appropriated for the rehabilitation and improvement of the Union-Barcolan Farm-to-Market Road in Gamu, Isabela be reprogrammed to the two accounts providing for the construction of the Dairy Farm Building in Cabagan, Isabela and the improvement and conversion of the Power Line (Phase II) for the subproject aromatic and pigmented rice production and marketing enterprise located at San Placido, Roxas, Isabela.

Pursuant to the powers granted by law to this August Body, such a request was duly considered for review which yielded the following findings:

- As per Resolution No. 2021-023-05 which approved the Annual Investment Plan of the Provincial Government of Isabela (PGI) for fiscal year 2022, the Provincial Governor is duly authorized to reprogram any amount from the 20% Economic Development Fund to ensure that the resources of the PGI are utilized to address current development issues and that its plans, programs, and activities are implemented effectively.
- The PPAs to which the amounts will be reprogrammed advance the thrust of the PGI to modernize its agriculture sector and improve such sector's viability and output.

Accordingly, this August Body finds that the request of the Provincial Governor is just, lawful, and appropriate and furthers the agriculture-related policies of the PGI hence approves the same.
