# 2020

## ANNUAL ACCOMPLISHMENT REPORT

### PUBLIC SAFETY OFFICE 2020 AT A GLANCE

African swine fever virus is a large, double-stranded DNA virus in the Asfarviridae family. It is the causative agent of African swine fever. The virus causes a hemorrhagic fever with high mortality rates in domestic pigs; some isolates can cause death of animals as quickly as a week after infection.

#### SPECIAL POINTS OF INTEREST:

- ANNUAL ACCOMPLISHMENT REPORT
- PSO 2020 AT A GLANCE
- PSO AGAINST VIRUS ATTACKS
- THE PUBLIC SAFETY OFFICE
- RECOMMENDATIONS FOR THE YEAR
- THE COVID-19 FLYER
- ISABELA EMERGENCY HOTLINES
- AFRICAN SWINE FEVER
- MONTHLY ACCOMPLISHMENT REPORT
- ISMART RIDERS MONTHLY ACCOMPLISHMENT REPORT
- ACTION PICTURES

2020 was a busy year for the Public Safety Office. Events involving public safety came one after another. Two events sometimes overlap.

#### a. African Swine Fever

It was the peak of the African Swine Fever situation. PSO personnel had to continue cooperating with the Provincial Veterinary Office, the Provincial Agriculturist's Office, and the Isabela Police Provincial Office in manning control points at gateways to the Province. The PSO was instrumental in the apprehension and disposal of hundreds of kilograms of "hot" pork and pork products.

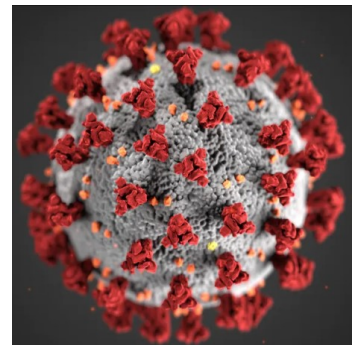

#### b. 2020 Bambanti Festival

The annual celebration does not only mean festivities but safety and order issues as well. Before the handling of safety and order during Bambanti Festivals was assigned to the PSO, it took 2 to 3 hours for a vehicle to get out of the festival grounds during mass egress. After studying the driving, parking, and movement idiosyncrasies of festival attendees, the PSO has

developed a system that has eliminated issues that cause congestion in vehicular and pedestrian traffic. Now it takes no more than 15 minutes to get from a parking slot to the highway even if vehicles and pedestrians exit en masse.

As the department traditionally in charge of parking, traffic, security, and crowd control, the PSO either headed or attended coordinating meetings for the 2020 Bambanti Festival. Venues are checked by a bomb squad for the presence of explosives. It is made sure that all vehicles are parked where and how they should be properly parked. Those who enter festival grounds are screened. Weapons and potential weapons are collected at the gates. Arrangements are in place to allow safe and orderly mass exit.

The 2020 celebrations were enjoyable for guests because parking, traffic, security, and crowd control were generally in order.

#### COVID-19

is a disease caused by a new strain of coronavirus. 'CO' stands for corona, 'VI' for virus, and 'D' for disease. Formerly, this disease was referred to as '2019 novel coronavirus' or '2019-nCoV.'

#### c. Reduction of Road Crashes

The PSO continued its supervision over the operations of the Isabela Special Motorcycle Action and Response Team (iSMART) in an effort to further reduce the number of road crashes. All efforts were rewarded with a lower number of road crashes. 785 in 2020 down from 1,226 in 2019. The trend has been downward since the PSO initiated the creation of iSMART:

Year	No. of Road Crashes
2016	2,770
2017	2,515
2018	1,886
2019	1,226
2020	785

785 road crashes is still 785 to many, thus reduction of the number of road crashes is a continuing task and the PSO is constantly thinking of ways to prevent road crashes.

#### d. COVID-19

As soon as it was published that there is mysterious virus causing deaths in Wuhan, China, the PSO monitored its development and collected data that may be useful should the virus (later on called the novel coronavirus then COVID-19) pose a threat to Isabeleños. By March, the virus had been detected in Region III, thus the PSO recommended that a task force be created to address issues related to the novel corona virus and the deadly disease it causes. At the first meeting of the Task Force, the PSO presented a flyer entitled "MGA DAPAT MALAMAN TUNGKOL SA NOVEL CORONAVIRUS ACUTE RESPIRATORY DISEASE". It was endorsed by the Task Force as the official COVID-19 IEC material of the Provincial Government. The PSO printed and distributed at least 30,000 copies of the flyer. A soft copy of which was also published on social media.

The PSO had to ask to be relieved of its involvement in anti-ASF operations in order that it may focus its efforts on COVID-19. The iSMART temporarily suspended its road-crash-reduction duties to maximize its attention on COVID-19. Together the PSO and the iSMART monitored the compliance of Isabeleños with ECQ guidelines. The PSO relented only when told to do so when the

quarantine status of the Province was downgraded to MGCQ.

#### e. Easing Public Access to Emergency Response

Newly installed Assistant Public Safety Officer Kim Patrick G. Agbayani has not even warmed up his seat in September when he produced a directory of hot-lines of all police and fire stations and rescue teams in the Province. Its simplicity gave the public easy communication access to vital emergency response outlets. The directory was printed and distributed and an image thereof was posted in social media.

#### f. Typhoons

Several typhoons, including "Pepito", "Quinta", "Rolly", "Siony", "Tonyo", and "Ulysses", hit or affected Isabela in 2020. PSO put its personnel and resources at the disposal of the PDRRMC for monitoring, rescue, and relief operations.

Like all other PGI departments, the PSO was most busy during the flooding caused by Typhoon "Ulysses" in November. On November 13, the PSO was divided into four (4) teams: Team A was tasked to monitor and provide rescue and relief in the poblacion of the City of Ilagan; Team B from Barangay Alibagu down south to Barangay Rugao up north; Team C in the western barangays; Team D handled all accessible areas from Cauayan City.

On November 14, Teams A, B, and C, headed by the Assistant Public Safety Officer assisted in the monitoring, relief, and rescue operations of the PGI. The PSO then assisted in the preparations at the PSO-PSWDO Building for the visit of Vice President Robredo. At night, the PSO collaborated with the PDRRMO in wel-

coming and orienting the rescue team sent by the municipal government of Bayombong, Nueva Vizcaya to augment in the rescue and relief operations.

On November 15, the PSO continued its role in monitoring the effects of the flooding. It also participated in the preparations for the visit of Senator Marcos.

#### G. The Holiday Season

Despite the effects of COVID-19 and the spate of weather disturbances, the celebration of Christmas and New Year had to proceed. On December 10, the PSO recommended a flyer on things to do and not to do during the holiday season to prevent any further COVID-19 transmission. The features of the flyer was incorporated in Executive Order No. 42 placing the Province under GCQ from December 15 to December 30.

## **THE PUBLIC SAFETY OFFICE WORKING AGAINST VIRUS ATTACKS**

### **African Swine Fever**

At the onset of 2020, the Public Safety Office (the "PSO", for brevity) continued to perform its functions as one of the spearheads of the African Swine Fever Task Force. It strengthened its monitoring functions by stretching its meager resources and manpower to assist in the dissemination of vital information to concerned sectors and to enforce laws and regulations to mitigate the spread of the dreaded livestock disease in the Province.

With the cooperation of the Provincial Veterinary Office, the Office of the Provincial Agriculturist, and the Isabela Police Provincial Office, Two (2) control points were established to block undocumented, improperly transported, or tainted swine and pork products: one at the provincial northern gate at San Pablo and another at the southern gate at Cordon.

Swine transporters managed to circumvent the control points by using alternate routes, thus four (4) additional control points were established at secondary provincial gates upon the suggestion of the PSO. The PSO was relieved from its involvement in ASF operations in March in order to focus on the emerging threat of the novel corona virus.

### **COVID-19**

When the corona virus disease was still lurking at the fringes of the Province and was still beginning to constitute a threat to Isabeleños, the PSO had already produced the first official IEC material on COVID-19. At least 30,000 leaflets were printed and distributed and soft copies thereof were posted on social media. The administrative supervision of the PSO over the iSMART was utilized to enforce ECQ guidelines throughout the Province. The PSO recommended the creation of the Isabela Provincial Task Force on COVID-19 and has been consistently a very active member.

**As part of the COVID-19 prevention measures, the Public Safety Office, in full coordination with the Isabela Provincial Task Force on COVID-19 agency/members, particularly the DILG–Isabela Provincial Office and the Isabela Integrated Provincial Health Office, produced approximately 30,000 sheets of COVID-19 Flyers in Filipino for distribution throughout the Province. LGUs, various government entities and schools were provided hard copies as well as soft copies of the same IEC thru social media platforms.**

## ISABELA PUBLIC SAFETY OFFICE PARTICIPATES ON THE MONITORING OF FLOODING CAUSED BY TYPHOON ULYSSES

The PSO assisted in monitoring the effects of Typhoon Ulysses in the Province in November 12 to 15, 2020.

On November 13, the team was divided into four: (1) Brgy. Guinatan, City of Ilagan and the rest of barangays in the Poblacion Area (main road in Brgy. Guinatan going south is not passable); (2) Brgy. Osmena and the rest of Barangays up to Brgy. Rugao (North) and Brgy. Alibagu (South) headed by the Asst. Provincial Public Safety Officer (Maharlika Highway City of Ilagan–Gamau boundary not passable); (3) some western brgys. of the

### MGA DAPAT TANDAAN SA PAG-UBO AT PAGBAHING

- Takpan ang bibig at ilong gamit ang panyo, tissue, manggas o loob ng damit tuwing babahing o ubo. Itapon kaagad ang gamit nang tissue.
- Ugaling maghugas ng kamay gamit ang tubig at sabon matapos bumahing o umubo.

g. Umionin ng maraming tubig at siguraduhing naluto nang husto ang mga pagkain. (DOH flyer)

h. Iwasan ang contact sa mga hayop. (DOH flyer)

i. Kumonsulta kaagad sa doktor o sa anumang health facility sa unang sintomas ng ubo o sipon. (DOH flyer)

j. Ipagbigay-alam ang sinomang may sintomas ng Covid-19 sa pinakamalapit na health center o tumawag sa hotline ng Provincial Epidemiology Surveillance Unit (09555070879). Ang pamahalaang panlalawigan ng Isabela ay nakahanda sa anumang kaso ng Covid-19.

• Epektibo ba ang mga antibiotics laban sa Covid-19?

Walang bisa ang mga antibiotics laban sa virus tulad ng 2019 Covid-19. Ang antibiotics ay panlaban lamang sa bacteria. Ang mga tinamaan ng Covid-19 ay binibigyan ng antibiotics kung ang sakit ay sinasabayan ng bacterial infection. (WHO Myth busters)

• May gamot bang panlaban mismo sa Covid-19?

Hanggang ngayon ay wala pa ring bakuna na panlaban mismo sa Covid-19. Ang mga tinamaan ng Covid-19 ay binibigyan ng gamot upang maibsan ang mga sintomas ng sakit. Kasalukuyang pinag-aaralan ng mga eksperto

ang mga posibleng gamot sa Covid-19. (WHO Myth busters)

• Ano ang age group na madalas tamaan ng Covid-19?

Bata man o matanda ay maaaring tamaan ng Covid-19, pero lumalabas na mas madaling tamaan ang mga matatanda at mga dati nang may sakit (asthma, diabetes, sakit sa puso) at mga taong may mababang resistensiyang sa sakit. Pinapayuhan ang lahat na panatilihin ang kalinisan sa sarili at sa kapaligiran. (WHO Myth busters)

• Pwede bang manggaling ang Covid-19 sa mga alagang hayop?

Hanggang ngayon ay wala pang naitatalang kaso ng Covid-19 na galing sa mga aso o pusa. Ang lahat ay pinapayuhan pa rin na maghugas ng kamay matapos hawakan ang mga alagang hayop upang maiwasan ang sakit. (WHO Myth busters)

### BR-SAFETY LAGING MAGHANDA

• Ano ang Covid-19?

Noong December 2019 ay may misteryosong pneumonia na kinamatay ng ilang tao sa Wuhan, isang lungsod sa China. Napag-alaman ang sanhi ng pneumonia ay isang virus na may pagkakorteng-korona kaya napabilang sa tinatawag na coronavirus. Subalit ang virus na ito ay di pangkaraniwang coronavirus kaya tinawag na novel na ang ibig sabihin ay "bago" at ang sakit ay tinawag nga ilang novel coronavirus at ang sakit ay pansamantalang tinawag na novel coronavirus acute respiratory disease o nCoV ARD. Noong February 11, 2020 opisyal na pinangalanan ng World Health Organization (WHO) ang sakit bilang Covid-19 o Coronavirus Disease 2019. (WHO Situation Report No. 22)

• Paano kumakalat ang Covid-19?

Dahil nga bagong dapo pa lamang sa mga tao, madami pa ang kailangang malaman ng mga eksperto tungkol sa Covid-19. Ang kasalukuyang nalalaman ay base sa kaalaman hinggil sa mga nauna nang klase ng coronavirus tulad ng MERS at SARS, at obserbasyon ng mga kaso ng Covid-19.

Ang pagkalat ng Covid-19 ay parang trangkaso. Kapag ang taong may sakit na Covid-19 ay umubo o bumahing, ang laway at plemang tumatalsik ay may kasamang virus ng Covid-19.

a. Direct - Kapag ang ibang tao ay nahagip ng talsik sa bibig o ilong, ang virus ay pupunta sa bage at hahawa. Napag-alaman kamakailan na ang nCoV ay pwedeng pumasok sa bage sa pamamagitan ng mata.

b. Indirect - Kapag ang talsik ay dumapo sa anumang bagay at ito ay nahawakan ng iba, ang virus ay kakaipit sa kamay. Kapag ang kamay ay nadampi sa bibig, ilong, o mata, pupunta sa bage ang virus at hahawa ang Covid-19.

• Ano ang mga sintomas ng Covid-19?

Ayon sa obserbasyon sa mga positibo sa Covid-19, may mga kasong halos walang ipinapakitang sintomas. May mga kaso namang may mataas na lagnat, matinding pag-ubo, at hirap sa paghinga. Ang nakamamatay na komplikasyon ay ang pneumonia (pulmonya). Ang sintomas ay lumalabas mula 2 hanggang 14 araw mula pagkahawa.

• Ano ang mga dapat gawin upang maiwasang mahawaan ng Covid-19?

a. Iwasan ang pagpunta sa tukoy ng WHO o ng DOH na mga lugar kung saan lagapan ang Covid-19. (DOH press release, Jan. 31, 2020)

b. Iwasan ang mga taong galing sa tukoy ng WHO o ng DOH na mga lugar kung saan lagapan ang Covid-19 at hikayatin silang magpa-quarantine.

c. Iwasan ang mga taong may sintomas ng trangkaso, ubo, o sipon. (DOH flyer)

d. Dalasan ang paghuhugas ng kamay. (DOH flyer) Sabunin ang lahat ng bahagi ng mga kamay hanggang siko hanggang 20 segundo. Ang pagkanta ng "Happy Birthday To You" nang dalawang beses ay halos 20 segundo.

### MGA DAPAT MALAMAN TUNGKOL SA COVID-19 (NOVEL CORONAVIRUS ACUTE RESPIRATORY DISEASE)

**PUBLIC SAFETY OFFICE**  
2nd Floor, PSO-PSWDO Building, IRDRM Complex  
Provincial Capitol Compound  
City of Ilagan, Isabela 3300  
Telephone: (078) 3231132

**ISABELA PROVINCIAL HEALTH OFFICE**  
Maharlika Rd., Calamagui 2nd,  
City of Ilagan, Isabela 3300  
Telephone: (078) 3231133

**DILG - ISABELA**  
IRDRM Complex,  
Provincial Capitol Compound  
City of Ilagan, Isabela 3300  
Telephone: (078) 3230363

e. Pagsuot ng face mask ang mga taong may sintomas ng pulmonya, trangkaso, ubo, sipon o iba pang sakit sa paghinga.

### PAANO MAGSUOT NG FACE MASK?

- Sabunin ang kamay bago isuot ang face mask.
- Ang puling bahagi ng mask ang dapat nakadikit sa mukha.
- Ang tuhi ng mask ay dapat nakatirong pataba. Ang patgas sa karamihan ng mask ang sa bandang taas ng ilong at ang malambot na bahagi ang sa bandang bibig.
- Kunin ang patgas na bahagi ng mask upang lumapat sa ibabaw ng ilong.
- Palitan ang mask matapos ang 8 oras o kapag madumi na ito.
- Huwag hawakan ang mismong mask.
- Sa strap hawakan kapag huhubunan ang mask.
- Ilagay sa supot ang gamit nang mask bago itapon sa basurahan.
- Sabunin ang kamay matapos hawakan ang mask.

f. Lumayo at takpan ang bibig at ilong tuwing ubo o babahing. (DOH flyer)

City; and a team in (4) Cauayan City headed by the Provincial Public Safety Officer (Maharlika Highway Tagaran not passable).

On November 14, the Office thru the Asst. Provincial Public Safety Officer assisted in the monitoring, relief and rescue operations of PGI particularly at Brgy. Anao, Cabagan, Isabela. The Office then assisted in the preparations for the visit of the Vice President of the Republic of the Philippines, Her Excellency Maria Leonor "Leni" Robredo

at the PSO-PSWDO Building.

After the preparation, APSO joined PDRMO Rivera around 10:30 PM in welcoming the rescue team sent by LGU Bayombong, Nueva Vizcaya to augment in the rescue and relief operations in the Province.

The PSO continued its role in the monitoring of the flooding; in the preparations for the arrival of the Vice President last November 15, 2020; and of Senator Imee Marcos last November 16, 2020.

# THE PUBLIC SAFETY OFFICE

The **Isabela Public Safety Office** traces its humble beginnings to February 21, 2012, when Ordinance No. 001 Series of 2012, entitled “AN ORDINANCE CREATING AND ESTABLISHING THE DEPARTMENT OF PUBLIC SAFETY IN THE PROVINCIAL GOVERNMENT OF ISABELA AND PROVIDING FUNDS THEREFOR” authored by Sangguniang Panlalawigan Member Hon. Rolando L. Tugade, Chairman of the Committee on Public Security and Order, was enacted.

It was later amended by Ordinance No. 002, Series of 2014, entitled “ORDINANCE CREATING AND ESTABLISHING THE PUBLIC SAFETY OFFICE THE PROVINCIAL GOVERNMENT OF ISABELA AND PROVIDING FUNDS THEREFOR”, authored by Sangguniang Panlalawigan Member Hon. Karen G. Abuan, Chairman, Committee on Laws, Rules and Regulations.

## **The functions of the Office:**

(a) To enforce provisions of Ordinance No. 0002-2001 otherwise known as the Provincial Administrative Code, particularly Chapter IV, Provincial Gov-

ernment Services: Article 1 – Peace, Order, and Security; Article 2 – Public Order; Article 3 – Safety on Public Roads; and Article 4 – Safety on Fire Hazards;

(b) To enforce provisions of Presidential Decree No. 1566 governing the creation of Provincial Disaster Coordinating Council in the Province of Isabela now called the Provincial Disaster Risk Reduction and Management Council (PDRRMC) under R.A. 10121;

(c) To enforce all other laws and ordinances relative to the protection of lives and properties, and those pertaining but not limited to the maintenance of public safety, peace and order especially during mad-made or natural calamities, and the promotion of general welfare;

(d) To ensure and provide quick response and coordinative efforts for any call or need of the public for police, fire marshals, rescue or medical assistance;

(e) Exercise the duty to make citizen’s arrest pursuant to the Rules of Court; and

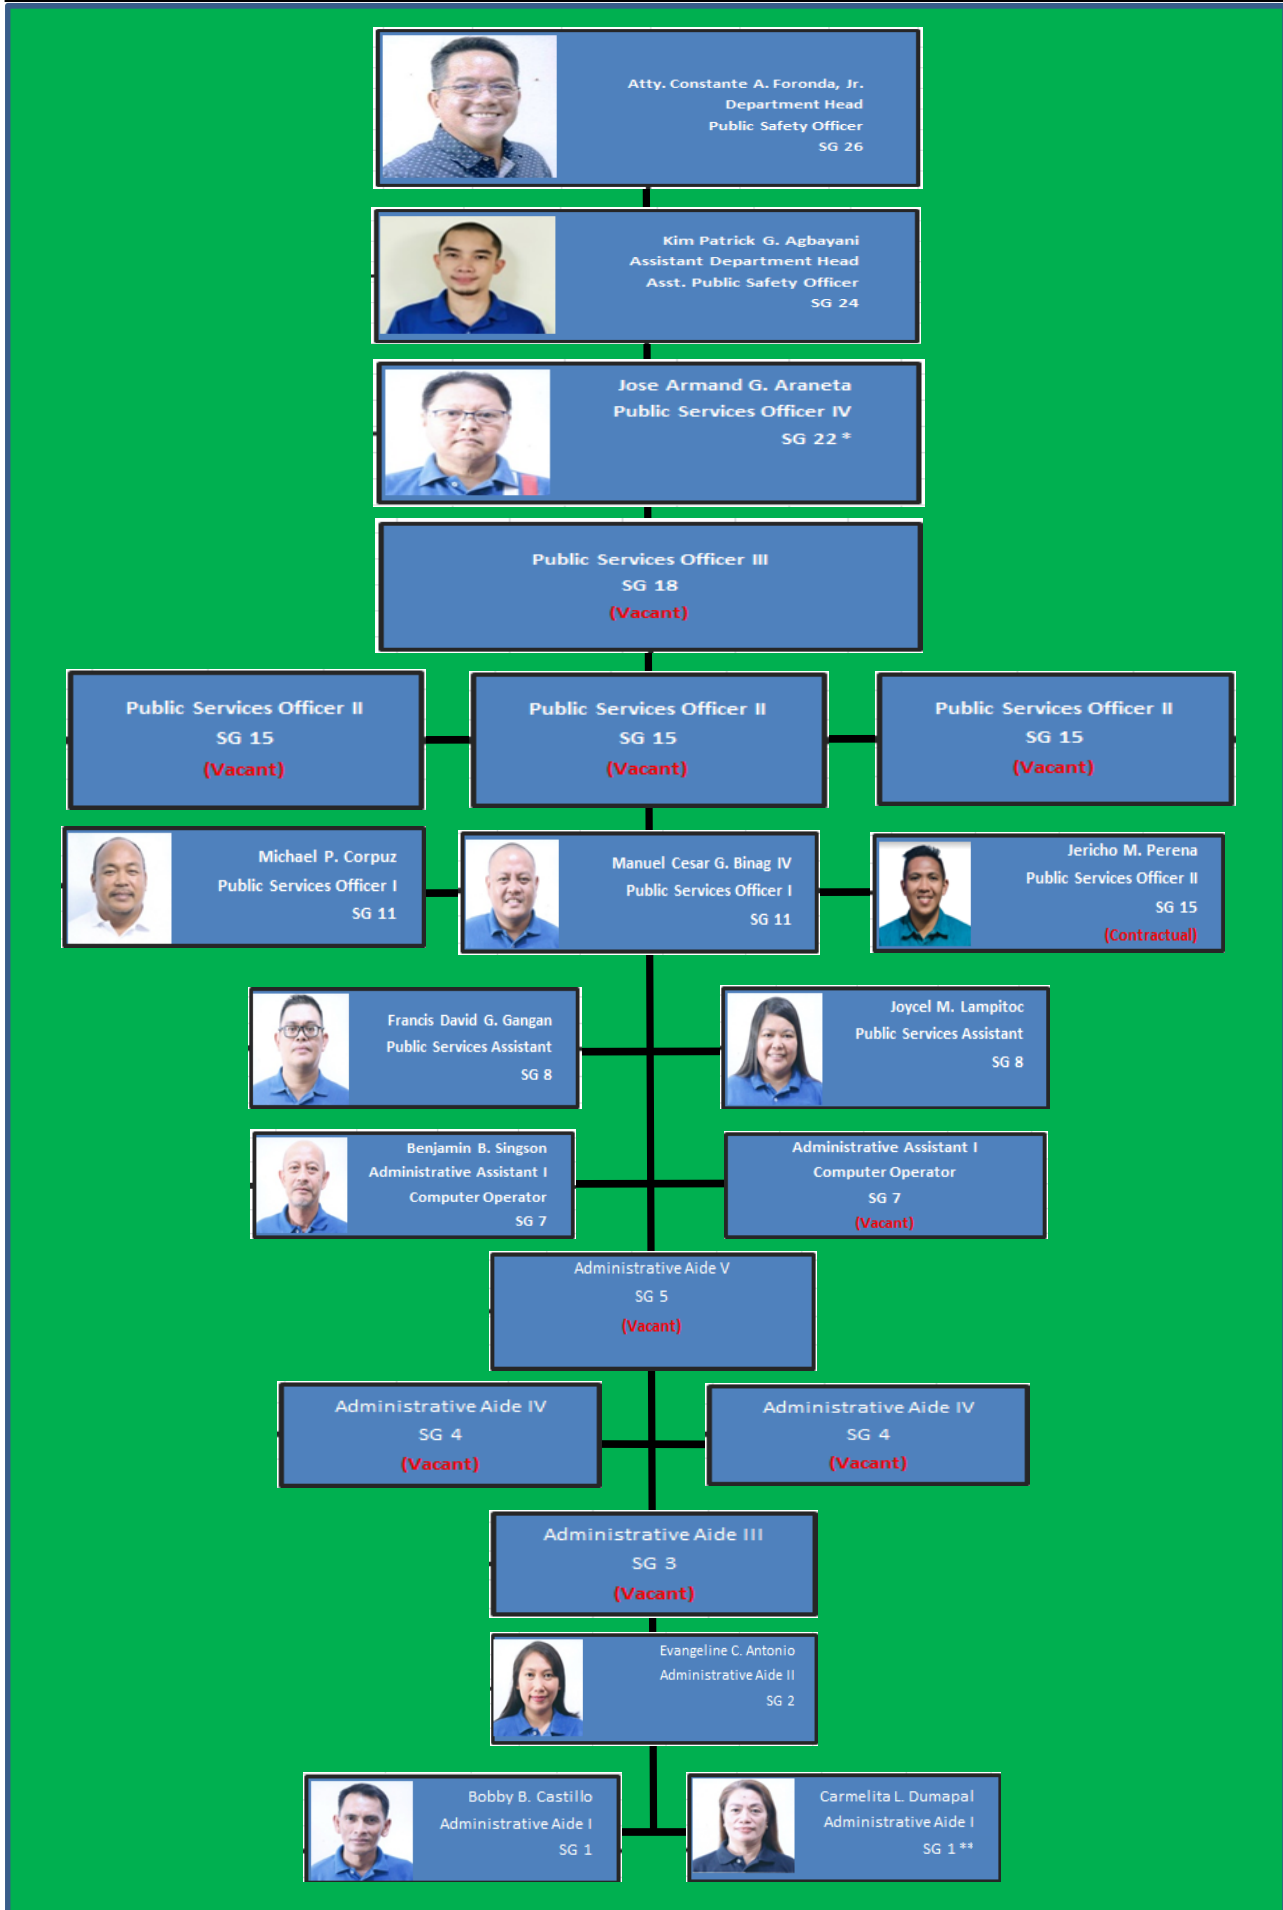

(f) Perform such other duties and functions as may be provided by law or ordinance. (Section 5, Ordinance No. 01-2014)

The Office was initially manned by Atty. Constanse A. Foronda, Jr. as the Department Head, PBGEN. Jimmy U. Rivera, Sr., (Ret.) the former Provincial Director of Isabela Police Provincial Office (IPPO) as Assistant Department Head and Mr. Jose Armand G. Araneta.

Seven (7) years since its creation on January 21, 2014, Public Safety Office has evolved into what it is now. It initially shared office space with the Office of the Governor, until the District Office of then 1st District Representative Hon. Rodolfo “Rodito” T. Albano III (Incumbent Governor of Isabela) was graciously offered to be its temporary office, prior to being transferred to the former office of the Provincial Cooperatives Development Office (PCDO) at the rear ground floor of the Isabela Provincial Capitol from 2017 to 2019 before transferring to its current location at 2nd floor of the newly constructed PSO-PSWDO Building, Provincial Capitol Grounds, Alibagu, City of Ilagan, Isabela on December 2019.

# ORGANIZATIONAL STRUCTURE OF THE ISABELA PROVINCIAL PUBLIC SAFETY OFFICE

\* Detailed to PVGO

# THE PSO SHIELD

The PSO Shield was designed to formally establish the identity and purpose of the Public Safety Office which was created by virtue of Sangguniang Panlalawigan Ordinance No. 002 series of 2014 on January 21, 2014.

**THE SHIELD** The shield signifies protection from danger, risk, or any unpleasant experience.

**Black Color of the Shield** Signifies power, unity and strength.

**Map of Isabela** The Map is in green color indicating the province's status as one of the top corn and rice producers of the country. It is presented with demarcation lines indicating 34 towns and 2 component cities which makes it the 2<sup>nd</sup> largest province of the Philippines. It was initially called *Isabela de Luzon* to differentiate from other places within the Country bearing the name of Isabela. The province was named after Queen Isabela II of Spain.

**The Official Seal** The Official Seal of Isabela is super imposed on top of the Malta Cross and Star of Life to signify the province's readiness to respond in all types of emergencies.

**The Maltese Cross** Symbolizes the good traits of a safety officer as being observant, tactful, resourceful, dexterous, explicit, discriminating, perseverant and sympathetic.

**Star of Life** is a blue, six-pointed star, outlined with a white border which features the rod of Asclepius in the center. Traditionally, the logo was used as a stamp of authentication or certification for ambulances, paramedics or other EMS personnel. Internationally, it represents emergency medical services units and personnel.

**The Four Connected Hands** is a symbol of togetherness and participation. It signifies the unity of various units within the government working hand in hand to ensure the safety and well-being of its residents.

**The People** A group of 36 persons, representing the 34 towns and 2 component cities of the Province of Isabela linking together, to provide a full and unified front against all adversities and elements that may compromise the safety and well-being of its residents.

## PUBLIC SAFETY OFFICE RECOMMENDATIONS FOR THE YEAR

Although the Public Safety Office reacts to safety and/or order events that require to be addressed immediately with the coordination with police, fire fighters, rescue medical and social welfare groups, it prides itself in taking in a proactive approach that focuses on providing solutions to problems before they even arise. This is done through recommendations by Public Safety Officer Atty. Constante A. Foronda, Jr. to the proper agencies on matters pertaining to the personal safety and security of Isabeleños in times of calamities and disasters, crime prevention, terrorism and other forms of security threats that encompass public safety and order.

In fact, the Office have issued several suggestions and recommendations which was later mirrored by the National Inter-Agency Task Force. To summarize, this Office made the following recommendations in 2020:

**February 7: The creation of a task force in preparation for the novel coronavirus acute respiratory disease**

Long before the first case of COVID-19 was recorded in Isabela, the PSO had recom-

mended the immediate creation of a task force to address the emerging pandemic, thus the Isabela Provincial Task Force on COVID-19.

The PSO also did the necessary research and produced a leaflet that featured everything that Isabeleños needed to know about COVID-19. The leaflet became the first official information, education, and communication material of the Provincial Government on COVID-19.

**May 11: The amendment of the Liquor Ban Ordinance**

The original liquor ban

ordinance (Ordinance No. 08-2011) prohibited the "Dispensing Intoxicating Beverages and the Likes (sic) Through Sale, Purchase or Gift Immediately Before, During, and After a Tropical Storm (Typhoon) Surge".

The PSO deemed that 08-2011 needed improvement, thus on March 7, 2016, a letter was sent to the Sangguniang Panlalawigan suggesting that said ordinance be amended in order that the following features may be introduced:

a. that consumption of liquor be included as a prohibited

act;

b. that liquor ban be imposed over any portion of the Province over which a public storm warning signal has been hoisted;

c. that a liquor ban be imposed during an actual or impending flooding;

d. that a liquor ban be imposed during the 24 hours following an earthquake felt in the Province at intensity 6 or higher;

e. that a liquor ban be imposed in the coastal towns 24 hours before a tsunami is to strike until 72 hours after the tsunami shall have struck or until the tsunami warning shall have been lifted; and

f. that a liquor ban be imposed when the Provincial Governor deems it necessary;

g. to prohibit those with blood alcohol level of 0.08% or higher or fails a field sobriety test to be outdoors.

On August 23, 2019, after the new Sanggunian Panlalawigan took office, the PSO reiterated the above-mentioned March 7, 2016 suggestion.

On April 28, 2020 the Sangguniang Panlalawigan enacted Ordinance No. 2020-13-1 and on May 11, 2020 enacted the amendatory Ordinance No. 2020-15-4. Both ordinances included the liquor ban features suggested by PSO.

**July 8: The recommendations on the decontamination of used face masks**

Due to cost and availability issues at that time, the PSO conducted the necessary research to suggest ways to decontaminate used face masks without affecting their filtering characteristics: the dry boiling method and the hair dryer method.

**August 12: The recommendations on the safety of evacuation centers**

As the typhoon season was then approaching, the PSO recommended that the capacities of evacuation centers be evaluated to determine

if they will allow social distancing among evacuees. The purchase and installation of temporary tent-like modular cubicles that will isolate evacuee families from one another. It must be noted that said recommendation came before the National Disaster Risk Reduction and Management Council suggested it.

**September 10: The recommended regulation of activities in public and private cemeteries and memorial parks during undas.**

In the event that the Inter-Agency Task Force on Emerging Infectious Diseases (the "IATF") fails to issue guidelines on "undas" activities, the PSO recommended rules to prevent COVID-19 transmission during the conduct of traditional activities during All Saints' Day.

**October 1: The recommendation to conduct a capability survey on all rescue groups in the Province**

With the preparation for publication of a directory of the hotline numbers of all rescue groups in the Province, it was recommended that an inventory of all assets, competencies, and limitations of such stations be conducted to ensure proper endorsement by the PDRMO in emergency situations.

**October 2: The recommended implementation of Oplan "Bagong Mukha"**

The PSO re-introduced the terms of its anti-criminality plan called Oplan "Bagong Mukha" in order that people suddenly appearing in communities may be screened against COVID-19 infection to prevent transmission.

**November 19: The recommendation on measures to apply before approving the request of Victory Liner to resume its Isabela operations**

The PSO suggested measures to be in place before the request of bus companies to resume Isabela operations be acted upon. It included a suggestion for the use of the saliva test for COVID-19 infection

long before the Philippine Red Cross proposed its consideration.

**December 10: The recommendation for the publication of a COVID-19 holiday leaflet**

The production and publication of a leaflet on the dos and don'ts in order to curb the spread of COVID-19 during the holiday season.

***"It is in the foregoing recommendations where the Office prides itself in anticipating likelihoods. It is through such suggested solutions that the PSO provides inputs in making better and more informed decisions about the future during the present time."***

**MGA DAPAT TANDAAN SA PAG-UBO AT PAGBAHING**

- ♦ Takpan ang bibig at ilong gamit ang panyo, tissue, manggas o loob ng damit tuwing bahing o uubo. Itapon kaagad ang gamit nang tissue.
- ♦ Ugaling maghugas ng kamay gamit ang tubig at sabon matapos bumahing o umubo.

g. Uminom ng maraming tubig at siguraduhing naluto nang husto ang mga pagkain. (DOH flyer)

h. Iwasan ang contact sa mga hayop. (DOH flyer)

i. Kumonsulta kaagad sa duktor o sa anumang health facility sa unang sintomas ng ubo o sipun. (DOH flyer)

j. Ipagbigay-alam ang sinomang may sintomas ng Covid-19 sa pinakamalapit na health center o tumawag sa hotline ng Provincial Epidemiology Surveillance Unit (09555070879). Ang pamahalaang panlalawigan ng Isabela ay nakahanda sa anumang kaso ng Covid-19.

- **Epektibo ba ang mga antibiotics laban sa Covid-19?**

Walang bisa ang mga antibiotics laban sa virus tulad ng 2019 Covid-19. Ang antibiotics ay panlaban lamang sa bacteria. Ang mga tinamaan ng Covid-19 ay binibigyan ng antibiotics kung ang sakit ay sinasabayan ng bacterial infection. (WHO Myth busters)

- **May gamot bang panlaban mismo sa Covid-19?**

Hanggang ngayon ay wala pa ring bakuna na panlaban mismo sa Covid-19. Ang mga tinamaan ng Covid-19 ay binibigyan ng gamot upang maibsan ang mga sintomas ng sakit. Kasalukuyang pinag-aaralan ng mga experto

ang mga posibleng gamot sa Covid-19. (WHO Myth busters)

- **Ano ang age group na madalas tamaan ng Covid-19?**

Bata man o matanda ay maaaring tamaan ng Covid-19, pero lumalabas na mas madaling ta-man ang mga matatanda at mga dati nang may sakit (asthma, diabetes, sakit sa puso) at mga taong may mababang resistensiya sa sa-Kit. Pinapayuhan ang lahat na panatilihin ang kalinisan sa sarili at sa kapaligiran. (WHO Myth busters)

- **Pwede bang manggaling ang Covid-19 sa mga alagang hayop?**

Hanggang ngayon ay wala pang naitatalang kaso ng Covid-19 na galing sa mga aso o pusa. Ang lahat ay pinapayuhan pa rin na maghugas ng kamay matapos hawakan ang mga alagang hayop upang maiwasan ang sakit. (WHO Myth busters)

REGION 02

**ERO - SAFETY**  
(SAFE KA KAY ERO)  
**LAGING MAGHANDA**

• **Ano ang Covid-19?**

Noong December 2019 ay may misteryosong pneumonia na ikinamatay ng ilang tao sa Wuhan, isang lungsod sa China. Napag-alaman ang sanhi ng pneumonia ay isang virus na may pagkakorteng-korona kaya napabilang sa tinatawag na coronavirus. Subalit ang virus na ito ay di pangkaraniwang coronavirus kaya tinawag na novel na ang ibig sabihin ay "bago" at ang sakit ay tinawag nga itong novel coronavirus at ang sakit ay pansamantalang tinawag na novel coronavirus acute respiratory disease o nCoV ARD. Noong February 11, 2020 opisyal na pinangalanan ng World Health Organization (WHO) and sakit bilang **Covid-19** o Coronavirus Disease 2019. (WHO Situation Report No. 22)

• **Paano kumakalat ang Covid-19?**

Dahil nga bagong dapo pa lamang sa mga tao, madami pa ang kailangang malaman ng mga experto tungkol sa Covid-19. Ang kasalukuyang nalalaman ay base sa kaalaman hinggil sa mga nauna nang klase ng coronavirus tulad ng MERS at SARS, at obserbasyon ng mga kaso ng Covid-19.

Ang pagkalat ng Covid-19 ay parang trangkaso. Kapag ang taong may sakit na Covid-19 ay umubo o bumahing, ang laway at plemang tumatalsik ay may kasamang virus ng Covid-19.

a. **Direct.** - Kapag ang ibang tao ay nahagip ng talsik sa bibig o ilong, ang virus ay pupunta sa бага at hahawa. Napag-alaman kamakailan na ang nCoV ay pwedeng pumasok sa бага sa pamamagitan ng mata.

b. **Indirect.** - Kapag ang talsik ay dumapo sa anumang bagay at ito ay nahawakan ng iba, ang virus ay kakapit sa kamay. Kapag ang kamay ay nadampi sa bibig, ilong, o mata, pupunta sa бага ang virus at hahawa ang Covid-19.

• **Ano ang mga sintomas ng Covid-19?**

Ayon sa obserbasyon sa mga positibo sa Covid-19, may mga kasong halos walang ipinakitang sintomas. May mga kaso namang may mataas na lagnat, matinding pag-ubo, at hirap sa paghinga. Ang nakamamatay na komplikasyon ay ang pneumonia (pulmonya). Ang sintomas ay lumalabas mula 2 hanggang 14 araw mula pagkahawa.

• **Ano ang mga dapat gawin upang maiwasang mahawakan ng Covid-19?**

a. Iwasan ang pagpunta sa tukoy ng WHO o ng DOH na mga lugar kung saan leganap ang Covid-19. (DOH press release, Jan. 31, 2020)

b. Iwasan ang mga taong galing sa tukoy ng WHO o ng DOH na mga lugar kung saan leganap ang Covid-19 at hikayatin silang magpa-quarantine.

c. Iwasan ang mga taong may sintomas ng trangkaso, ubo, o sipon. (DOH flyer)

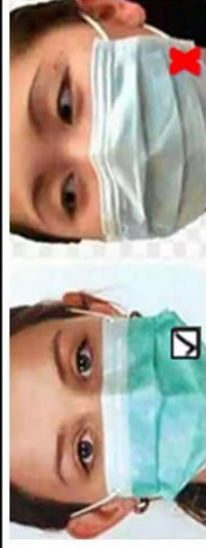

d. Dalasan ang paghuhugas ng kamay. (DOH flyer) Sabunin ang lahat ng bahagi ng mga kamay hanggang siko hanggang 20 segundo. Ang pagkanta ng "Happy Birthday To You" nang dalawang beses ay halos 20 segundo.

e. Pagsuotin ng face mask ang mga taong may sintomas ng pulmonya, trangkaso, ubo, sipon o iba pang sakit sa paghinga.

**PAANO MAGSUOT NG FACE MASK?**

- Sabunin ang kamay bago isuot ang face mask.
- Ang puting bahagi ng mask ang dapat nakadikit sa mukha.
- Ang tupi ng mask ay dapat nakaturong pababa.
- Ang patigas sa karamihan ng mask ang sa bandang taas ng ilong at ang malambot na bahagi ang sa bandang bibig.
- Kurutin ang patigas na bahagi ng mask upang lumapat sa ibabaw ng ilong.
- Palitan ang mask matapos ang 8 oras o kapag madumi na ito.
- Huwag hawakan kapag huhubarin ang mask.
- Ilagay sa supot ang gamit nang mask bago itapon sa basurahan.
- Sabunin ang kamay matapos hawakan ang mask.

f. Lumayo at takpan ang bibig at ilong tuwing ubo o babahing. (DOH flyer)

### **EXECUTIVE ORDER NO. 25-A**

#### **CREATING A TASK FORCE THAT WILL BE RESPONSIBLE IN MONITORING THE ENTRY OF LIVESTOCK ANIMALS AND MEAT PRODUCTS IN ISABELA, FOR THE PREVENTION AND CONTROL OF "AFRICAN SWINE FEVER" AND OTHER DISEASES AFFECTING THE LIVESTOCK INDUSTRY**

**WHEREAS**, it is the policy of the State to promote a just and fair environment for trade and other economic activities, and provide effective mechanisms or measures to promote the well-being of its citizens, their livelihood, and the economy, in general;

**WHEREAS**, the Department of Agriculture recently banned the importation of pork from 19 countries following reported incidents of hog mortality in Luzon and other areas in the Philippines, and cases of African Swine Flu in Asian, European, and African countries, as well as fears of contaminated meat;

**WHEREAS**, the province of Isabela today, with its 34 progressive towns and 3 booming cities, is one of the biggest livestock raisers, as well as markets for meat products, in Northern Luzon;

**WHEREAS**, the Provincial Veterinary Office, is primarily tasked by the Provincial Government to ensure that local poultry and livestock industries are fully compliant with all food quality and safety standards prescribed by law, and are protected from onslaughts of animal diseases that can cause human deaths and other maladies;

**WHEREAS**, the entry of all hogs and other livestock animals in Isabela need to be closely monitored, with unquarantined or unscreened animals prevented from entering any part of the province;

**WHEREAS**, Section 465 of Republic Act 7160 which is known as the Local Government Code of 1991 empowers the Local Chief Executive to carry out measures for the faithful and appropriate enforcement and execution of laws and ordinances;

**Whereas**, there exists an urgency to create a Task Force that will establish the monitoring and quarantine of livestock animals transported to Isabela, as well as set up related procedures that will ensure the quality and safety of fresh meat products in Isabela;

**Now therefore**, I, **RODOLFO T. ALBANO III**, Governor of Isabela, by virtue of the powers vested in me by law, do hereby decree the following:

**Section 1. Creation of the Task Force.** There is hereby created a Task Force to monitor the entry of Livestock animals and meat products in Isabela into the 34 municipalities and 3 cities of Isabela, and ensure that livestock and meat quality and safety standards are complied with by livestock and meat transporters;

**Section 2. Composition.** The Task Force shall be composed of the following:

Chairman	-	Hon. Rodolfo T. Albano III
Vice Chairman	-	Hon. Faustino G. Dy III

*Nagkaisa para sa Isabela*

Task Force Coordinator -	Atty. Constante A. Foronda, Jr. Public Safety Officer (PSO)
Task Force Commander -	Asst. PSO Jimmy U. Rivera, Sr.
Deputy Task Force Commander-	Dr. Amgelo C. Naui, VMD Provincial Veterinarian
Members -	Ms. Joan Baldo, Information Officer PSS Mariano Cureg Rodriguez , PD PNP Mr. Rodrigo T. Sawit, PGSO Ms. Elsa M. Pastrana, Provincial Budget Officer and other Department Heads as may be directed by the Chairman

**Section 3. Functions.** The Task Force shall have the following functions:

- a) Establish check points in the southern entry point (Municipality of Cordon) and the northernmost municipality (San Pablo) for the inspection of incoming livestock animals and fresh meat products;
- b) Determine the compliance of incoming livestock suppliers with applicable agriculture and environmental laws, and identify irregular, inappropriate, suspicious, and potentially unsafe and unhealthy practices and procedures governing or related to the transport of the livestock to Isabela;
- c) Order and implement non-negotiable one-day quarantine procedures if Checkpoint Inspection finds there is a lack of required documents in the transport of the livestock animals, or the livestock and meat products being transported to Isabela do not appear healthy or fit for consumption;
- d) Refer to the proper law enforcement authorities, all individuals with incomplete documents who are involved in the transport of livestock animals and fresh meat products , as well as those who are transporting unhealthy livestock animals;
- e) Conduct regular assessment of the health of Inspection and Quarantine personnel to help determine the impact of the transported livestock on public health and safety;
- f) Create a database containing information gathered and researched, and raw and processed data that will be helpful in the conduct of monitoring activities, which can be accessed by members of the Task Force;
- g) Recommend corrective or mitigating measures in accordance with its mandate, including but not limited to penalties and fines, and the issuance of a temporary or permanent ban on erring outside suppliers who brought in sick or suspicious live stock, in violation of this Order;
- h) Conduct regular meetings for cohesive action and systematic procedures;
- i) Request from any official, instrumentality or agency of the government or any private person or enterprise dealing in or engaged in public and health and safety, such data or information as it may need to implement its mandate;
- j) Recruit and screen persons from the private or public sector for designation as additional members of the Task Force, as necessary;

- k) Disseminate information on public health and food/livestock safety to all residents of Isabela, to raise awareness or increase public vigilance on food quality and safety issues as well as arm them with information on what signs or situations to look out for when raising livestock or purchasing fresh meat products;
- l) Submit a quarterly Report of all findings and recommendations to the Provincial Governor for his action;
- m) Perform other tasks as may be necessary to achieve the objectives of the Task Force.

**Section 4. Funding.** Funding for the Task Force shall be sourced from the Office of the Governor.

**Section 5. Repealing Clause .** All issuances, orders, rules and regulations, or parts thereof that are inconsistent with any provision of this Order are hereby repealed or modified accordingly.

**Section 6. Effectivity.** This Executive Order shall take effect immediately.

Issued this 26th day of AUGUST, 2019 in the City of Ilagan, Isabela.

  
RODOLFO T. ALBANO III  
Governor 

GRTA/NMRL:rd

Republic of the Philippines  
PROVINCE OF ISABELA  
City of Ilagan

*Office of the Governor*

**EXECUTIVE ORDER NO. 46**

**DECLARING A TOTAL BAN ON THE ENTRY OF SWINE AND ALL FRESH, FROZEN, AND PROCESSED PORK PRODUCTS IN THE PROVINCE OF ISABELA, AND DIRECTING ALL LOCAL CHIEF EXECUTIVES TO IMPLEMENT MEASURES IN SUPPORT OF THE BAN, AND THE ISABELA PROVINCIAL POLICE OFFICE (IPPO) AND THE PROVINCIAL TASK FORCE TO ESTABLISH CHECKPOINTS IN ALL INGRESSES AND EGRESSSES IN THE PROVINCE**

**WHEREAS**, it is the policy of the State to promote a just and fair environment for trade and other economic activities, and provide effective mechanisms or measures to promote the well-being of its citizens, their livelihood, and the economy, in general;

**WHEREAS**, following the reported incidents of hog mortality in certain areas in the Philippines and cases of African Swine Flu in some Asian, European, and African countries, the Governor issued Executive Order No. 25-A on 26 August 2019, creating a Task Force to establish monitoring and quarantine of livestock for the control and prevention of "African Swine Fever" in Isabela;

**WHEREAS**, the Department of Agriculture recently confirmed that the highly-infectious *African Swine Fever* caused the death of pigs in at least seven villages near Manila and most recent news reports have placed the number of pigs culled in the Luzon provinces of Rizal and Bulacan have reached 7,400, with more provinces such as Pangasinan reporting similar cases;

**WHEREAS**, Isabela hosts some of the biggest hog-raisers in the country and more aggressive measures need to be implemented to prevent the infection from reaching local farms and disrupting economic activity in the province;

**WHEREAS**, Section 465 of Republic Act 7160 which is known as the Local Government Code of 1991 empowers the Local Chief Executive to carry out measures for the faithful and appropriate enforcement and execution of laws and ordinances;

**Now therefore**, I, **RODOLFO T. ALBANO III**, Governor of Isabela, by virtue of the powers vested in me by law, do hereby issue this Order declaring a total ban on the entry of swine, and fresh, frozen, and processed pork products in the province of Isabela and directing all local chief executives to implement measures in support of the ban, and the Isabela Provincial Police Office (IPPO) and the Provincial Task Force to establish checkpoints in all ingresses and egresses in the province.

**Further**, the IPPO and Task Force are directed to ensure the application of all laws, ordinances, and other issuances in the implementation of this Order.

All issuances, orders, rules and regulations, or parts thereof that are inconsistent with any provision of this Order are hereby repealed or modified accordingly.

This Executive Order shall take effect immediately.

Issued this 1st day of October, 2019 in the City of Ilagan, Isabela.

**RODOLFO T. ALBANO III**  
Governor

## **PUBLIC SAFETY OFFICE**

**Provincial Government of Isabela**

### **VISION**

The Provincial Public Safety Office is committed to the vision of a civilized society that has the characteristics of law and order; where its existence is fundamentally anchored on the efficiency of government, to maintain and enhance the public safety and order, provide comfort and their well-being are protected and at the same time enlist their active participation in nation building.

### **MISSION**

The Provincial Public Safety Office shall strive to improve the delivery of Public Safety Services through coordinative efforts for any call or need of the public for police, fire marshals, rescue and medical assistance. To help provide the basic welfare, protect human rights, preserve and protect the environment, provide training and education and community awareness programs on matters pertaining to the personal safety and security of its inhabitants in times of calamities and disasters, crime prevention, terrorism and other forms of security threats that encompass public safety and order.
