		Municipal Mayor Hon. Vicente D. Mendoza as the chair of the LHB.
Integrated Health Program Monitoring	This is a revitalized strategy of the IPHO-FHS where personnel are grouped into six (6) clusters to cover the congressional districts of the province as their respective areas in monitoring various health programs and render technical assistance to LGUs in order to improve the implementation of these programs in the community.	<p>Using the approved Monitoring Tools of each program, the monitoring teams were able to identify the challenges and good practices of each LGU in the implementation of health programs. As an output, A summary of findings and recommendations were reflected in the Integrated Monitoring Tool feed forwarding to the Municipal/City Health Officers for their information and reference.</p> <p>The following are the health programs monitored by the teams from IPHO in RHUs/CHOs:</p> <ul style="list-style-type: none"> • Benito Soliven RHU – National Immunization Program, National Safe Motherhood and Newborn Program, Non-Communicable Diseases Program, Mental Health Program, Dengue Prevention and Control Program • San Mariano RHU – All Programs except DRRM-H • Reina Mercedes RHU – All programs except DRRM-H
OTHER PROJECTS/PROGRAMS/ACTIVITIES		
Barangay Health Workers (BHWs) Orientation on BHW Reference Manual	To present the significant contribution of our BHWs to the health system stipulated in the Republic Act 7883 Barangay Health Workers' Benefits and Incentives Act of 1995. Also, this activity is aimed to give updates on the BHW Reference Manual to align the BHWs' expected knowledge and skills.	<p>IPHO's Provincial BHW Coordinator, Ms. Lourdes Z. Dela Cruz along with program coordinators from the same office conducted a one-day orientation and dissemination of updates on various health programs.</p> <ul style="list-style-type: none"> • LGU Luna – 100 BHWs attended the orientation • LGU San Guillermo – The Orientation was attended by 70 BHWs from their respective 26 barangays. The presence of their municipal mayor, Hon. Felipe N. Guyud, Jr. had steered their drive to perform their duties well as he recognizes all their efforts and had assured a sustained incentive for them.

<p>Ceremonies on the Declaration of the Province of Isabela as Malaria-Free Province</p>	<p>As recognition to the province' ceaseless efforts in maintaining zero reported indigenous case status since 2014 to date.</p>	<p>Dr. Nelson O. Paguirigan, PHO II, along with Dr. Almira L. Reyes, COH II, and Mr. Marvin R. Valiente, Provincial Malaria Control and Elimination Program Coordinator, presented the province's final pitch to the members of the Technical Working Group consisting of Dr. Kim Patrick Tejano and Dr. Raffy Deray both from DOH Central Office, Mr. Ray Angluben, Program Director of PSFI, Ms. Cecilia Hugo, Executive Director of ACT Malaria, and Dr. Bayo Fatunmbani, Technical Officer of World Health Organization.</p> <p>With reference from the previous findings during the assessment of the province's preparedness reveal that the province is ready to be certified and declared as malaria-free. The remarkable declaration happened last May 13, 2024 during the Flag raising Ceremonies hosted by the IPHO. DOH Undersecretary of Public Health Affairs Dr. Glenn Mathew G. Baggao, Sangguniang Panlalawigan Member and Chairman on Health and Sanitation Hon. Joselito Emanuel B. Añes, Provincial Administrator Atty. Noel Manuel R. Lopez, Provincial Information Officer Atty. Elizabeth C. Binag, Provincial Treasurer Ms. Maria Theresa Araneta-Flores, and PHO II Dr. Nelson O. Paguirigan, received the award along with cash incentive on behalf of Governor Rodolfo T. Albano III.</p>
<p>Dissemination of the Guidelines and Criteria on Gawad Kalusugan 2024 (May 3, 2024)</p>	<p>The GAWAD KALUSUGAN 2024 is an avenue to acknowledge the efforts of the Local Government Units (LGUs) and other partners on their contributions in the attainment of various health indicators and in the advancement of healthcare service delivery and attainment and implementation of the Universal Health Care (UHC).</p>	<p>MHOs/CHOs, AOs from the PGI-owned hospitals, and representatives from other primary health care facilities attended the dissemination meeting.</p> <p>Dr. Nelson O. Paguirigan, PHO II, earnestly beseeched everyone's participation particularly to our MHOs/CHOs to bring out their A-games in order to meet the various criteria to qualify and to triumphantly bring home the glory.</p>

<p>Attendance to the 1st Philippine Cervical Cancer Elimination Summit with the theme, "One Community Against HPV" at Novotel Hotel, Quezon City (May 16, 2024)</p>	<p>Spearheaded by Merck Sharp and Dohme (MSD) in the Philippines, the initiative provided a platform for healthcare experts, advocacy groups, policymakers, and private sectors to accelerate progress toward a cervical cancer-free future for millions of Filipino women.</p>	<p>The World Health Organization (WHO) launched the Global Strategy in 2020 to Accelerate the Elimination of Cervical Cancer as a Public Health Problem with the following targets to be reached by 2030:</p> <ul style="list-style-type: none"> • 90% of girls fully vaccinated with HPV vaccine by age 15 years. • 70% of women are screened with a high-performance test by 35 years of age and again by 45 years of age. • 90% of women identified with cervical disease receive treatment. <p>For the Province of Isabela, through the National Immunization Program has commenced its part on this strategy since 2023, with 16,248 or 16.21% of adolescent girls immunized against HPV to date.</p>
<p>National Immunization Program Consultative Meeting (May 21, 2024)</p>	<p>To review program accomplishments, challenges encountered and interventions or strategies to address such. Additionally, the meeting also aims to discuss and clarify on-going implementation of bivalent Oral Polio Vaccine (bOPV) Supplemental Immunization Activity and HPV vaccination. Also to reiterate reports necessary for the monitoring of all program components and conduct catch up or Outbreak Response Immunization Planning as needed to counter the rising cases of VPDs particularly pertussis.</p>	<p>Organized and conducted by the IPHO' National Immunization Program in collaboration with CVCHD.</p> <p>The following agenda were presented along with agreements and next steps:</p> <ul style="list-style-type: none"> ➤ 2023 Annual Accomplishment and 1st Quarter Accomplishment <ul style="list-style-type: none"> • Mr. John Michael Alejo, Coordinator from Dinapigue shared their strategies on consistently reaching the 95% target. ➤ Microplan, Local Policies, EO, Resolutions and Ordinances <ul style="list-style-type: none"> • Local policies are also collected and uploaded thru https://bit.ly/Isabela_NIP_Policies ➤ Outbreak Response Immunization – DM 2023-0284 <ul style="list-style-type: none"> • In the province, 3

		<p>municipalities namely Mallig, Luna and Cabagan have 1 case of Pertussis each.</p> <ul style="list-style-type: none"> ➤ HPV Accomplishment <ul style="list-style-type: none"> • the province is still at 75% utilization of the allocated vaccines. ➤ Training Needs Assessment <ul style="list-style-type: none"> • Upcoming training on Basic Immunization will be conducted in 4 batches ➤ Immunization Excellence Award <ul style="list-style-type: none"> • a recognition to those who have high accomplishment and have extraordinary innovations to improve vaccination rates in the community for the year 2023
<p>Attendance to the Induction Program for Local Early Childhood Care and Development (ECCD) Service Providers for the Province of Isabela (May 29-31, 2024)</p>	<p>The program is aimed to introduce Local Government ECCD supervisors and service providers to the current trends on ECCD as anchored on the RA 10410. Through this activity, participants from the selected LGUs of Isabela would have been oriented on needed requirements in establishing a National Child Development Center (NCDC) in their localities.</p>	<p>Representing the Provincial Government of Isabela (PGI) were Ms. Charmiya Rosalina L. Cruz, Social Welfare Officer IV (of the PSWDO), Ms. Antoniette U. Sanchez, Nutrition Officer II (IPHO), and Mr. Harijhon S. Alabon Jr, Health Education and Promotion Officer II (IPHO), where Ms. Sanchez presented the consolidated output of the PGI group in terms of the province-wide implementation of ECCD programs and services.</p>
<p>Attendance to Coordination Meeting on Health and Wellness Program for Senior Citizens (May 29, 2024)</p>	<p>The meeting is aimed to develop plans and activities to increase the quality of Filipino elders by improving their quality of life via healthy and productive aging.</p>	<p>Conducted by the CVCHD and attended by Non-Communicable Disease Coordinators from the provinces of Isabela, Quirino, and Batanes along with participants from the cities of Ilagan, Cauayan, and Tuguegarao.</p> <p>Discussion on the following agenda was facilitated:</p> <ul style="list-style-type: none"> • Conduct of weekly Hataw Day

		<p>for Senior Citizens of LGUs;</p> <ul style="list-style-type: none"> • Concept Note of Health and Wellness Daycare of Senior Citizen Center
<p>Attendance to the Local Health Board Meeting Re: Leprosy and Pertussis at Cabagan, Isabela</p>	<p>The Municipal Health Office of Cabagan convened an emergency local health board to address the different issues particularly their one (1) case of leprosy. This becomes the concern of the RHU due to many contact of the patient.</p>	<p>The meeting presided by Vice-Mayor Hon. Lovier V. Masigan alongside with the Municipal Health Officer Dr. Viel Bagunu. Also in attendance were Mr. Jay-Ar P. Benitez, the Provincial Leprosy Coordinator, and Mr. Marvin R. Valiente, the Provincial Epidemiology and Surveillance Officer.</p> <p>Brief discussions on the prevention of widespread of communicable diseases such as Leprosy and Pertussis were facilitated by Mr. Benitez and Mr. Valiente.</p> <p>Initial plans discussed were:</p> <ul style="list-style-type: none"> • to conduct Kilatis Kutis in partnership with Private Dermatologists; • School-based Health Information Dissemination in coordination with RHU Cabagan and ISU Cabagan Campus; • Intensifying the vaccine coverage of Pentavalent vaccine in routine immunization after conducting the Pertussis Outbreak Response Immunization; • Drafting of EO on Mandatory Testing of suspected pertussis and other notifiable diseases to control the spread of these communicable diseases
<p><u>ISO 9001:2015</u></p> <p><u>(Ms. Rhodora D. Santos as Internal Auditor)</u></p> <p>Facilitated revision of routed draft revised procedures as per findings made by other identified PGI departments.</p>	<p>A pre-requisite for revision in consultation and guidance from PIACO in conformance to the Quality Management System of ISO 2015 Standards.</p>	<ul style="list-style-type: none"> ❖ Final checking of findings incorporated in the procedures including assigning of codes to the records of the 4 procedures made with Ms. Rica Valdez as co-Internal Auditor ❖ Consulted PIACO on the final

<p>Conducted Internal Audit with Ms. Valdez, Asst. Internal Auditor in the areas of context organizational documents and Health Program Management.</p>	<p>This activity is a regular measure that aims to ensure compliance of the procedures to ISO 2015 standards in preparation for the June schedule of PGI Audit.</p>	<p>presentation of documents</p> <ul style="list-style-type: none"> ❖ General and specific Quality Objectives to be finalized with Dr. Jerame. ❖ Dissemination of the revised procedures made among all personnel last May. <p>Findings relayed through a written report to the PHO II thru the SAO with corresponding recommendations to effectively and efficiently ensure compliance as required by the Provincial Government.</p>
