EXECUTIVE ORDER NO. 04 -2020

**ENJOINING ALL GOVERNMENT OFFICES AND ALL SCHOOLS IN THE PROVINCE TO
SHIFT TO LED BULBS AND USE LED LIGHTING TECHNOLOGY IN THEIR OFFICE
BUILDINGS AND CLASSROOMS**

Whereas, it is the policy of the State to ensure a continuous, adequate, and economic supply of energy with the end in view of ultimately achieving self-reliance in the country's energy requirements through, among others, the judicious conservation, renewal, and efficient utilization of energy to keep pace with the country's growth and economic development;

Whereas, there is a need for continuing efforts to promote and adopt energy conservation measures that would produce an environment conducive to free and active multi-sectoral participation in energy conservation activities;

Whereas, Light Emitting Diodes (LEDs) have recently entered the lighting market as energy efficient alternative to traditional light sources such as incandescent and fluorescent bulbs;

Whereas, energy efficiency improvements, such as led lights innovations, can result in large reductions in energy demand when spread across a utility's territory, reducing the pressure to build new power plants, lowering transmission line congestion, which will ultimately be reflected in lower energy bills for ratepayer;

Whereas, to maintain the Government's sincerity in promoting energy efficiency and conservation measures by the private sector, the Government shall lead by example implementing its own energy management initiatives;

NOW THEREFORE, I, RODOLFO T. ALBANO III, Governor of Isabela, by virtue of the powers vested in me by law, do hereby enjoin all government offices and all schools in the Province of Isabela to shift to LED bulbs and use LED Lighting Technology in their office buildings and classrooms.

For this order, the Office of the Environment and Natural Resources of the Provincial Government shall coordinate with the head of various agencies and different schools in the Province through their respective School Division Heads, Presidents and Principals for the effective implementation of this Executive Order. Their conformity shall require the submission of compliance report to the Office of the Governor;

All orders, issuances or parts thereof, which are inconsistent with this Executive Order, are hereby repealed or modified accordingly.

This Executive Order shall take effect immediately and let copies of this Order be provided to all concerned for their information, reference and guidance.

Issued this 6th day of January 2020 in City of Ilagan, Isabela.
