

CANTOR'S GIANT SOFTSHELL TURTLE TURNED-OVER TO ISEP-TF

By: MARLON B. PACCARANGAN, ENR Office Information Officer

Above photo shows the endangered **Cantor's Giant Softshell Turtle** found in Antagan River, Brgy. Antagan, Tumauni, Isabela.

On February 6, 2014, a couple named Mr. & Mrs. Faustino Lacambra, residents of Brgy. Bantug, Tumauni, Isabela informed the Provincial Governor, Hon. Faustino G. Dy III regarding the existence of a giant turtle known as the "Cantor's Giant Softshell Turtle" under their custody. The Governor then endorsed the matter to For. Geronimo P. Cabaccan, Jr., ENR Officer who then dispatched a team and proceeded to the location mentioned above where the couple (Mr. & Mrs. Lacambra) turned-over the turtle to the ISEP-TF for custody and safekeeping prior to turn-over to the appropriate agency.
