**ACTIVITY** : **ACCEPTED AND EVALUATED SCHOLARSHIP APPLICATIONS  
FOR 2<sup>ND</sup> SEMESTER OF ACADEMIC YEAR 2022-2023**

**DATE/S** : June 05, 2023 to July 07, 2023

**VENUE** : Provincial Youth Development Office

**OBJECTIVES :**

To accept and evaluate scholarship applications for the second semester of Academic Year 2022-2023.

**ACTUAL ACCOMPLISHMENT**

The Provincial Government of Isabela, through the Provincial Youth Development Office, opened the scholarship application for the 2<sup>nd</sup> Semester of Academic Year 2022-2023 last June 05, 2023 which lasted until July 07, 2023 with five extension offices, aside from the PYDO, open to accept applications. Extension Offices are located in the following City/Municipalities:

1. Jones Extension Office
2. Echague Extension Office
3. Cauayan Extension Office
4. San Pablo Extension Office
5. Cabagan Municipal Hall

With the goal to standardize the application process, the BRO for Education Coordinators and Focal Persons from among the five extension and satellite offices, led by the Provincial Youth Development Office, devised a system maximizing the online platform to ease the encoding process of scholars' information into the scholarship database while re-establishing the customary in-person interview and orientation during the submission of documentary requirements.

Under the newly-implemented application process, the growing number of scholars was considered and as a mechanism to ensure the sustainability of the program, a predetermined number of slots per city/municipality was

allocated depending on the number of scholars in each local government unit for the previous semester. With this, a first come first serve system was implemented and an online pre-registration was established to verify if a City/Municipality has reached its assigned number of slots already.

All applicants who have pre-registered online submitted their requirements to the Provincial Youth Development Office and to any of the extension offices. Upon submission, documentary requirements were reviewed and applicants are interviewed. Upon the verification of the completeness and authenticity of the documents, applications are accepted by the coordinators and applicants are given an Orientation on the scholarship program.

After the scheduled submission of applications, extension offices then started submitting forms to the PYDO for sorting and evaluation. Forms were further assessed and sorted per City/Municipality. The Office recorded a total of **29,231 applications** for the 2<sup>nd</sup> Semester of AY 2022-2023.

## II. PROJECT RATIONALE

The Sangguniang Kabataan Reform Act of 2015, enacted to strengthen the SK and the youth development efforts of Local Government Units, provides the mandatory celebration of the Linggo ng Kabataan every year where the International Youth Day, August 12, lies.

As a genuine champion of youth empowerment and development, the Provincial Government of Isabela ensures that the celebration truly showcases the endless potentials of the Kabataang Isabeleños, and therefore goes beyond compliance to the law. Since 2018, the Isabeleño youth's radiance and fineness are celebrated throughout the entire month of August of every year, known as the Buwan ng Kabataan and International Youth Day Celebration.

With the international theme, "Green Skills for Youth: Towards a Sustainable World," the provincial government's **2023 Buwan ng Kabataan and International Youth Day Celebration** shall center on further engaging the Isabeleño youth in the environmental protection and conservation agenda of the provincial government while consistently fostering an atmosphere of solidarity and comradeship among the Youth and Youth Serving Organizations, considering that a new set of Council NAGKAISA – Provincial Youth Development Council members shall soon be elected upon the election of new Sangguniang Kabataan Officials and Federation Officers.

With a strengthened relationship among the Youth Organizations and the Council NAGKAISA – PYDC members, the outgoing Sangguniang Kabataan Federation officials can be assured that youth development in the province shall continue to thrive and that it shall remain inclusive and responsive to the calls of the Kabataang Isabeleños.

## III. PROJECT OBJECTIVES

As one of the annual and institutionalized celebrations of the provincial government for the Kabataang Isabeleños, the 2023 Buwan ng Kabataan and International Youth Day Celebration intends to join and acknowledge the call of the United Nations in inspiring the youth to be the key stewards of a sustainable world which they get to inherit.

Specifically, it aims to achieve the following results:

1. To impress upon the Kabataang Isabeleños the shared responsibility of nurturing a sustainable physical and perceptual environment viable to the needs of the community and the larger population.

## II. PROJECT RATIONALE

Sangguniang Panlalawigan Ordinance No. 2020-03-02 also known as the Isabela Youth Welfare and Development Code provides that in order to recognize and highlight the exemplary performance, role, contributions, accomplishments, and dedication to service of Isabeleño youth and youth organizations in helping people and communities towards meaningful participation in local governance and nation-building, there shall be a yearly search for the most outstanding youth and/or youth organization tagged as **Gov. Rodolfo T. Albano III GAWAD ULIRANG KABATAAN: Pagkilala sa mga Natatanging Organisasyon ng Kabataang Isabeleño.**

Now on its third year, the Search takes inspiration from the Department of the Interior and Local Government's Seal of Good Local Governance (SGLG), the National Youth Commission (NYC)'s Philippine Youth Development Plan Ten Centers of Participation, the Philippines Sangguniang Kabataan Awards of the Philippines Youth Development Network (PYDN) and Galing Pook Foundation, and the Ten Accomplished Youth Organization (TAYO) Foundation in recognizing the valuable efforts and contributions in nation-building of Sangguniang Kabataan, Local Youth Development Councils and Offices, and Youth Organizations in the province while also supporting and preparing them to take the national stage, participate, and be the province's entry to these youth development recognition platforms.

This year's Gawad Ulirang Kabataan centers on recognizing organizations, i.e., Sangguniang Kabataan Councils, Local Youth Development Councils, and Youth Organizations, which have maximized and amplified youth participation within their communities through their efforts and accomplishments for the past years, particularly with the strengthened implementation of youth development legislations, primarily that of Republic Act 10742 or the Sangguniang Kabataan Reform Act of 2015.

## II. RATIONALE

Republic Act 11935 signed last October 2022 moved the conduct of the Barangay and Sangguniang Kabataan Elections from December 2022 to the first Monday of October 2023. With barely four months before the elections, outgoing Sangguniang Kabataan members and officials have been making arrangements for the turn-over of responsibilities to incoming SK members aiming for the continuity of services and programs delivered to the Katipunan ng Kabataan.

Incumbent upon them, SK members and officials are also set to prepare their end-term reports and accomplishments for the last five years of being in office. But before officially leaving their posts in October, SK officials have one more opportunity to implement their projects and advocacies through the 2023 Linggo ng Kabataan and International Youth Day Celebration this August.

Serving for years more than they have anticipated, outgoing SK members and officials have probably grown to the duties of leading the Sanggunian and has considered the extension of their terms an opportunity to further their goals and to continue the legacy they have built as prime movers of the youth in their communities.

The Provincial Government of Isabela, through the Office of the Sangguniang Kabataan Panlalawigang Pederayon President and the Provincial Youth Development Office, have been in constant feat to consistently champion youth development in the province of Isabela through the effective and inclusive delivery of services and programs adequate to the needs of the Kabataang Isabeleños.

The **1<sup>st</sup> Provincial Sangguniang Kabataan End-Term Convention and State of the Youth Address** is the province's marking of a youth development milestone unfailingly and enduringly carved by the provincial government for the last five years impressed upon the recognition of Isabela having the most engaged and active youth in the entire region.

Acknowledging that one of the most successful ways to welcome valuable change, in this matter, a change of leadership in the Sangguniang Kabataan, is to recognize what the past has exceptionally done worthy of continuity while allowing fair opportunities for growth and improvement, this SK End-Term Convention and SOYA shall serve as an acclamation of the SK and youth development years that have been and a bellowing of support for the more successful years to be.

## III. OBJECTIVES

The 1<sup>st</sup> Provincial Sangguniang Kabataan End-Term Convention and State of the Youth Address aspires to provide the *Kabataang Isabeleños* a vision of where youth development is in the province of Isabela.

Specifically, it aims to achieve the following:

1. Recognize the efforts of the Sangguniang Kabataan Councils in the province of Isabela for the last five years of untiring promotion of services catering to the needs of the Kabataang Isabeleños.

2. Acknowledge that youth development in the province of Isabela would not have flourished the way it did if not for the support of the Sangguniang Kabataan in the barangays.
3. Convey the five-year accomplishments and successes of the provincial government, through the Office of the SK Provincial Federation President and the PYDO, in ensuring that the Kabataang Isabeleños are relied upon and are valuable members of the community.
4. Assess what legacies shall the Sangguniang Kabataan leave behind and turn over with pride to the coming members of the Sanggunian and express support to the new set of promising young leaders.

#### IV. PROJECT COMPONENTS

##### 1. Sangguniang Kabataan (SK) Service Award

In recognition and appreciation to the support of the Sangguniang Kabataan in the barangays and the SK City/Municipal Federation in the many activities and programs of the provincial government for the five years they have been in office, and plaque of appreciation shall be awarded to SK Federation Presidents in the 3 Cities and 34 Municipalities of the province.

##### 2. End-Term Convention

As the outgoing SK members gear towards their end-term activities and responsibilities, this convention shall help equip them in preparing for their end-term reports through the National Youth Commission and the Department of the Interior and Local Government. It shall also open conversations and possible opportunities on what's ahead of them after their SK years.

##### 3. State of the Youth Address

To be delivered by the Sangguniang Kabataan Provincial Federation President, the province of Isabela State of the Youth Address shall serve as the report of the provincial government and the Sangguniang Kabataan to the Isabeleño Youth on what has transpired and what has been accomplished for the last five years in terms of promoting the welfare of the youth in the province.

Through this, the Kabataang Isabeleños, and possibly those in the neighboring provinces, shall be able to gauge how and where the province of Isabela has gone in terms of youth development.

#### V. PROJECT BENEFICIARIES

The one-day province-wide SK End-Term Convention and SOYA shall be open to **1,000 Sangguniang Kabataan Chairpersons** of the barangays in the province of Isabela.

## II. RATIONALE

Republic Act 10742, otherwise known as the Sangguniang Kabataan Reform Act of 2015, as amended by Republic Act 11786, instituted key reforms in the Sangguniang Kabataan, further strengthening youth development and participation in local governance.

One of the salient features of the said reform was the creation of a **Local Youth Development Council (LYDC)** in all levels of local governance which shall be composed of representatives of youth and youth-serving organizations and whose core members shall be the President and Vice President of the respective Sangguniang Kabataan Pederasyon. As its primary function, the LYDC shall assist in the planning, execution, and monitoring of the implementation of the programs and activities of the SK and the Pederasyon in all levels.

Relative to this, Section 24 (j) of the Implementing Rules and Regulations (IRR) of RA 10742 mandates that **“within forty-five (45) days after SK elections, the Local Youth Development Officer (LYDO)... shall notify all the presidents or authorized representatives of the registered youth organizations or youth-serving organizations in the locality, assemble them in a public venue, and by consensus or secret balloting, they shall choose at least eight (8) but not more than nineteen (19) representatives [who] shall serve for a term of three years in the LYDC.”**

To ensure that members of the SK and the LYDC shall be competent and equipped with sufficient knowledge and skill to perform their duties and responsibilities, Section 30 of the IRR of RA 10742 further mandates the conduct of a **mandatory training for all newly-elected SK officials and LYDC members before they can assume office and attend continuing training programs during their incumbency.**

With the recent election of the SK Panlalawigang Pederasyon Officers of the province of Isabela, which took place 30 days after the SK elections, the provincial government, in its commitment to go beyond compliance to the mandates of the law, and as a consistent ally of the Kabataang Isabeleños in championing youth development, shall be conducting the **6<sup>TH</sup> PROVINCIAL YOUTH SUMMIT** with the purpose of **electing new members and reorganizing the Council NAGKAISA – Provincial Youth Development Council, conduct its mandatory training simultaneous with the first continuing training of the newly-elected SK Pederasyon Presidents in Isabela,** and nurture a team spirit within and between the new generation and breed of Isabeleño youth leaders.

the fulfilment of their duty as the primary representative of the youth in local governance and in the halls of legislation.

With this, the provincial government of Isabela, in coordination with the Department of the Interior and Local Government – Isabela, desires to ensure that the Pederasyon Presidents, who shall be in a close working relationship with the province, shall assume their posts with an in-depth understanding of their functions and responsibilities.

Among the subjects to be discussed is the (1) Philippine and Provincial Youth Development Plan for alignment in their LYDP, CBYDP, and ABYIP; (2) Pertinent Forms like the Katipunan ng Kabataan (KK) Profiling and the DILG Monitoring and Evaluation Forms; (3) Budgeting, specifically the process and steps in opening an independent SK Account; (4) Resolution Writing; and, (5) Parliamentary Procedures.

#### **4. SK-PYDC Team Building Activities**

The SK, particularly the Pederasyon Presidents, and the members of the Council NAGKAISA – PYDC are two of the primary and core representatives of the youth in governance who were granted the ability and influence to propose policies on youth development. In the province, these organizations are the planning, implementing, and monitoring bodies for youth development programs and projects for the Kabataang Isabeleños.

The provincial government, through the PYDO, deemed it necessary for the SK Pederasyon Presidents and PYDC Members to form and establish a bond and camaraderie as early in their incumbency as possible. With this, the provincial government aims to create an efficient working relationship among youth leaders for the benefit of the Isabeleño Youth.

#### **5. SK – PYDC Joint 4<sup>th</sup> Regular Quarterly Meeting**

During the latter part of the Provincial Youth Summit 6.0, the SK Pederasyon Presidents and the Council NAGKAISA – PYDC shall convene for its Joint 4<sup>th</sup> Regular Quarterly Meeting – their first official meeting as new SK Officials and PYDC Members.

Among the agenda of the meeting shall be the formal and ceremonial turnover of the accomplishments of the previous Council through the out-going SK Panlalawigang Pederasyon President to the new SK Panlalawigang Pederasyon President and presiding officer of the Council NAGKAISA – PYDC.
