Family Health Cluster		
<p><u>Nutrition Program</u></p> <p>Conducted the <i>Hakab na Ilagueños</i>: A National Breastfeeding Awareness Month Celebration at City of Ilagan Hotel, City of Ilagan, Isabela (September 15, 2023)</p>	<p>The overall activity organizer was LGU Ilagan City through the City of Ilagan Medical Center (CIMC), supplemented by resources from DOH CVCHD and IPHO. The activity aimed to increase awareness on the importance, and to further promote, breastfeeding for working and non-working mothers through collective acts among the community and stakeholders. While the activity was initially scheduled on August 31, 2023, the presence of a typhoon and overall rainy situation during that time prompted the postponement to September 15 instead.</p>	<p>Dr. Annabelle Sanchez, Head - Family Health Cluster of DOH CVCHD, and Ms. Henedina S. Cabrera, Provincial Nutrition Action Officer of Isabela, shared brief messages as partners in the activity.</p> <p>Highlights of the activity include:</p> <ul style="list-style-type: none"> • a testimony by a health worker mother on how she overcame daily struggles and challenges just to ensure that her children are breastfed exclusively. • A lecture and demonstration on baby-wearing wherein benefits of using baby carriers were presented with the use of a huge scarf (<i>sarong or malong</i>) or a used shirt as possible baby-carriers too. • Simultaneous breastfeeding of all the infants and children present for 1 minute.
<p>Attended the Capability Training Program for Regional Lead Assessors on Community Nutrition Services NC II (CNS NC II) at Tiara Oriental Hotel, Makati City (September 25-29, 2023)</p>	<p>Developed by the National Nutrition Council (NNC) in partnership with the Technical Education and Development Authority (TESDA) to standardize the capacity building of barangay nutrition scholars and other community nutrition volunteers in delivering quality nutrition and related services to barangays. Also,</p>	<p>The 5-day training was attended by Ms. Anoniette U. Sanchez, Nutrition Officer II along with other members of the National Nutrition Council of Region II as delegates representing the Cagayan Valley.</p> <p>Participants were also advised to take the next</p>

	<p>the training course served as one of the preparatory activities prior to the deployment of the CNS NC II as a course in TESDA.</p>	<p>step to be full-fledged RLAs: obtainment of <i>Certificates of Competency (COC)</i>. This can be taken free through the online website of TESDA, or face-to-face in TESDA Centers.</p>
<p><u>Adolescent Health and Development Program (AHDP)</u></p> <p>Attended the Key Assistance for Developing Adolescents (KADA) Network Training of Trainers at Hotel Carmelita, Tuguegarao City (September 26-29, 2023)</p>	<p>Conducted by the Health Promotion Unit of the CVCHD in collaboration with the Health Promotion Bureau of the DOH Central Office aimed to address social barriers to Adolescent Sexual and Reproductive Health through a network which expands on the concept of adolescent friendly health facilities, and reorients ASRH services to include a holistic community-based team ready to serve adolescents.</p>	<p>The delegation from the Province of Isabela is represented by the Health Education and Promotion Officers of the IPHO in company with Dr. Elsie A. Pintucan, DMO V, Ms. Ma. Luisa Matote, DMO IV, and Mr. Harold Madduma, HPO I, all from PDOHO Isabela.</p> <p>Presentation of outputs on facility and service mapping, gaps and challenges, and commitment for the sustainability of the KADA Network (once established) was participated by every province.</p>
<p>Conducted Validation on Adolescent Friendly Health Facility Level 1 in the Municipalities of Cabatuan and Echague, Isabela</p>	<p>The municipalities of Cabatuan and Echague signified their intent for the Level 1 accreditation of their Adolescent Friendly Health Facility in accordance to the Administrative Order 2013-0013 or the National Policy and Strategic Framework on Adolescent Health and Development.</p>	<p>Validated by the Adolescent Health and Development Program (AHDP) and the Commission on Population and Development (CPD) of the IPHO.</p> <p>Both LGUs have successfully met all the necessary requirements to be a Certified Level 1 Adolescent Friendly</p>

		Health Facilities.
Non-Communicable Disease Cluster		
<p><u>Mental Health Program</u></p> <p>Attended the <i>Araw ng mga Kabataan: "Malusog na Kabataan ng San Mariano, Kabalikat ng Pagbabago"</i> at Brgy. Zone 3, San Mariano, Isabela (September 7, 2023)</p>	<p>An advocacy drive organized by the LGU of San Mariano thru RHU San Mariano in collaboration with the IPHO aimed to increase the awareness of adolescents on health issues causing changes in their views, characteristics, behaviors, and aspirations.</p>	<p>IPHO personnel in the person of Ms. Cheryl Grace Noriega – Mental Health Program Coordinator, and Ms. Edisa C. Asuncion – Adolescent Health and Development Program Coordinator were invited as Resource Speakers.</p> <p>As the highlight of the activity, a Draw and Tell competition was conducted participated by high school students. Through this, students will be able to convey their thoughts and ideas in the form of artworks.</p>
<p><u>Lifestyle-Related Disease</u></p> <p>Attended the Philippine Package of Essential Non-Communicable Disease Interventions (PhilPEN) Training at Hotel Carmelita, Tuguegarao City, Cagayan (September 12-15, 2023)</p>	<p>In consideration of the commitment to a 2% yearly reduction in mortality due to Non-Communicable Diseases in the country and to contribute to the global reduction of 25% by 2025, the Philippines adapted the World Health Organization's Package of Essential Non-Communicable Disease. The training is further aimed to:</p> <ul style="list-style-type: none"> • Guide health workers and providers at primary health care facilities in implementing the Phil PEN to identified population groups and client needs; • Define the roles and responsibilities of the different DOH offices, the Philippine Health Insurance Corporation, the LGUs and other 	<p>Dr. Jeram Caezar R. Angobung of IPHO attended the 4-day training alongside with the Development Management Officers (DMOs) of Provincial DOH Office (PDOHO) of Isabela.</p> <p>Dr. Marilou Espiritu, DMO V of PDOHO Region IV-A, and Dr. Justin Villaflor, NCD Program Manager were the Resource Speakers who emphasized on the Risk Assessment, Risk Factor Identification and Risk Management from the perspective of a patient. Participants engaged in role-playing drills from which they drew insights to be able to craft their action plans.</p>

	<p>agencies in the implementation of the Phil PEN, including higher level referral facilities;</p> <ul style="list-style-type: none"> • Generate the support of various stakeholders in implementing the Phil PEN policy and guidelines in the country. 	<p>BY virtue of the completion of their training, participants are now equipped to cascade the PhilPEN Protocols for primary health care facilities.</p>
Communicable Disease Cluster		
<p><u>Rabies Prevention and Control Program</u></p> <p>Conducted the World Rabies Day Celebration at Barangay Alicaocao Community Center, Cauayan City, Isabela (September 28, 2023)</p>	<p>An annual celebration conducted by the IPHO-FHS in coordination with the Provincial Veterinary Office (PVET) and in close collaboration with the LGU of Cauayan City with this year's theme; "RABIES: ALL FOR 1 ONE HEALTH FOR ALL"</p>	<p>Ms. Mitzi Caramat, Provincial Rabies Program Coordinator presented the accomplishments of the province together with the identified gaps and challenges that need to be addressed.</p> <p>Speakers from partner agencies were also in attendance for the dissemination of information on: Animal Bite Package of PhilHealth, Mass Vaccination Activity by the City Health Office, Dog Immunization by the Provincial Veterinary Office, and the RA 9482 'ANTI-RABIES ACT' RESPONSIBLE PET OWNERSHIP presented by Mr. Manuel M. Galang Jr, the Veterinarian II Regional Rabies Coordinator.</p>
<p>Attended the Regional Rabies Consultative Meeting with Partners at Hotel Carmelita, Tuguegarao City (September 22, 2023)</p>	<p>To present the regional rabies situation, analyse regional and provincial accomplishments, identify best practices in providing services, discuss and identify gaps and strategies in</p>	<p>Dr. Jeram Caezar R. Angobung, Medical Officer III together with Ms. Mitzi Caramat attended the consultative meeting and presented the best</p>

	<p>program implementation, Revise plans focusing on addressing gaps/challenges identified.</p>	<p>practices, gaps and challenges in the implementation of the program in the province.</p> <p>Agreements were as follows:</p> <ul style="list-style-type: none"> • Quarterly: 1st week of the succeeding Quarter <ul style="list-style-type: none"> <i>Ex. Jan-March- First week of April (April 1-7)</i> <i>April-June: First week of July</i> <i>July- September: First week of October</i> <i>October- December: First week of January the following year</i> • Annually: First week of the succeeding year • No Report, No Vaccine allocation
<p><u>Integrated Helminth Control Program</u></p> <p>Attended the Deworming Mop-up Activity at RHU Burgos, Isabela (<i>September 20-22, 2023</i>)</p>	<p>Attributable to the insufficient supply on deworming tablets in some RHUs, a mop up mass deworming was conducted to complete the second cycle in the municipality of Burgos, Isabela as the identified recipient by the CVCHD.</p>	<p>Ms. Reynia C. Andres, Helminth Control Program Coordinator of the IPHO together with the health workers of RHU Burgos conducted a 3-day mass deworming activity targeting pre-school children (24-59 months old) in four (4) identified barangays, namely: Brgy. San Bonifacio, Brgy. San Miguel, Brgy. Malasin, Brgy. San Roque, and Brgy. Caliguian.</p> <p>Number of dewormed children per barangay are as follows:</p> <ul style="list-style-type: none"> ❖ San Bonifacio- 57 ❖ San Miguel- 63

		<ul style="list-style-type: none"> ❖ San Roque -69 ❖ Malasin – 49 ❖ Caliguian - 201
<p><u>Malaria Control and Elimination Program</u></p> <p>Conducted the Quality Assurance System Monitoring in RHUs, CHOs, and Hospitals</p>	<p>This is in preparation of the declaration of Malaria-Free Isabela. A functional Quality Assurance System for malaria microscopy (QA reports) acts as one of the criteria and requirements for declaring provinces as malaria. The conduct of regular monitoring and supervision to Malaria Microscopy Centers in Isabela by the provincial validators contributes in maintaining the quality of malaria services.</p>	<p>Medical Technologists from the IPHO and GFNDSMH visited various health facilities to conduct Quality Assurance System Monitoring, validation of the Malaria and TB Laboratory Registry, and provide Technical Assistance on Online Malaria Information System.</p> <p><u>RHUs/CHOs</u></p> <ul style="list-style-type: none"> • 40 RHUs/CHOs (including Santiago City) <p><u>Hospitals</u></p> <ul style="list-style-type: none"> • Isabela United Doctors Medical Center • Cauayan Medical Specialist Hospital • Ester R. Garcia Medical Center • Echague District Hospital • Cauayan District Hospital • Milagros Albano District Hospital • Manuel A. Roxas District Hospital • San Mariano Community Hospital
