Dear Sir:

Greetings!

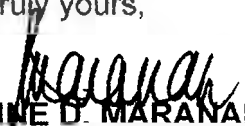

Pursuant to DILG Memorandum Circular No. 2023-154 dated October 20, 2023 with the subject, Museum and Galleries Month (MGM) CY 2023 Celebration with the theme "Exhibits and Reflections: Crafting Opportunities for the New World, we are respectfully submitting the activity report for the month-long event of Isabela Museum and Library dubbed as "Paglikom sa Kayamanan ng Lahi: Pamana at Kultura ng Isabela sa Bagong Normal" showcasing Isabela's rich cultural heritage to promote and preserve the material culture of Isabeleños thru an exhibit.

For two consecutive years, the Province of Isabela submitted activities to NCCA – MGM and our seal was included in their promotional posters and videos. The Facebook Page and other social media platforms of NCCA features the month-long celebration of different museums and galleries in the entire country.

Attached, please find the photos and the NCCA poster including the Isabela Seal for the just concluded MGM Celebration.

For your information, we remain.

Very truly yours,
