VI. SEMINARS/ TRAININGS CONDUCTED

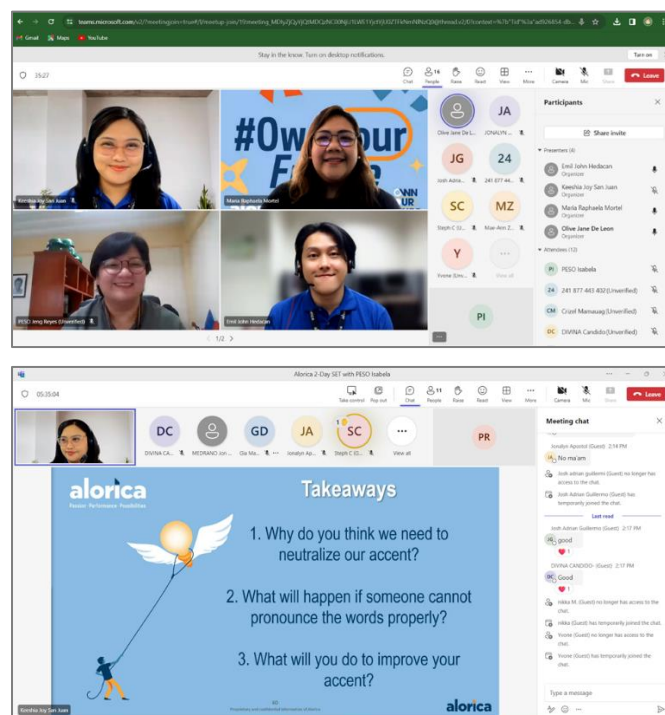

- 2-day Online Skills Enhancement Training (SET) in collaboration with Alorica Teleservices

Business Process Outsourcing (BPO) is one the fastest-growing industry in the Philippines, contributing significantly to economic growth, employment generation for both local & international, and income from foreign employers. BPO has become a major source of employment in the Philippines, providing jobs to millions of Filipinos across various skill levels.

Considering the growing demand for competent call center professionals, the Provincial Government of Isabela (PGI) through its the Provincial Public employment Service Office (PPESO) aims to empower Isabeleños with the essential skills and knowledge required for career success in the said industry.

Recognizing Alorica's industry expertise and commitment to professional development, we believe that their renowned training programs would significantly contribute to the growth and readiness of aspiring professionals in the Province of Isabela.

With this, the PGI through the PPESO collaborated with Alorica in providing an online training for aspiring call center agents in Isabela; specifically, a 2-day Online Skills Enhancement Training (SET) that delves on BPO Orientation, Grammar, Pronunciation, Thought Organization, and Free Speech conducted last February 19-20, 2024 via Microsoft Teams.
