasis Prevention and Control Program</u></p> <p>Conducted On-site Mentoring on Neglected Tropical Diseases Management Information System (NTD-MIS) (February 14-16, 2023)</p>	<p>Collaboration between the CVCHD and the IPHO which aims to orient encoders and program coordinators on the NTD-MIS reporting system.</p>	<p>Ms. Reynia C. Andres, the Soil Transmitted Helminthiasis Prevention and Control Program Coordinator of the IPHO along with NTD-MIS Coordinator from the CVCHD mentored our Sanitary Inspectors on the NTD-MIS reporting system and noted the following findings upon the monitoring:</p> <p><u>San Mariano</u></p> <ul style="list-style-type: none"> <li>• 1,385 deworming drugs for 1-4 years old children were included their annual budget plan;</li> <li>• Partial 1<sup>st</sup> cycle deworming report; <ul style="list-style-type: none"> <li>▪ 1-4 years old – 96%</li> <li>▪ 5-9 years old – 0.81%</li> <li>▪ 10-19 years old – 4.07%</li> </ul> </li> </ul> <p><u>Benito Soliven</u></p> <ul style="list-style-type: none"> <li>• There is an stock-out of deworming tablets;</li> <li>• Partial 1<sup>st</sup> cycle deworming report;</li> </ul>

		<ul style="list-style-type: none"> <li>• 1-4 years old – 40%</li> <li>• 5-9 years old – 0%</li> <li>• 10-19 years old – 0%</li> </ul> <p><u>Tumauini</u></p> <ul style="list-style-type: none"> <li>• There is an stock-out of deworming tablets;</li> <li>• Partial 1<sup>st</sup> cycle deworming report; <ul style="list-style-type: none"> <li>➤ 1-4 years old – 86%</li> <li>➤ 5-9 years old – 6%</li> <li>➤ 10-19 years old – 0%</li> </ul> </li> </ul> <p><u>Cabagan</u></p> <ul style="list-style-type: none"> <li>• There is an stock-out of deworming tablets;</li> <li>• Partial 1<sup>st</sup> cycle deworming report; <ul style="list-style-type: none"> <li>➤ 1-4 years old – 66%</li> <li>➤ 5-9 years old – 0%</li> <li>➤ 10-19 years old – 0%</li> </ul> </li> </ul> <p><u>San Pablo</u></p> <ul style="list-style-type: none"> <li>• There is an stock-out of deworming tablets;</li> <li>• Partial 1<sup>st</sup> cycle deworming report; <ul style="list-style-type: none"> <li>➤ 1-4 years old – 6%</li> <li>➤ 5-9 years old – 0%</li> <li>➤ 10-19 years old – 0%</li> </ul> </li> </ul>

### Dengue Suspect Cases as of February 2023 76 Suspected Cases

Source: Philippine Integrated Disease Surveillance and Response (PIDSR)

#### Non-Communicable Disease Cluster

Conducted Integrated Monitoring on Non-Communicable Diseases and Mental Health Program at RHU San Isidro and RHU Roxas (February 22-23, 2023)

To monitor the status of implementation of NCD and Mental Health programs and to provide Technical Assistance on planning of activities and on reporting and recording mechanism.

Dr. Marichu S. Manlongat, Non-Communicable Disease Cluster Head of the IPHO along with Ms. Cheryl Noriega, Mental Health Coordinator, and Ms. Floressa P. Soriano, Lifestyle-Related Diseases Program Coordinator conducted integrated program monitoring with the following findings:

##### RHU San Isidro

- With tobacco cessation clinic but not active (Encouraged to activate tobacco cessation program to address Hypertension and Cardiovascular Diseases);
- Non-submission of 2022

<p><u>Mental Health Program</u></p> <p>Conducted Mental Health Session in School Setting at Camunatan Elementary School (February 8, 2022)</p>	<p>As part of the In-Service Training (INSET) for the continuing professional and learning development of teachers organized by the City of Ilagan Schools Division Office.</p>	<p>quarterly report on NCD program (<i>encouraged to submit quarterly report to IPHO</i>);</p> <ul style="list-style-type: none"> <li>• Mental Health Registry not updated (<i>to update list of clients every quarter</i>);</li> <li>• No available medicines for mental health service users (<i>suggested to lobby the procurement of medicines and reflect in their AOP for budgeting</i>);</li> <li>• No trained staff on Mental Health and Psychosocial Support (MHPSS)</li> </ul> <p><u>LGU Roxas</u></p> <ul style="list-style-type: none"> <li>• Mental Health Masterlist is updated;</li> <li>• Availability of Mental Health Registry;</li> <li>• No available medicines for mental health service users (<i>suggested to lobby the procurement of medicines and reflect in their AOP for budgeting</i>);</li> <li>• One (1) nurse is trained in Mental Health and Psychosocial Support (MHPSS)</li> <li>• Most NCD medicines are available;</li> </ul> <p>IPHO's Mental Health Program Coordinator, Ms. Cheryl Grace C. Noriega led the twenty-eight (28) elementary teachers in the discussion on the concepts of Self-care. This activity will benefit our teachers especially in dealing and managing work-related stresses that may affect the delivery of quality education to our learners.</p>
--	---	---

		<p>The 28 elementary teachers came from:</p> <ul style="list-style-type: none"> <li>• Salindangan Elementary School</li> <li>• Alinguigan 1<sup>st</sup> Elementary School</li> <li>• Camunatan Elementary School</li> </ul>
<b>Family Health Cluster</b>		
<p><u>Maternal and Newborn Health Program</u></p> <p>Conducted an Activity on Recognizing Red Flags in Intrapartum Care and Management at Cauayan City, Isabela (February 17, 2023)</p>	<p>Organized by the IPHO to capacitate health care providers with medical updates in emergency obstetric management to provide quality maternal health services benefiting mothers and their unborn. This is also an intervention of the province in achieving a sustainable and accessible delivery of maternal services as an indicator under the Health Compliance and Responsiveness (Criteria 3.1.4) of the Seal of Good Local Governance.</p>	<p>Attended by Municipal/City Health Officers of the province. Dr. Anabelle P. Suguitan, Cluster Head of the Family Health Cluster of the CVCHD, presented the provincial and regional status of maternal deaths. Dr. Melchor C. Dela Cruz Jr, Medical Center Chief II of the Southern Isabela Medical Center (SIMC) talked about the four (4) Core Steps in Newborn care namely:</p> <ol style="list-style-type: none"> <li>1. Immediate thorough drying of the baby</li> <li>2. Early skin-to-skin contact between the baby and the mother</li> <li>3. Properly timed cord clamping</li> <li>4. Non-separation of the baby from the mother to initiate breastfeeding</li> </ol> <p>Salient points during the discussion include:</p> <ul style="list-style-type: none"> <li>• Promotion of a healthy diet during pregnancy to prevent the development hypertension among pregnant women;</li> <li>• When elevated blood</li> </ul>

		<p>pressure during the intrapartum suddenly decreases, this could indicate bleeding or hypovolemic shock;</p> <ul style="list-style-type: none"> <li>• An extreme abdominal pain, board-like abdomen, and painless vaginal bleeding is a sign of Abruptio Placenta which is caused by uncontrolled hypertension.</li> </ul>
<p><u>National Immunization Program</u></p> <p>Participated in the conduct of Orientation on the Synchronized Electronic Immunization Registry (SEIR) at San Juan, La Union (February 6-9, 2023)</p>	<p>The SEIR, a recording and reporting tool used for the COVID-19 vaccine deployment was introduced as the same system to be utilized for the MR OPV Supplemental Immunization Activity on May 2023. This 4-day face-to-face training was attended by the Regional and Provincial NIP Coordinators and Data Managers from Regions 1, 2, 3, and CAR.</p>	<p>A test performance of the SEIR with simultaneous encoding and viewing of system dashboard as used by various data encoders and data managers. Ms. Chamille Jayne F. Claravall, the NIP Coordinator of the Province of Isabela, presented the indicative action plan for the roll-out of SEIR for the SIA. On-site orientation on SEIR to RHUs is scheduled on 2<sup>nd</sup> week of March 2023.</p> <p>Hindrances presented were:</p> <ul style="list-style-type: none"> <li>• Hesitancy of LGUs to utilize the SEIR due to unstable internet connection in their area;</li> <li>• Insufficient manpower (encoders) and equipment (laptops/smart phones)</li> </ul> <p>Recommendations were:</p> <ul style="list-style-type: none"> <li>• Formulate a contingency plan which is to be in place for encoding and uploading during the SIA implementation;</li> <li>• Identify volunteers per vaccinator to avoid backlogs ;</li> <li>• To create vaccinator profiles for municipalities</li> </ul>

<p>Conducted Readiness Assessment and Monitoring for the Measle-Rubella and Oral Polio Vaccine Supplemental Immunization Activity (MR-OPV SIA) at Jones, Isabela (February 22, 2023)</p>	<p>A monitoring activity to assess the readiness of RHUs for the upcoming nationwide conduct of the MR-OPV SIA.</p>	<p>without internet access and ensure the provision of technical support to data encoders on the use of SEIR for SIA.</p> <p>The National Immunization Program Coordinators of the IPHO visited the municipality of Jones, Isabela and joined NIP coordinator of San Agustin to discuss the listed preparatory activities based on the Readiness Assessment Tool.</p> <p>Preparatory Activities discussed were:</p> <ul style="list-style-type: none"> <li>• Crafting of Microplan for MR-OPV SIA;</li> <li>• Identification of vaccination teams;</li> <li>• Enlisting of needed logistics including transportation vehicles;</li> <li>• Activity plan on advocacy, communication and social mobilization;</li> <li>• Strategies for mass immunization campaign; and</li> <li>• Budgetary requirements</li> </ul> <p>An orientation on the Interim Guidelines on the implementation on MR-OPV SIA and the reporting and recording mechanism to be used during the roll-out of the activity was also conducted.</p>
<p><u>Family Planning Program</u></p> <p>Attended the Family Planning Competency Based Training (Level 1) at Tuguegarao City, Cagayan. (February 6-10, 2023)</p>	<p>A 5-day face-to-face training conducted by the CVCHD to equip health service providers in providing quality family planning services in their respective facilities.</p>	<p>Ms. Krystel May A. Castillejo, Family Planning Program Coordinator of the IPHO along with other twenty nine (29) Family Planning Program Coordinators across the provinces</p>

		<p>of Cagayan and Isabela.</p> <p>Participants were able to perform a role play in FP counselling guided by the GATHER (Greet, Ask/Assess, Tell, Help, Explain, Return/Referral) principle.</p>
<p><u>Oral Health Program</u></p> <p>Conducted Oral Heath Caravan in various LGUs</p>	<p>A month-long advocacy caravan organized and conducted by municipal dentists in partnership with the IPHO for the celebration of the Oral Health Month 2023. This aims to strengthen public awareness on the importance of good oral health; this further encourages dentists and other allied public health workers, relevant government agencies, and professional organizations to reach out to more people with no access to dental services.</p>	<p>The Collaboration of Provincial/Municipal/City Dentists in in various LGUs led to the following accomplishments:</p> <ul style="list-style-type: none"> <li>• Conducted Information and Education Dissemination on Proper Tooth Brushing Techniques and Benefits of Fluoride Application among Pre-schoolers below 6 years old;</li> <li>• Distributed Dental Kits to 3,882 Pre-schoolers from various Child Development Centers in the province;</li> <li>• Fluoride Varnish was given to 3,593 Pre-schoolers;</li> <li>• Dental Extraction was also performed to 450 individuals.</li> </ul>
<b>Population-Based Programs</b>		
<p><u>Disaster Risk Reduction and Management in Health</u></p> <p>Attended and Completed the Standard First Aid Training of Facilitators at Santiago City (February 13-17, 2023)</p>	<p>A 5-day Standard First Aid Training of Facilitators (SFA-ToF) conducted by the Health Emergency Management Staff (HEMS) Unit of the Cagayan Valley Center for Health Development to capacitate the members of the Health Emergency Response Teams (HERTs) from the Provincial</p>	<p>Mr. Harijhon S. Alabon Jr and Ms. Eloisa P. Foz of the IPHO attended and completed the SFA-ToF along with other 28 HERT members from Cagayan Provincial Health Office, Quirino Provincial Health Office, Isabela Provincial Disaster and Risk Reduction Management Office, Tuguegarao City Disaster and Risk Reduction Management Office,</p>

<p>Conducted the Basic Life Support Training of Hospital Staff of Cauayan City District Hospital (February 22-24, 2023)</p>	<p>Health Offices, City/Municipal Disaster Risk Reduction and Management Offices, and District Hospitals on the latest and updates on SFA for future training activities.</p> <p>A 3-day training facilitated by the DRRM-H Core Team of the IPHO in collaboration with trained HERT members from Milagros Albano District Hospital, GFNDSMH, RHU Angadanan and RHU Naguilian which aims to capacitate health care workers of the Cauayan District Hospital being at the forefront of disaster risk reduction and management by providing efficient and effective delivery of health services to affected population.</p>	<p>Tuguegarao City Health Office, Cauayan City Disaster Risk Reduction and Management Office, Santiago City Disaster Risk Reduction and Management Office, City of Ilagan Disaster Risk Reduction and Management Office, Cagayan Valley Medical Center, Southern Isabela Medical Center, and Region 2 Trauma Medical Center respectively.</p> <p>Twenty-six (26) hospital personnel were capacitated and were able to pass both in didactics and skills return demonstration of the training course. Certificates of Completion were awarded to the 26 participants during the culminating activity.</p>
<p><u>Health Promotion</u></p> <p>Provided Technical Assistance on Health Promotion Programs and Campaigns in various municipalities</p>	<p>This is in line with the mandates of the Universal Health Care for Health Promotion interventions aligned with the priority areas of the Health Promotion Framework Strategy (HPFS) for the province wide implementation.</p>	<p>Ms. Maria Victoria C. Ocampo, Health Education and Promotions Officer (HEPO) III of the IPHO visited municipalities and briefly discussed the Self-Appraisal Checklist Form for the implementation of at least one (1) Priority Area. Additionally, monitoring was also conducted where findings are noted and recommendations are as follows:</p>

			<p><u>RHU Mallig</u></p> <ul style="list-style-type: none"> <li>• With signed Designation Order for HEPO Designate (Memorandum Order No. 06, signed January 12, 2023);</li> <li>• Non-existence of Health Promotion Policies (HPC, HPU, and BHWs as Barangay HEPOs) <i>(provided prescribed policy template for passage and adoption)</i>;</li> <li>• With separate budget for health promotion activities;</li> <li>• HEPO Designate holds other major health programs;</li> <li>• Local Health Board Meeting conducted as needed. <i>(A quarterly LHB meeting is recommended to present the 7 priority interventions before the members of the LHB and Konsulta Sa Barangay meetings)</i></li> <li>• Irregular submission of reports on conducted health promotion activities on quarterly basis <i>(provided template of sample outlined narrative report and HEPO Tracking Form to be submitted at IPHO)</i>.</li> </ul> <p><u>RHU Roxas</u></p> <ul style="list-style-type: none"> <li>• Non-existence of Health Promotion Policies (HPC, HPU, and BHWs as Barangay HEPOs) <i>(provided prescribed policy template for passage and adoption)</i>;</li> <li>• Designation Order of Designated HEPO for follow up;</li> <li>• HEPO Designate holds other major health programs;</li> <li>• Health promotion activities are integrated in each health program;</li> <li>• Local Health Board Meeting conducted as needed. <i>(A</i></li> </ul>
--	--	--	--

			<p><i>quarterly LHB meeting is recommended to present the 7 priority interventions before the members of the LHB and Konsulta Sa Barangay meetings, and Munisipyo sa Barangay, a LCE-initiated meeting)</i></p> <ul style="list-style-type: none"> <li>• Non-submission of reports on conducted health promotion activities on quarterly basis <i>(provided template of sample outlined narrative report and HEPO Tracking Form to be submitted at IPHO).</i></li> </ul> <p><u>RHU Naguilian</u></p> <ul style="list-style-type: none"> <li>• Non-existence of Health Promotion Policies (HPC, HPU, and BHWs as Barangay HEPOs) <i>(provided prescribed policy template for passage and adoption);</i></li> <li>• Non-existence of designation order as HEPO <i>(to submit to IPHO a signed Designation Order of Ms. Corpuz as HEPO Designate for RHU Naguilian).</i></li> <li>• Non-submission of reports on conducted health promotion activities on quarterly basis <i>(provided template of sample outlined narrative report and HEPO Tracking Form to be submitted at IPHO).</i></li> <li>• Difference in data for 2022 FHSIS Annual Accomplishment <i>(Instructed to validate municipal monthly data from the barangay midwives, BHWs, and BNSs for comparison of data versus the provincially-consolidated data).</i></li> </ul>
--	--	--	---

<p><u>Epidemiology and Surveillance</u></p> <p>Consolidated Notifiable Diseases from Different Disease Reporting Units in the Province.</p>	<p>To unify and record collected data to national disease surveillance system for the purpose of providing a timely, accurate, and relevant information for proper and immediate action.</p>	<p>229 notifiable diseases reported to the Provincial Epidemiology and Surveillance Unit (PESU) from the Municipal/City Epidemiology and Surveillance Units (MESU).</p> <ul style="list-style-type: none"> <li>• Acute Bloody Diarrhea – 23</li> <li>• Acute Meningitis and Encephalitis Syndrome – 4</li> <li>• Acute Viral Hepatitis – 7</li> <li>• Bacterial Meningitis – 3</li> <li>• Dengue – 76</li> <li>• Hand Foot and Mouth Disease – 13</li> <li>• Influenza-like Illness – 73</li> <li>• Measles – 1</li> <li>• Non-Neonatal Tetanus – 2</li> <li>• Thyroid Fever - 20</li> </ul>
<p><u>Water Sanitation and Hygiene Program</u></p> <p>Conducted Inspection of Funeral Establishments and Water Refilling Stations in Various LGUs (February 14-23, 2023)</p>	<p>An on-site visit to funeral establishments and water refilling stations to protect the best interest of the general public through a clean and healthy environment and prevent occurrence of diseases directly involved in poor sanitation.</p>	<p>To reduce the incidence of diseases related to poor environment and sanitation, IPHO's Water Sanitation and Hygiene Program Coordinators Engr. Arnel P. Noriega and Mr. Mark Ian Delos Santos inspected Funeral establishments and Water Refilling Stations in municipalities of Naguilian, Luna, Reina Mercedes, Benito Soliven, Alicia, Angadanan, Delfin Albano, and the Cities of Cauayan and Ilagan, Isabela.</p> <p>Funeral Establishments and Water Refilling Stations were:</p> <ul style="list-style-type: none"> <li>• Adequately lighted and ventilated;</li> <li>• With accessible bathrooms;</li> <li>• Embalming and dressing rooms were made of concrete and semi-concrete materials; embalming tables are made of marble and stainless steels ;</li> <li>• Embalming tables are</li> </ul>

		<p>connected to drain pipes which are also directly connected to the morgues' own septic tanks;</p> <ul style="list-style-type: none"> <li>• Embalmers are provided with protective equipment; a receptacle is also provided to collect pathological and infectious wastes as well as a separate bin for sharps used in embalming.</li> </ul>
<p><b>Universal Health Care Updates</b></p> <p><u>Health Workforce</u></p> <p>Conducted Orientation on Crafting of Learning and Development Plan at RHU Cordon, Isabela (<i>February 9, 2023</i>)</p>	<p>The Local Development Plan is a vital component of Human Resources for Health Plan as a requirement to achieve the KRA 2.1 under the Organizational Level of Health Workforce Building Block of the Universal Health Care.</p>	<p>IPHO's Health Workforce Focal Persons, Ms. Patria P.
