|   |   | <b>YEAR</b>     |

| PROGRAM/PROJECT/ACTIVITY                                       | PROJECT DESCRIPTION   | STATUS/REMARKS/ ACCOMPLISHMENT   |
|--|---|--|
| Provincial Development and Physical Framework Plan (PDPFP)     | Is a plan that merges provincial physical framework plan and provincial development plan to address the disconnection between spatial and sectoral factors and between medium and long-term concerns. It contains the long-term vision of the province, and identifies development goals, strategies, objectives/targets and corresponding PPAs which serve as primary inputs to provincial investment programming and subsequent budgeting and plan implementation as stated in the JMC No. 1 s. 2007. The Office serves as a planning unit responsible for gathering data necessary in the formulation of the plan. | Conducted various meetings and discussions relative to the formulation of the plan.  |
| Local Public Transport Route Plan (LPTRP)                      | Is a plan detailing the route network, mode, and required number of units per mode for delivering land transport service, which shall be the minimum requirement prescribed for the issuance of PUV franchises. The office being a member of its TWG is tasked to help in the crafting of the said plan.  | Presented the LPTRP survey results.  |
| International Organization for Standardization (ISO) 9001:2015 | The PGI as an ISO 9001:2015 certified agency, the Office as a component office ensures the efficiency and effectiveness of its operations for organizational quality and excellent public service.  | The Office’s ISO team attended the surveillance audit and ensured that the office has strictly complied with the set standards.  |
