

PROVINCIAL TREASURER'S OFFICE

PTO IN ACTION

(March 3–7, 2014)

- **March 3, 2014** – The PROVINCIAL TREASURER's OFFICE is keen on collecting the taxes and fees due to the Provincial Government of Isabela to realize its targets and attain higher collection efficiency.

As a jumpstart, after months of hiatus, the PTO Field Collectors are again posted in all the entry and exit points of the Province for the collection of Delivery Van Tax and other fees due to the province. They are up on their toes manning their designated checkpoints in Cordon, Roxas, San Pablo and here in the City of Ilagan, in front of the Provincial Capitol, to collect taxes from daylight to nightfall to ensure that the taxes on all Delivery Vans and Trucks doing business within the Province of Isabela shall be collected. Stickers are posted on the right side of the windshield of these vehicles as proof of payment of the required taxes.

COLLECTION SUB OFFICE - ROXAS, ISABELA

Barricades were already positioned on both lanes of the road

Assigned PSG flagged down Delivery Trucks to check on the payment of Delivery Van Tax

- **March 6, 2014 – PTO Staff Meeting.**

Provincial Treasurer Maria Theresa Araneta-Flores makes sure that efficiency and effectiveness coupled with integrity are major factors in the delivery of excellent public service, hence, a regular staff meeting is conducted to attend to issues and concerns and to give updates to PTO personnel.

Interaction results to good rapport within the PTO family

Initiative, versatility and punctuality are always emphasized

The day of the meeting coincided with the birthday of our former co-employee, Manang Celia (Mesa), who passed away just recently and we did not forget to offer prayers for her.

The meeting concluded with a simple “salo-salo”...

This also fosters camaraderie among the PTO FAMILY...
