Monitoring and Inspection:

On January 09 & 10, 2025, in compliance to Executive Order No. 28 and Memorandum No. 13 series of 2024, this office monitored and inspected the offices/departments under Provincial Government of Isabela, and food court to sustain the solid waste management practices of the different departments, and establishments particularly to those non-conforming offices. These are the observations, to wit:

- Some of the people working at the food court were not aware in the segregation of different classification of wastes.
- Other responsible employees are following the regular schedule of waste disposal at the ENRO RCA.
- The garbage collector is always collecting the wastes of Provincial Jail Office without data recorded at ENRO-RCA.
- The wastes at the food court are still improperly segregated despite on the orientation in RA 9003 otherwise known as the Ecological Solid Waste Management Act of 2000 conducted last February 2024.
- Some offices are not disposing their wastes regularly.
- Other employees are brought their waste/s at home.
- Some utility workers needed to remind their attention before disposing their generated wastes.
