**RE :** As Stated

**DATE :** June 19, 2020

**Cc :** Dr. Rio L. Magpantay, Director IV DOH- CVCHD

The Department of Health (DOH) will conduct a study regarding the implementation of *Republic Act No. 7305 or the "Magna Carta of Public Health Workers in the Philippines"* and its *"Revised Implementing Rules and Regulations"*.

For this endeavor, the DOH had commissioned **ACCESS Health International** to carry out the study which focus on *"Determining the Implementation of Status of Benefits under the Magna Carta of Public Health Workers in the Philippines"*, and will require the participation of Local Government Unit (LGU) officials and personnel who have direct involvement in the administration and management of public primary health care facilities. To effect the needed study and as requested by the DOH, this office hereby endorsed these activity for your appropriate response and reception. A copy of the request letter from DOH Cagayan Valley Center for Health Development is hereto attached for your reference.

Considering the benefits that our public health workers will derived from these initiative, the undersigned hopes that this endorsement merits your favorable support.

Thank you and Mabuhay.

  
RODOLFO T. ALBANO III  
Governor
