Series of 2020

TO : ALL LOCAL CHIEF EXECUTIVES

From : 
RODOLFO T. ALBANO III
Governor

Subject : As Stated

Date : January 29, 2020

To intensify our efforts regarding the crackdown on illegal and unauthorized gambling activities in the province by virtue of Executive Order No. 61-2019 and Memorandum No. 15 Series of 2020 issued by the undersigned, there is a need to add to our database informations pertaining to the following:

1. Name of STL operators and their operation headquarters/place of betting in your area of responsibility, if there's any;
2. Do these STL outlets operate with permit or without permit from your LGU;
3. If yes, how much they are paying the local treasury?

Having this firsthand information is vital for the creation of action plans to curb the proliferation of illegal gambling activities in the entire province through the Isabela Task Force on Anti-Illegal gambling (ITF-AIG). Kindly submit your reply to the Office of the Provincial Governor on or before February 7, 2020.

Your preferential attention regarding this matter is hereby enjoined.
