TREE PLANTING

A group of about 15 individuals, predominantly women, are posed for a photograph outdoors. Most are wearing face masks in various colors like blue, white, green, and black. They are arranged around a long purple table or banner. The banner features the text "RESBAKUNA KASANGGA NG BIDA" in bold, colorful letters, and below it, "3. ASSESSMENT" in large white font. Some individuals are seated at the table, while others stand behind them. In the background, there's a building with large glass windows and a yellow wall. A small white clock on a stand is visible near the center of the group.
