Farmers Congress
San Agustin
July 4, 2014

A new lease of life for the residents of San Agustin at the Farmers Congress last July 4, 2014 Under the leadership of Governor Faustino "Bojie" Dy III and Vice-Governor Tony Pet Albano, together with various government organizations. The Provincial Health Office- Field Health Services under the headship of Dr. Rosa Rita B. Mariano PHO II and Dr. Arlene M. Lazaro PHO I, whole-heartedly participated in this event

The main purpose of this medical mission is to provide health backing to local farmers and their families hence improving on their health condition, such as enhancing wellness and disease prevention, improve patient outcomes, reduce morbidity and mortality especially to the under privilege ones, promote cost effective health care and to assist clients to become self-directed lifelong learner. The medical-dental team put their shoulders to the wheel to cater for 628 people.

Governor Faustino "Bojie" Dy III gave his earnest assurance to the local farmers regarding the government's objectives which are based on the premise that health and medical care is to give patients added value in the form of improved health. Health and medical care must be run efficiently and with good results for patients so that it enjoys a high level of confidence among the general public.
