In relation to our goal to reduce if not totally put a stop on Illegal and unauthorized gambling activities in the province of Isabela, after numerous reports of its proliferation both in Poblacion areas and more particularly and rampantly in far flung barangays, I have issued last December 10, 2019 an Executive Order bearing No. 61-2019 Organizing the Isabela Task Force on Anti-Illegal Gambling (ITF-AIG) establishing it as an Office-in-Charge of all concerns on Illegal gambling (*copy hereto attached*).

As part of our initial function of gaining knowledge on illegal gambling operations and our intent to have a database, you are hereby requested to submit not later than 5:00 pm January 24, 2020 a report detailing the following:

1. Kinds of illegal gambling operations in your respective jurisdictions;
2. Complete address of operations with map specifying exact location;
3. Identified persons in charge of its operation;
4. If possible, pictures of the gambling activity, paraphernalia used, with faces of the bettors and operators clearly captured (as many as you can produce);
5. A narrative on how the games (taya at pagbola/paglaro) are conducted;
6. Remarks whether these operations are duly supported with the necessary LGU permits and licenses from your end;
7. Problems your office have encountered during their operations;
8. Complaints received from your constituents, if any;
9. If possible, include the position of your office as to the continuing operations of these gambling activities, whether you are supporting or are against it.

For your strict compliance.
