Population &amp; Development Program and Devolution Transition Plan Orientation (PPDP) last April 12</p>	<p>This aims to acquaint the nine (9) newly- designated Municipal Population Officers and six (6) partner agencies on the program mandates of the PPDP for successful implementation of its program mandates.</p>	<ul style="list-style-type: none"> <li>❖ Out of the total 72 confirmed participants, 65 actively attended the activity, including the three coastal municipalities ( Divilacan, Palanan and Dinapigui) and five partner agencies ( PYDO, PPDO, PSA, DILG, DepEd)</li> <li>❖ Roles and Functions discussed as well as establishment of data bases for POPDEV, RFPF and AHD and organizational structure of P/C/M population offices from the Devolution Transition Plan</li> <li>❖ Distributed health kits ( face mask, surgical mask , alcohol ) as tokens to all participants</li> </ul>
<p>Attended the Virtual Training on Reproductive Health Assessment and Data Online System for RFPF Report</p>	<p>This is an assessment activity on the status of various demand generation activities conducted by MPOs and to acquaint them on the data system for the RFPF reports</p>	<ul style="list-style-type: none"> <li>❖ Updated status of accreditation of pre- Marriage Counselors province-wide provided as per coordination made with PSWDO re: expired accreditation of majority of LGUs. That only Reina Mercedes and City of Ilagan have valid accreditation with DSWD.</li> <li>❖ Mobilization support for RFPF was emphasized for 5<sup>th</sup> and 6<sup>th</sup> Income Class LGUs including encoding of RFPF reports using the online system. Hence, 1<sup>st</sup>-4<sup>th</sup> Income Class LGUs shall no longer be qualified to such support as part of the Devolution Transition Plan.</li> <li>❖ Majority of MPOs who attended were able to access and register into the system while three (3) MPOs failed to register due to poor internet connectivity ( Naguilian, Cabatuan and Delfin Albano)</li> </ul>
<p>Forwarded the LGU POPDEV Indicators for Data Base Establishment</p>	<p>This data base reflects the 100 socio-economic indicators of a LGU which shall be established by all MPOs in coordination with different agencies.</p>	<ul style="list-style-type: none"> <li>❖ Status will be communicated via the created CG of MPOs.</li> </ul>
<p>Submitted the project proposal for <i>Responsible Parenthood and Family Planning ( RFPF) in the Workplace</i></p>	<p>This activity will bring FP information within the reach of women with unmet need for MFP, offer guidance through appropriate Family Planning methods that will</p>	<ul style="list-style-type: none"> <li>❖ 2 private industry settings were proposed -Xentro Mall, Tumaunini and SaveMore Roxas with 50 women of reproductive age ( WRA) each setting.</li> </ul>

	contribute towards more focus on their work, produce quality results , increase in productivity and eventually to the economic growth of the company/organization.	❖ Awaiting approval for implementation by May after the election.
Coordinated with LGU Roxas for the conduct of “RPF in the Workplace”	In preparation for the for the “RPF in the Workplace” activity while awaiting for its approval. LGU Offices such as Office of the Mayor thru the MPO designate and MSWDO for the accreditation of PMO Counselors and RHU Roxas for the availability of MFP Commodities on the actual day of the activity.	❖ Xentro Mall of Roxas approved the activity with 50 participants and agreement was made as to final information on the actual day of conduct .
Field Visit to MPOs in LGUs- Cabatuan, Naguilian and Reina Mercedes	This is a form of technical assistance provision on RPF implementation	❖ Cabatuan and Naguilian failed to attend the Online Orientation of RPF encoding of report, hence to coordinate with POPCOM region on the re-schedule of orientation ❖ In Reina Mercedes, WRA employed in Universal Leaf with health concerns especially on MFP are referred by their company nurse using a referral letter.
Coordinated with POPCOM and CVCHD re: Mapping of Available Family Planning Services at the Local Level	This activity aims to gather information on the availability of modern FP services, service providers and equipment in the health facilities : hospitals, RHUs and private birthing homes for development of interventions .	❖ Printed and reviewed the mapping tools and coordinated with POPCOM and CVCHD Regional Coordinators. ❖ That MPOs who are non-health workers and designated in Mayor’s Office, MSWD are unable to attend to it for they lack the knowledge and orientation to facilitate the completion of the tool. ❖ That CVCHD Regional Coordinator relayed that a Virtual meeting be held on May 4 to address these concerns.
