

	OFFICE OF THE PROVINCIAL AGRICULTURIST	JANUARY
		MONTH
	Accomplishment Report	2023
		YEAR

PROGRAM/ PROJECT ACTIVITIES	BRIEF DESCRIPTION	ACCOMPLISHMENT																																																														
I. RICE DEVELOPMENT PROGRAM AND SERVICES																																																																
a. Seed Assistance Program	DA-PLGU Collaborative Project. Commitment of individual seed accredited seed growers to provide certified seeds for buffer seed and stocking	As of January 2023, for Dry Season (DS) crop 2022-2023 a total of 97 local Seed Growers (SG) planted an area of 811.16 hectares for Registered to Certified inbred seeds production and 5 hectares for Foundation to Registered seeds with 5 seed growers. Varieties Planted in the Seed Production were as Follows:																																																														
a.1 Seed Production		<table><tr><th rowspan="2">Variety</th><th colspan="2">SEED CLASS PLANTED (ha)</th><th rowspan="2">G. b.Technology Demonstration	<p>PLGU Funded. Initiated project of PLGU in collaboration with MLGU</p> <p>Support to Rice Production with goal of "Masaganang Ani Mataas na Kita"</p>	<p>The established techno demo was monitored regularly by the team. Application of fertilizers was done following the recommended rate, following the right timing and kind of fertilizers based on soil analysis. The crops are on its tillering to stem elongation stage with good crop condition.</p>
b.1. Technology Demonstration on Rice Production through Farm Mechanization	<p>Establishment of Technology Demonstration showcasing Direct Seeded Rice with the use of drum seeder and also serve as the learning field.</p>	<div data-bbox="748 424 1393 666" data-label="Image"> </div> <p>At Libertad Echague, Isabela</p> <div data-bbox="735 747 1404 943" data-label="Image"> </div> <p>At Dipangit, Jones, Isabela</p>
b.1.1. Season-Long Farmers' Field School	<p>PLGU Funded. Initiated project of PLGU in collaboration with MLGU a combination of lectures and hands-on training for farmer-participants to enhance their capacity and farming practices</p>	<p>Prior to the start of the Farmers Field School (FFS) the facilitators conducted the profiling/benchmarking at the two FFS sites. A total of 55 Participants (25 at Libertad, Echague and 30 at Dipangit, Jones) were interviewed. Most of the participants are male with an average age of 30-65.</p> <div data-bbox="781 1421 1360 1698" data-label="Image"> </div> <div data-bbox="724 1704 1417 1878" data-label="Image"> </div> <p>Launching of the Techno Demo and Seasonlong Training/Farmers Field School at the two FFS sites at Brgy. Libertad, Echague and Dipangit, Jones were successfully conducted. A total of 25 Participants from Libertad, Echague and 30 Participants from Dipangit Jones attended and participated in the said activities. It was attended and graced by representative of the Municipal Mayors of each municipality, representatives from SL Agritech & Atlas</p>

b.1.2 Provincial
Rice

Fertilizer Corporation and facilitators from OPA and MLGUs. The participants committed to attend and finish the training after the discussion of the program. This activity aims to showcase techno demo on rice production through farm mechanization and enhance the capability of the rice farmers on rice production. The program ended with planning of activities for the succeeding weeks.

At Barangay Dipangit, Jones, Isabel

Barangay Libertad, Echague, Isabela

Just after the launching activities, the weekly sessions at the two Farmers Field School (FFS) sites at Brgy. Libertad, Echague and Dipangit, Jones were regularly conducted. As of this month, activities conducted during the sessions were as follows: Pre- Test, Leveling of Expectations, norm settings, groupings, discussion and conduct of the first Agro Ecosystem Analysis (AESAs), discussion of growth phases and stages of the crop and special topic on Rat Management.

At Libertad, Echague, Isabela

At Dipangit, Jones, Isabela

Technical staff from OPA conducted the regular weekly meetings at the 2nd season of the Provincial Rice Technology Forum (PRTF) site together with the DA-RFO2, LGU Roxas and Private Fertilizer and Seed Companies at

Technology Forum (PRTF)	Collaborative Project of PLGU with DA-RFO, MLGU and Private Seed Companies A technology showcase in cluster farms of the different hybrid rice varieties and technologies	<p>Brgy. Nuesa,Roxas, Isabela. Matters regarding the status of crop establishment, issues and concerns and pest and diseases and their management were discussed.</p> <div></div>																																																			
c . Monitoring of Palay Price	Data collection of prevailing price per kilo of palay from the different commercial centers	Dry: 20.02/kg Wet: 15.23/kg																																																			
d. <div>II. INTERVENING ACTIVITIES</div> <div>a. Attendance and participation to Meetings/ Symposium</div> <div>b. Program/ Project Coordination and validation</div>	<div>To keep abreast of the programs/projects</div> <div>For smooth implementation of program/ project</div>	<div>Attended the Municipal/City Agriculturists Monthly Meeting at DA-CVRC. DA-RF02 staff discussed the updates and status of Fertilizer Distribution Vouchers (FDVs'). The Rice Program FY 2023 Programs and Projects based on General Appropriation Act (GAA) was also presented. Further, OPA Department Head presented the highlights of 2022 accomplishments and the 2023 approved Programs, Projects and Activities.</div> <div>Technical staff from OPA assisted in the distribution of Rice Farmers Financial Assistance (RFFA) in the different municipalities of Isabela. As of January 2023, more or less 9000 farmer-beneficiaries under Land Bank of the Philippines (LBP) availed from the said program. Each beneficiary received the amount of five thousand pesos cash.</div> <div></div> <div>Coordinated with the different municipalities regarding the list of Farmers' Cooperative and Associations (FCAs). The consolidated list of FCAs per municipality were sent through email to the DA-RFO2 as requested.</div> <div>Some staff also assisted in the distribution of cash assistance to tobacco Farmers.</div>
