## **ACCOMPLISHMENT REPORT**

For the Period January to December 2018

### **MISSION**

The Cauayan District Hospital shall commit itself to the **MISSION** of continually responding to the healthcare needs of the City and its environs, particularly by providing the best available **STRUCTURE**, excellent management of technical **PROCESS** and acceptable health status **OUTCOME**.

This mission is both a vocation and a legacy that draws from and is deeply rooted in the power of Jesus Christ, the **GREAT HEALER**.

### **VISION**

In order to be more responsive and effective to the changes and challenges of times and to the constantly increasing demands for affordable healthcare services from our clientele, the Cauayan District Hospital hopes to be operational by the year 2018 as seventy-five (75) bed capacity hospital. This is to conform to Republic Act 7213 as approved by the Philippine Congress on March 6, 1992.

It also envisions to acquire and to hire all the necessary equipment and manpower requirements respectively, together with the necessary funding requirement to effectively operate as such based on existing Department of Health and the Philippine Health Insurance Corporation Standards.

The Cauayan District Hospital is a government owned and operated hospital under the leadership of Hon. Faustino “Bojie” Dy III, Provincial Governor, Isabela. It is a Level 1 / Primary Care Hospital as to D.O.H service capability and a Center of Safety as per P.H.I.C. accreditation. It’s Authorized Bed Capacity (ABC) is 50 beds while it’s Actual / Implementing Beds is 115 beds.

Cauayan District Hospital is a Philippine Hospital Association member of good standing, PhilHealth (PHIC) and Regional Committee on Affiliation and Training of Students and Animal Bite Treatment Center accredited.

### **ACCOMPLISHMENT REPORT**

#### **III. POLICY STANDARDS AND REGULATIONS:**

- The Cauayan District Hospital is a member of Philippine Hospital Association in good standing
- It is also a DOH Licensed Primary Level 1 health facility and PHIC Center of Safety Accredited 50 Beds
- CDH is also an (RCATS) Accredited Health facility
- All other important and relevant requirements necessary for the issuance of the above license and accreditations are regularly and sufficiently complied.
- ABTC Accredited

#### **IV. GOVERNANCE:**

- The usual practice with the discretion of the Chief of Hospital, like all other Provincial Government owned and operated hospitals, a portion of the hospital income was utilized for the purchases of Drugs, Medicines and Medical Supplies but has to pass the usual accounting and auditing procedures. Trust Fund utilization has been suggested but has yet to be considered.
- Such a practice or system might help avoid finger pointing every time there occurs lack of medicines and hospital supplies, and most often than not, it's the COH who suffers all the blame as well as the consequences.

#### **V. HUMAN RESOURCES FOR HEALTH**

- Additional contractual Nurse/Nursing Attendant has been hired to provide additional manpower requirements for our understaff nursing service. Additional Volunteers were also given much needed experience to prepare some of them if fortunately hired as contractual after six months.
- Forty Five (45) additional positions were requested to conform with the 75 bed capacity.
- Cauayan District Hospital now has 11 Medical Officers to provide much needed medical services to our clientele.
- Two (3) Medical Officer, Two (2) Contractual Medical Technologists One (1) Med Tech Aide, One (1) Rad. Tech Aide, One (1) Pharmacist to help cater increasing number of patients.
- There are more than 100 different Medical, Specialists who are under MOA with the Provincial Government - Provincial Health Care Program to provide much needed specialists care to our program members.

#### **VI. HEALTH INFORMATION:**

- The establishment of Philhealth – Hospital Information and Claims System (PHICS) and Internet connection for the hospital improves communication to other government agencies in terms of sending and receiving report thru the use of e-mail. The PHICS also provides faster look-up on patient Member's Data Record from the E-Portal System of Philippine Health Insurance Corporation.

**CAUAYAN DISTRICT HOSPITAL**  
*Cauayan City, Isabela*

The Cauayan District Hospital, formerly known as Don Mariano Rubio Marcos General hospital is strategically located at Barangay Prenza, District 1, Cauayan City, Isabela, about 500 meters away from the National hi-way, is a Government owned and operated hospital. It is primarily intended to serve the 3<sup>rd</sup> District of Isabela but not limited to the other three (3) Districts of the Province. Its catchment municipalities include Luna, Reina Mercedes, Ramon, Cabatuan, Cauayan City, Naguilian, Angadanan, Alicia, Palanan, San Guillermo, Aurora, San Mateo, San Mariano and Benito Soliven. Among the four (4) District Hospitals in the province, Cauayan District Hospital is next or second to the Gov. Faustino N Dy Memorial Hospital as to the number of patients served annually.

Our Annual Statistical Report will show a very remarkable increase in our Bed Occupancy Rate (BOR) for the past 5 years.

<u>Year</u>	<u>Bed Occupancy Rate</u>	<u>Daily Average No. of Patients</u>	<u>Total In-Patients Surgeries</u>
2014	161.06%	81	463
2015	160.13%	80	247
2016	163.60%	82	229
2017	159.75%	80	208
2018	147.59%	74	584

The above figures could be reflected to the joint leadership of the Dy-Albano Administration focusing their concerns to the Health of the People of Isabela with their program, the “BRO Isabela Provincial Healthcare Program”, which provides affordable and accessible quality health services.

Strengthening the Provincial Government’s campaign for a Healthy Isabela, Private Doctors practices their specializations in our government hospitals thru a Memorandum of Agreement. They unselfishly committed themselves to help improve the government’s health care delivery system.
