j. Security Consciousness:

- The installation of CCTV Camera inside and within the perimeter/premises of the IPJ was already completed and is now operational.

II. Other Concern:

- On February 15, 2025, The Isabela Provincial Jail conducted Muster Inspection to ensure that Prison Guards and staff are fully prepared for their duties. It helps maintain discipline, accountability, and operational readiness within the facility.

Prison Guards also evaluated to guarantee that they were properly attired, aligned, and equipped for their duties.

- Handicraft projects continuously undertaken by inmates, open for sale to the public the income generated will accrue to prisoner concerned.
- Likewise, inmates who has knowledge in carpentry jobs, continuously accepting furniture making as their source of meager income, carpentry tools was already completed, through the initiative of the Provincial Warden.

III. Problems/Recommendation:

- Lack of fire power.
- The procurement of fire power of this office is requested and highly recommended to upgrade old and primitive hand guns which were issued to the custodial force/prison guard since the activation of Isabela Provincial Jail.
- Additional custodial/prison guard to cope up the increase of PDLs.
