

INTRODUCTION

The Philippine Constitution provides that "the state recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, spiritual, intellectual and social well-being. It shall indoctrinate in the youth patriotism and nationalism; and boost their involvement in public and civic affairs."

The enactment of the Sangguniang Kabataan Reform Act of 2015 (Republic Act 10742) strengthens the active involvement of the youth in many government and civic activities. The reform law and the existing Youth for Nation-Building Law (Republic Act 8044) are now the most important laws that promote the empowerment and development of the youth in the country. Through the empowered Sangguniang Kabataan, the youth now has an active venue and safe space to express their opinions and ideas, develop skills and potentials and further their rights and welfare.

While the Provincial Government of Isabela thru the leadership of Governor Faustino G. Dy, III and Vice-Governor Antonio T. Albano, has since been a champion of the youth's rights and welfare through its pro-youth advocacies and initiatives such as the provision of its biggest and most comprehensive provincial scholarship program Bojie-Rodito Opportunities for Education (BRO-Ed) now numbering 16,000 scholars, conduct of capacity-building programs and activities, and the like, these initiatives need to be unified and institutionalized to best serve the most dynamic sector of the Isabela citizenry – the *Nagkakaisang Kabataang Isabeleños*.

Hence, adhering to both the call and the mandate to continue championing the welfare of the Isabeleño youth, the PGI on its 2018 General Annual Appropriations has included a budget allocation for the creation of the Provincial Youth Development Office under the Office of the Governor. The Isabela PYDO that formally started on April 30, 2018 aims to ensure that Kabataang Isabeleños development and all programs, projects, activities and opportunities for them are anchored on the nine centers for participation outlined in the Philippine Youth Development Plan 2017-2022, which are as follows: (1) health, (2) education, (3) economic empowerment, (4) social inclusion and equity, (5) peace-building and security, (6) governance, (7) active citizenship, (8) environment and lastly, (9) global mobility. The office shall therefore serve to help increase the youth proactive participation and self-awareness. To this end, this intervention of the provincial government will effectively help every *Kabataang Isabeleño* reach their dreams and aspirations.

MISSION STATEMENT

The Isabela Provincial Youth Development Office seeks to create and ensure the 'Kabataang Isabeleños' proactive role and participation in nation-building and in championing their right towards health, education, economic empowerment, social inclusion and equity, peace-building and security, governance, active citizenship, environment and global mobility.

VISION STATEMENT

The **Isabela Provincial Youth Development Office** envisions an active, participative and self-aware 'Nagkakaisang Kabataang Isabeleño' whose dreams and aspirations are anchored on integrity, compassion and distinct sense of youth patriotism, aiming to this end as productive members of Isabela citizenzry.

OBJECTIVES

To register and verify youth and youth-serving organizations to the

Youth Organization Registration Program-Isabela (YORPi) and serve as secretariat

and provide technical assistance to the

Local Youth Development Council (LYDC).

To create a venue where *Kabataang Isabeleños* can actively participate and realize their roles and responsibilities in nation, peace and security-building through a program called **D**evelopment projects, **I**nnovative programs, **T**ransformative activities and **O**pportunities for **Y**outh of Isabela (**DITOy ISABELA**).

To proactively provide technical support thru capacity-building and youth empowerment seminars and trainings to Kabataang Isabeleños thereby making them active partners of the provincial government in implementing its programs, projects and activities.

YOUTH ORGANIZATION REGISTRATION PROGRAM OF ISABELA

1. PROGRAM OVERVIEW

An original program of the National Youth Commission (NYC), Youth Registration Program or YORP simplifies the registration procedure of youth and youth-serving organizations to ensure access and participation to the government youth-initiated programs nationwide.

Pursuant to Republic Acts 10742 and 8044, the Isabela Provincial Youth Development Office in coordination with the National Youth Commission localized the youth registration to fit to the needs of *Kabataang Isabeleños*. The program is designed to assist and support prospective youth organizations in the province by helping and facilitating them in registering under their municipality/city and even in the province. The registered youth and youth-serving organizations shall then compose the members of the Local Youth Development Council with the SK Federation President and Vice-President as core members which shall be convened through an election facilitated by the Local Youth Development Office. The LYDC shall formulate the Local Youth Development Plan which shall be the basis of crafting the three-year Comprehensive Barangay Youth Development Plan (CBYDP) and the Annual Barangay Youth Investment Plan (ABYIP).

2. OBJECTIVES

The YORPi aims to:

- 2.1. Encourage *Kabataang Isabeleños'* participation in all of the Isabela Provincial Youth Development Office plans, programs, projects, activities and other opportunities by registering and verifying youth and youth-serving organization.
- 2.2. Establish communication network among 'Kabataang Isabeleños' and other youth development stakeholders.
- 2.3. Establish a youth and youth-serving organizations directory in Isabela that would disseminate updates on youth-related programs, projects and activities and would provide a structure that links youth and youth-serving organizations together.

3. POLICIES AND GUIDELINES

3.1. The Youth Organization Registration Program of Isabela is pursuant to **RA 10742**, otherwise known as the **Sangguniang Kabataan Reform Act of 2015**. It is the official

- **3.2.** program for the *Kabataang Isabeleños* in registering youth and youth-serving organizations in province.
- 3.3. YORPi is also pursuant to the Executive Order No. 438, series of 2015 which provides for the NYC to monitor implementation of the Medium-Term Youth Development Plan (MTYDP 2005-2010), in coordination with concerned agencies. As part of monitoring, registered youth and youth-serving organizations shall now have a privilege of requesting assistance from the provincial government consistent to its set of policies and guidelines.
- 3.4. Pursuant to the approved Resolution No. 127, Series of 2011, the YORPi shall also serve as the Isabela Youth Sumbungan (IsYouS) Desk which shall assist the youth and youthserving organizations in answering possible complaints, concerns and violations among their ranks.

II. PROJECT BACKGROUND and RATIONALE

Disaster risk and climate change are some of the pressing issues that communities have to deal with. According to the United Nations, the Philippines belongs to the top five countries which are most exposed to multi-hazards and most vulnerable to the effects of climate change. Government agencies and other sectors are incessantly providing measures in pursuit of Disaster Risk Reduction and Management (DRRM) and Climate Change Adaptation (CCA). Addressing these issues is not the sole responsibility of the government but of every member of the community.

The enactment of the Sangguniang Kabataan Reform Act of 2015 (Republic Act of 10742) reaffirms the role of the youth in nation-building as so provided by the Constitution. The reform law and the Philippine Youth Development Plan (PYDP) explicitly provide mechanisms and opportunities to realize the meaningful and active participation of the youth in all government programs, projects and activities. The new Sangguniang Kabataan is now a venue to strengthen the awareness of communities in the cause of disaster risk reduction and management and climate change adaptation. The ranks of the youth, dubbed as 'millennials' in this generation, are considered as very powerful partners as information can be accessed at the tip of their fingers due to the advent of modern technology. They are the nation's potent arms of the government in solving the problems that derail communities in achieving growth and development.

The Provincial Government of Isabela and its DRRM council, a three-time Gawad Kalasag awardee conferred by the Office of the Civil Defense and the Department of the Interior and Local Government, since time immemorial, has been successful in tapping the support and participation of the youth in almost all of its DRRM and CCA initiatives. In particular, Isabeleno youth served as volunteers, forecasters and effective channel of information before, during and even after disasters through their social media accounts and cellular phones. The annual conduct of the Provincial Youth Summit has institutionalized the participation of the youth sector in the PDRRMC. Through the summit, four youth representatives were identified and formally recognized as members of the council.

During a special meeting of the PDRRMC on June 08, 2018, one of the activities contemplated by the provincial government in celebration of Disaster Consciousness Month on July 2018 is to convene all youth leaders in the province and capacitate them with the fundamentals of disaster preparedness. In order to achieve this aim, a DRRM summit for Isabeleno Youth, is deemed necessary.

Activity : LINGGO NG KABATAAN 2018

"DITO sa Isabela, May Makabuluhang Puwang ang Kabataang Isabeleño"

Date : August 2018

OBJECTIVES

The **Linggo ng Kabataan 2018** will help the youth of Isabela to develop and advance their own 'safe spaces'. Specifically, it aims to:

- 1. Involve the youth in civic engagements that will help them to participate and cooperate in governance and leadership.
- 2. Educate the youth in their roles and responsibilities on the society so that they can perform using the learnings on the said training.
- 3. To inculcate the spirit of volunteerism and compassion towards others through channels like tree planting and outreach program.

NARRATIVE

August is considered as the youth month celebrated internationally. Its purpose of celebration is focused in empowering and elevating the role of the youth in nation building. The LnK 2018 celebration of the provincial government is conducted thru the Office of the Sangguniang Kabataan Panlalawigang Pederasyon President and the Provincial Youth Development Office initiating various activities. First part of the celebration is the conduct of SK-LYDO Training on Convening the LYDC-YORP, and Crafting the LYDP, CBYDP and ABYIP with the National Youth Commission Asec. James Ceasar Ventura serving as the Guest of Honor and Resource Speaker. It was attended by 36 Sangguniang Kabataan Federation Presidents and 32 Local Youth Development Officers of different municipalities and cities, and 20 representatives from different Youth and Youth-Serving Organizations.

Asec. Ventura stressed his discussion on the nine centers of Philippine Youth Development Plan (PYDP) which are: Education, Health, Environment, Active Citizenship, Economic Empowerment, Peace Order and Security, Governance, Social Inclusion and Equity, and Global Mobility. He left with an imperative statement, "Wag tayong makuntento na nasa opisina lang, makisalamuha sa mga kabataan para alam mo kung ano ang gusto nila."

The week-long activity was followed by a Blood Letting Activity accentuating its program name: "Dugong Kabataang Isabeleño" held at GFNDy Provincial Hospital. One hundred eighty-two (182) college students and youth volunteers from different Local Government Units (LGUs) have participated. At the end of the activity, 88 bags of blood from able donors were collected.

The last day of its celebration was dedicated in an Outreach Program: "A Day with the Children" for the children and indigenous people of Barangay Tupa (San Vicente), San Pablo. The SK Provincial Federation President Dax Paolo C. Binag, 18 SK Federation Presidents and 15 Local Youth Development Officers of different municipalities and cities, PYDO staff, and other youth volunteers participated in the outreach activity. The program started with a welcome address of SK President Binag.

Overall, the LnK 2018 is indeed a successful event with meaningful activities. It is just the beginning of its continuous active participation of Kabataang Isabeleño in rendering service in the community. This celebration will be conducted annually as it is envisioned to uplift the rights and responsibilities of every youth.

Safe spaces such as civic space enable them to engage in governance issues, opportunity to participate in leisure activities, and the like.

In cognizance, Republic Act 10742 also provides that every Local Government Unit shall conduct an annual activity to be known as the **Linggo ng Kabataan** on the week where the 12th of August falls to coincide with the International Youth Day.

The Provincial Government of Isabela, in coordination with the SK Panlalawigang Pederasyon, the League of Local Youth Development of Isabela, as champion advancing the welfare and development of 'Kabataang Isabeleños' aims to conduct the Linggo ng Kabataan and be part of this year's program for the development of the youth. NARRATIVE

The Provincial Government of Isabela through the leadership of Governor Faustino G. Dy III, Vice Governor Antonio T. Albano and through the collaboration of the Isabela First District congressman Rodolfo T. Albano III, Office of the Sangguniang Kabataan Provincial Federation, Provincial Social Welfare and Development Office, Department of the Interior and Local Government of Isabela, and the Provincial Youth Development Office recently concluded the 3rd Provincial Youth Summit 2018 held at Piazza Zicarelli Hotel and Restaurant, Upi, Gamu, Isabela on December 17-18, 2018.

The summit urges Isabeleño Youth to stand as an ideal and an empowered Kabataang Isabeleño. They gathered to engage the young ones in noteworthy activities set to inspire the Isabeleño Youth for a Bolder, Resilient, and Outstanding Isabela. The 3rd provincial youth summit is indeed one of the successful events of the Province of Isabela with 305 total number of participants from the different cities and municipalities of the province.

On its third year, the first day of the event was filled with activities. It started with the Election and Convention of the Local Youth Development Council and the simultaneous conduct of the Mandatory Training of Newly Elected LYDC Members and various competitions. DILG and the PYDO presided over the Election and Convention of the LYDC Members. Organizations with different advocacies participated the election and were given the chance to voice out their advocacies as an organization. After the presentation of the different organizations, everyone practiced their right to vote and choose among the organizations the deserving ones who will be given the opportunity to have a seat in the council. Right after the election the newly elected members of LYDC immediately proceed for the Mandatory Training.

The SK-LYDO-LYDC Mandatory Training and various activities such as quiz show and debate happened simultaneously. DILG Isabela Provincial Director Engr. Corazon D. Toribio delivered her opening remarks as the mandatory training started. The training had four sessions. The first session entitled Decentralization and Local Governance was discussed and elaborated by Mr. Michael Angelo L. Benigno of DILG followed by Atty. Jann Victor D. Fermin III who talked about the SK History and Salient Features of RA 10742. For the 3rd session, Meetings and

Resolutions, Atty. Cezar Elvin A. Secolles from the Provincial Legal Office led the discussion. Ms. Elsa M. Pastrana, the Provincial Budget Officer tackled Planning and Budgeting and for the last session, the Code of Conduct and Ethical Standards was discussed by Provincial Administrator, Atty. Noel Manuel R. Lopez with his heartfelt morals in life.

Concurrent to this was the quiz show administered and judged by Isabela Tourism Officer Dr. Troy Alexander G. Miano and participated by the different schools, cities and municipalities of the Province and showcased their wits as they conquered the questions thrown to them about history, politics, tourism, economy, and current events in the province. After which, the very first Federalism debate in the province started and participated by two schools namely, Isabela State University-Ilagan Campus as the affirmative team and Philippine Normal University-North Luzon which played the opposition. After the multiple activities, the participants had a great night watching the participants in the Spoken Poetry Contest.

The last day of the activity have shown that the summit was served as a venue of the provincial government to give recognition to Outstanding Isabeleño Youth and Youth Organizations during the Governor Faustino G. Dy III Gawad Ulirang Kabataan Awards. Prior to the awarding, one of the highlights of this event, the BRO Talks was held wherein participants got the chance to have a one on one interview with Governor Faustino G. Dy III, Isabela first district Congressman Rodolfo T. Albano III, together with LNB National President Faustino "Inno" A. Dy V.

The oath- taking ceremonies for the newly-elected members of the Council NAGKAISA were administered by the province's 1_{st} District Congressman Rodito T. Albano III during the latter part of the 3_{rd} Provincial Youth Summit. It was followed by giving recognition to the winners of the different contested activities.

The 3_{rd} Provincial summit is indeed a meaningful event strengthening youth active participation and a continuing avenue to recognize youth efforts and excellent leadership.

Activity : SANGGUNIANG KABATAAN PANLALAWIGANG PEDERASYON

ORIENTATION AND ELECTION

Date : June 6-7, 2018

Venue : Piazza Zicarelli Hotel and Restaurant, Upi, Gamu, Isabela

FNDy Sr. Hall, Isabela Provincial Capitol, Alibagu, City of Ilagan, Isabela

Participants : Sangguniang Kabataan Panlungsod and Pambayang Pederasyon

Presidents of different municipalities and cities

OBJECTIVES: • To orient the SK Federation Presidents about the legal basis of the SK

Pederasyon and SK Panlalawigang Pederasyon powers, elections,

procedures, and functions.

• To elect the set of officers for the Sangguniang Kabataang Panlalawigang

Pederasyon.

NARRATIVE

After five long years of being inactive, the Sangguniang Kabataan was reborn through Republic Act 10742 or the SK Reform Act of 2015. A new era for youth leadership has rolled out to stand strong on the newer perspectives, objectives, and challenges set by the law. This is to rectify the mistakes of the past to raise an effective, responsible, and meaningful participation of the youth.

The SK Pederasyon Orientation was participated completely by the SK Federation Presidents of 34 municipalities and 2 cities. It served as a gateway to better understand the cost of their position.

The activity started with a message of the Provincial Director of the DILG Isabela, Engr. Corazon D. Toribio, CESO V. First session of the orientation was all about the legal basis of the SK Pederasyon and SK Panlalawigang Pederasyon powers, elections, procedures, and functions discussed by Mr. Jeff Canapi of DILG Isabela. Paulo Benigno Aquino IV about the important matters relative to the engagement of youth and a broad discussion on the five features of SK Reform Act of 2015. He called this era as the new breed of youth leadership and gave a humble suggestion, "spend a lot of time, be very serious to find out, kung ano ba talaga yung top items na issues ng ating mga kabataan".

After his speech, the election was conducted with the member of Board of Election Supervisors headed by the Provincial Director of the DILG Isabela, Engr. Corazon D. Toribio, Ceso V, together with the Provincial Election Supervisor, Atty. Manuel J. Castillo Jr., the Sangguniang Panlalawigan Secretary Manuel R. Santos and the former LMB President Rogel Ballag. It was assisted by the panel of observers from different civil organization supervised by the Acting Provincial Director of PNP Police Senior Supt. Mariano c. Rodriguez with the

representative of Tumauini National High Schoool, their principal, Sr. Fabio M. Macalling Jr. and the chapter president of the MBMG, Milagros A. Calimag.

Governor Faustino G. Dy III administered the oath taking of the newly elected SK Provincial Federation Officers. He acclaimed the oneness displayed by the SK Presidents, "Simula pa lamang ng inyong samahan ay mayroon ng tiwala sa bawat isa... hindi lang sa ganito tayo magsasama-sama kung 'di marami pa pong mga pagsubok at hamon an gating pagsasamahan para lalo pa po nating maitawid ng mas maganda ang kinbabukasan para sa ating lalawigang Isabela".

DILG Isabela Provincial Director Engr. Corazon D. Toribio, CESO V delivering her inspirational message to the SK Federation Presidents and help them feel the weight of their responsibilities that are to inspire and lift the Kabataang Isabeleños.

Provincial Administrator Atty. Noel Manuel R. Lopez never fails to put into the souls of the SK Presidents the 'heart of leadership' that lies beyond the traditional approach and comes from unboxing the basic tenets of governance that are followership, love from others and youth patriotism.
