INTRODUCTION

The Philippine Constitution provides that *“the state recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, spiritual, intellectual and social well-being. It shall indoctrinate in the youth patriotism and nationalism; and boost their involvement in public and civic affairs.”*

The enactment of the Sangguniang Kabataan Reform Act of 2015 (Republic Act 10742) strengthens the active involvement of the youth in many government and civic activities. The reform law and the existing Youth for Nation-Building Law (Republic Act 8044) are now the most important laws that promote the empowerment and development of the youth in the country. Through the empowered Sangguniang Kabataan, the youth now has an active venue and safe space to express their opinions and ideas, develop skills and potentials and further their rights and welfare.

While the Provincial Government of Isabela thru the leadership of Governor Faustino G. Dy, III and Vice-Governor Antonio T. Albano, has since been a champion of the youth’s rights and welfare through its pro-youth advocacies and initiatives such as the provision of its biggest and most comprehensive provincial scholarship program Bojie-Rodito Opportunities for Education (BRO-Ed) now numbering 16,000 scholars, conduct of capacity-building programs and activities, and the like, these initiatives need to be unified and institutionalized to best serve the most dynamic sector of the Isabela citizenry – the *Nagkakaisang Kabataang Isabeleños*.

Hence, adhering to both the call and the mandate to continue championing the welfare of the Isabeleño youth, the PGI on its 2018 General Annual Appropriations has included a budget allocation for the creation of the Provincial Youth Development Office under the Office of the Governor. The Isabela PYDO that formally started on April 30, 2018 aims to ensure that Kabataang Isabeleños development and all programs, projects, activities and opportunities for them are anchored on the nine centers for participation outlined in the Philippine Youth Development Plan 2017-2022, which are as follows: (1) health, (2) education, (3) economic empowerment, (4) social inclusion and equity, (5) peace-building and security, (6) governance, (7) active citizenship, (8) environment and lastly, (9) global mobility. The office shall therefore serve to help increase the youth proactive participation and self-awareness. To this end, this intervention of the provincial government will effectively help every *Kabataang Isabeleño* reach their dreams and aspirations.

MISSION STATEMENT

The **Isabela Provincial Youth Development Office** seeks to create and ensure the '*Kabataang Isabeleños*' proactive role and participation in nation-building and in championing their right towards health, education, economic empowerment, social inclusion and equity, peace-building and security, governance, active citizenship, environment and global mobility.

VISION STATEMENT

The **Isabela Provincial Youth Development Office** envisions an active, participative and self-aware '*Nagkakaisang Kabataang Isabeleño*' whose dreams and aspirations are anchored on integrity, compassion and distinct sense of youth patriotism, aiming to this end as productive members of Isabela citizenry.

OBJECTIVES

To register and verify youth and youth-serving organizations to the **Youth Organization Registration Program-Isabela (YORPi)** and serve as secretariat and provide technical assistance to the Local Youth Development Council (LYDC).

To create a venue where *Kabataang Isabeleños* can actively participate and realize their roles and responsibilities in nation, peace and security-building through a program called Development projects, Innovative programs, Transformative activities and **Opportunities for Youth of Isabela (DIToy ISABELA)**.

To proactively provide technical support thru capacity-building and youth empowerment seminars and trainings to *Kabataang Isabeleños* thereby making them active partners of the provincial government in implementing its programs, projects and activities.

FUNCTIONAL STATEMENT

As it is the policy of the state to *“recognize the vital role of the youth in nation-building, promote and protect their physical, moral, spiritual, intellectual and social well-being, indoctrinate in [them] patriotism and nationalism, and boost their involvement in public and civic affairs,”* RA 10742, otherwise known as the Sangguniang Kabataan Reform Act of 2015, mandates all local government units to create a **Local Youth Development Office** which shall operate under the following functions and responsibilities, among others:

1. Register and verify youth and youth-serving organizations subject to the revitalized Youth Organizations' Registration Program (YORP) guidelines;
2. Provide technical assistance to the Local Youth Development Council (LYDC) in the formulation [and implementation] of the Local Youth Development Plan;
3. Facilitate the election of the LYDC representatives;
4. Serve as secretariat to the LYDC;
5. Conduct the mandatory and continuing training of SK Officials and LYDC members, in accordance with the programs jointly designed and implemented by the [National Youth] Commission and the DILG. The local youth development officer and/or his or her staff shall apply for accreditation from [NYC] in order for them to conduct the mandatory and continuing training programs of SK officials and LYDC members;
6. Provide technical, logistical and other support in the conduct of the mandatory and continuing training programs, and to such other programs of [NYC] and DILG;
7. Coordinate with the [NYC], with regard to the youth programs within their jurisdiction.
