

## 2022 KEY ACCOMPLISHMENTS

Provincial Cooperative, Livelihood, and Enterprise Development Office

*The Provincial Cooperative, Livelihood and Enterprise Development Office (PCLEDO) has been the premier technical and social services support arm of the Provincial Government of Isabela in the delivery of services to cooperatives and other multi-sectors, such as groups of professionals, farmers, fisher folks and the like and micro and small entrepreneurs in the province, to help them develop into becoming viable and responsive economic enterprises.*

### THE PCLEDO

In July 1992, Governor Benjamin G. Dy's priority thrust was the creation of the Provincial Cooperative Office (PCO) which eventually resulted in the creation of the Provincial Cooperative Officer. There were only three (3) regular personnel of the said office, namely: Provincial Cooperatives Officer, Cooperative Development Specialist (CDS) IV and CDS III. On the same year, the province organized a cooperative development council, the Isabela Provincial Cooperatives Development Council (then known as the Provincial Cooperative Advisory Council), prior to the issuance of Executive Order No. 95 & 96 of former president, Hon. Fidel V. Ramos.

The PCO is mandated to oversee the cooperative programs with emphasis on the promotion, organization, education, and development of cooperatives in the province, as per Republic Act No. 7160, otherwise known as the Local Government Code of the Philippines. Since its creation, the PCO has constantly accommodated numerous requests from multi-sectors, group of professionals, farmers, fisher folks, women, irrigators association and the like, to conduct cooperative orientations in the different municipalities, to include remote barangays.

With the provincial government's declared policy to support and strengthen the cooperatives development program and enhance cooperatives as institutions to promote savings consciousness and as vehicles that will provide entrepreneurs with capital, technology, and market, on 20 April 2001, through SP Resolution No. 0036 approving Ordinance No. 002, Series of 2001, the Provincial Cooperative Office was renamed as the Provincial Cooperatives Development Office.

Two decades after, on February 16, 2021, in Ordinance No, 2021-07-01, the PCDO was renamed to Provincial Cooperative, Livelihood & Enterprise Development Office (PCLEDO) reflecting the incorporation in its annual work plan the integration of cooperative concept in livelihood and community-based activities, the promotion, growth, and development of enterprises and opportunities for self-employment of individuals or their engagement in any preferred income-generating activities.

### A. COOPERATIVE DEVELOPMENT PROGRAM

Mandated to oversee the cooperative programs with emphasis on the promotion, organization, education, and development of cooperatives in the province, the Office received and processed requests relating to the following cooperative development programs: assistance in registration of various groups, and the provision of technical assistance and the conduct of mandatory trainings and seminars to existing cooperatives.

The program provided the beneficiaries emergency employment for a minimum of period of 10 days but not exceeding a maximum of 30 days depending on the nature of work to be performed. Mostly, beneficiaries performed tasks such as maintenance or cleaning of public facilities and infrastructures like schools, health centers, de-clogging of canals, and clearing of surroundings.

At the completion of the implementation of TUPAD 2 in 2021 and after successfully complying with the requirements for liquidation, the provincial government sent a letter of intent to DOLE for another implementation of the program. By the last quarter of 2021, the request of the provincial government was approved and a fund of 70,059,500.00 was awarded in December 2021 for implementation in 2022.

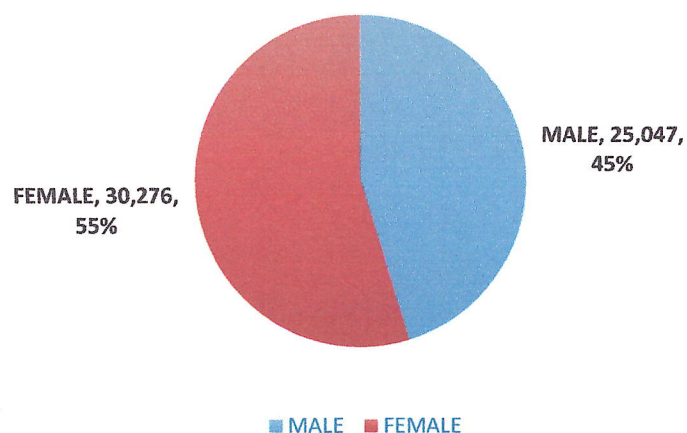

For the year 2022, the province registered the highest number of assisted TUPAD beneficiaries in the Region. A total of **18,935** beneficiaries for TUPAD 3 was implemented on the first quarter of 2022 with a total project cost of 74,149,460.00. #### 4.2. DOLE’s Integrated Livelihood Program (KABUHAYAN Program)

The Department of Labor and Employment’s (DOLE) Integrated Livelihood Program, otherwise known as the KABUHAYAN Program, is a grant assistance for capacity building on livelihood for the working poor, vulnerable, and marginalized workers, either for individual or group livelihood projects. The program seeks to contribute to poverty reduction and reduce vulnerability to risks of the poor, vulnerable, and marginalized workers by providing them access to livelihood undertakings.

In partnership with the Provincial Government of Isabela as its accredited co-partner (ACP), the convergence of DOLE’s Kabuhayan Program and the provincial government’s Livelihood Development Program aimed to aid community groups and individuals in developing them into a sustainable enterprise to enjoy a better and dignified quality of life.

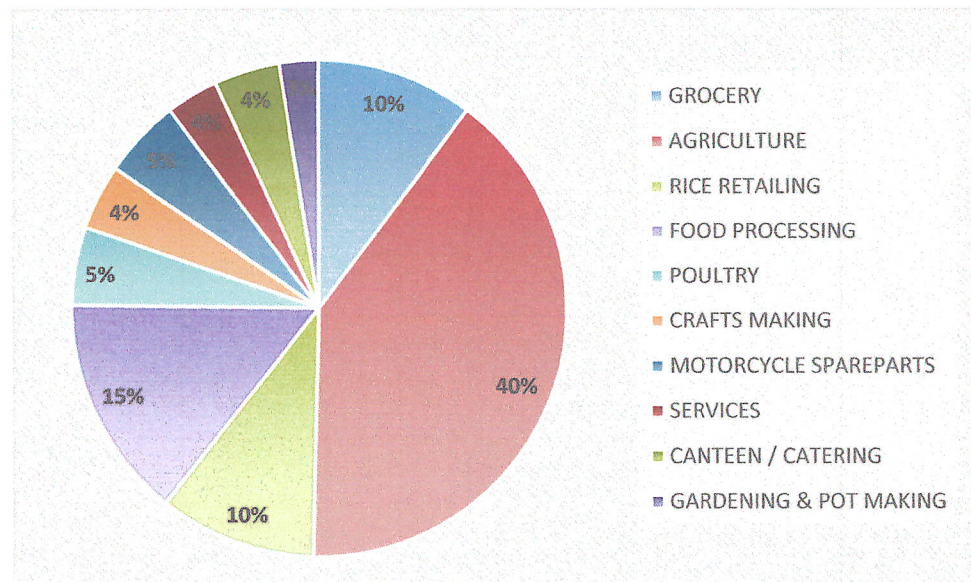

The provincial government of Isabela set the core of its thrust for the people of Isabela. With this, the provincial government has embarked on various programs and activities all aimed at strengthening and elevating the status of life of the Isabeleños. This is in line with the goal of the national government of inclusive growth particularly in contributing to poverty reduction and reduce the vulnerability to risks of the poor, vulnerable, and marginalized workers.

Hence, this convergence of initiatives allowed beneficiaries to take proactive actions that can improve their condition of living with less dependence on government. Moreover, the package of assistance of the program aimed to initiate undertaking that would enhance their income generating capacity amidst the threat of the persisting COVID19 pandemic and other economic challenges.

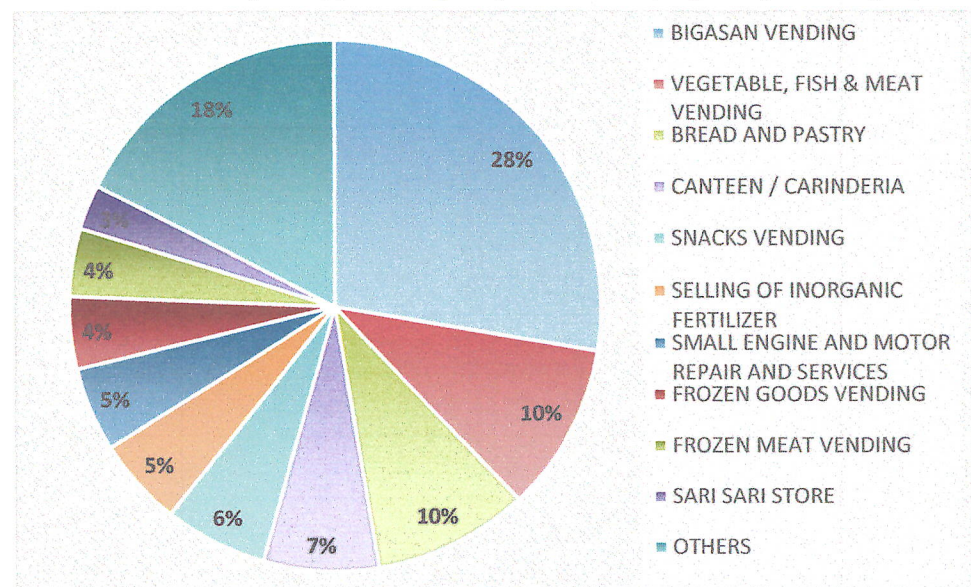

**Annex G** provides the list of beneficiaries with **117 associations** and **369 individuals**. The beneficiaries were pre-identified by the respective Local Government Units (LGUs) and were profiled by the DOLE – Isabela Field Office (DOLE-IFO) for validation. To equip beneficiaries with basic livelihood skills and the preparation of their respective project proposals prior the awarding of their livelihood assistance, a series of seminar-workshops were organized by DOLE – IFO in close coordination with the LGUs and the Provincial Cooperative, Livelihood and Enterprise Development Office (PCLEDO).

In compliance to Section 11 of DOLE's Department Order No. 173, Series of 2017, the approved livelihood projects were those that support the needs of workers, and the development needs of the community consistent with the priorities of the Local Development Plan, particularly the following: Agribusiness; Retail trade; Local-based industries; Support to tourism, and; Marketing and production (processed food, other products).

**C. OTHER ACCOMPLISHMENTS**

**1. Rice Subsidy Program**

Recognizing the role of every employee of the provincial government in the efficient delivery of services to the Isabeleños, a Rice Subsidy Program for the men and women of the PGI has continuously been implemented, a testament of the strong desire of the Honorable Governor and Hon. Vice Governor to uplift the living conditions of every Isabeleños through the essence of generosity.

The subsidy program aims to intensify support for the PGI employees having important roles to perform in facilitating opportunities to every Isabeleños. As one of the faces closest to the people, the employees are expected to demonstrate the highest standard of professionalism in the realization of the Quality Policy the PGI is committed to. As a reward for exemplifying said commitment, and as a tool to further inspire every employee, Governor Albano institutionalized the Rice Subsidy Program that provides additional non-cash incentives over and above the salary compensation of the employees.

Also included in the subsidy program are the barangay frontliners – Barangay Health Workers, Barangay Nutrition Scholars, and Barangay Day Care Workers. Also acknowledging the role of national line agencies as partners in the development and progress of the province, Governor Albano extended the program to national line agencies with offices in the province, which include the Department of the Interior and Local Government (DILG) and the Department of Labor and Employment (DOLE).

Hitting two birds with one stone, the program also aims to support the marginalized rice farmers of the province by buying the rice requirements directly from the local farmers, a testament of Governor Albano’s genuine concern for farmers.

In summary, from January to December 2022, **44,102 bags @ 20kgs** were distributed to PGI employees and personnel of DOLE – Isabela Field Office and Department of the Interior and Local Government (DILG) – Isabela Provincial Office; **83,568 bags @ 10kgs** for barangay frontliners; and **2,970 bags @ 5kgs** for Barangay Population Workers.
